Manav Rachna International Institute of research and Studies School of Engineering & Technology

Technical Clubs of SET, MRIIRS

Introduction:

In today's rapidly evolving world, where technology plays a crucial role, technical clubs can be the essential platforms for fostering innovation, collaboration, and skill development among aspiring technologists. These clubs provide a vibrant environment where students with a passion for technology can come together to learn, share knowledge, work on projects, participate and organize hackathons etc.

The basic purpose of each club is of following four dimensions:

- □ Knowledge Sharing: Encouraging students to exchange the technical knowledge, ideas, and expertise through webinars, seminars, presentations, and discussions.
- □ Skill Development: Organizing training sessions for competitive coding practice, and hackathons to boost technical skills for problem-solving abilities.
- Project-based Learning: Encouraging students to develop practical applications on real-world projects to gain hands-on learning experience.
- □ Networking and Collaboration: Encouraging students to promote collaborations with industry, other clubs and other institutions.
