

Welcome to the Economics Department at Manav Rachna International Institute of Research and Studies (MRIIRS). As a premier institution fostering academic excellence and holistic development, we are proud to present our dynamic Economics Department, which offers an array of programs designed to prepare students for successful careers in the field of economics.

### **Why Choose Economics at MRIIRS?**

At MRIIRS, we believe in nurturing intellectual curiosity, critical thinking, and practical skills. Our Economics Department provides a conducive environment where students are encouraged to explore, analyze, and engage with real-world economic challenges. With a commitment to excellence, our programs offer:

**Comprehensive Curriculum:** Our curriculum blends theoretical knowledge with practical applications, providing students with a strong foundation in microeconomics, macroeconomics, econometrics, and specialized areas such as international trade, regional development, and more.

**Experienced Faculty:** Our dedicated faculty members bring a wealth of academic expertise and industry experience to the classroom, ensuring that students receive well-rounded and up-to-date insights into the ever-evolving field of economics.

**Research Opportunities:** Students have the chance to engage in research projects that contribute to cutting-edge economic knowledge. Our department's research thrust areas include international trade, regional development, value chains in agriculture, public-private partnerships, and more.

**Industry Collaborations:** We foster strong ties with industry partners, enabling students to gain practical exposure through internships, projects, and guest lectures from renowned professionals in economics and related fields.

**State-of-the-Art Facilities:** Our department is equipped with advanced research technology, statistical software suites, GIS tools, and economic modeling platforms, providing students with the resources needed to excel in data analysis and economic research.
