

MRNAT' 23 Phase II Offline Mode
Student Guidelines

1. The candidates need to reach the exam venue latest by 9.30 AM on the test day (April 23, Sunday)
2. The students need to show their government-authorized identity card (Aadhar card/ PAN card/Driver's License/ Voter ID/Passport etc) and respective Hall tickets (**download from: manavrachna.edu.in**) at the gate for procuring entry to the venue.
3. Candidates need to report at the Registration Counters latest by 9.30 AM to mark their attendance and get their hall ticket/ ID proofs cross-verified
4. Our representatives would then guide the candidates to their respective assessment labs and assign computer systems to appear for the examination.
5. After the completion of the MRNAT test, the candidates would be ushered to their assigned waiting arenas for GD/PI sessions, according to their group numbers.

Few pointers to be noted (By students opting for the offline mode of MRNAT)

1. Students would be allowed to only carry a transparent water bottle, a small-sized hand sanitizer, a pen and an A4-sized blank paper with them to the examination labs.
2. **For Undergraduate Applicants:** The test would be of 90 minutes and comprise 75 multiple-choice questions, with 25 questions each on Arithmetic and Logical Reasoning, General Awareness and General English
3. **For Postgraduate Applicants:** The test would be of 90 minutes and comprise 45 multiple-choice questions, with 15 questions (each on Arithmetic and Logical Reasoning, General Awareness and General English) and 30 questions related to the corresponding programs the candidates have applied for.
4. The MRNAT exam and allied GD/PI sessions would begin at 10:00 AM
