PROGRAMME: BACHELOR OF DESIGN					
Study Scheme at a Glance					
Fundamental	**Core**	**Ability Enhancement Courses (AEC)**	**Skill Enhancement Courses (SEC)**	**Domain Specific Electives under Compulsory basket***	**Domain Specific Electives under Elective basket****
SEMESTER I					
COMMON FOR ALL (INTERIOR DESIGN/ ANIMATION & VFX/ COMMUNICATION DESIGN)	Fundamental Of Design - I			Basic Drafting Skills	In addition to above Domain Specific Electives, Interdisciplinary, Generic, on-line courses (MOOCs) to be offered, shall be notified by the Academic Branch of the University well before start of Semester / Academic Session.
	Introduction To Design			Digital Graphics - I	
	Color Theory				
	Art And Design Appreciation - I				
	Freehand Design Drawing-I				
	Communication-I				
SEMESTER II					
COMMON FOR ALL (INTERIOR DESIGN/ ANIMATION & VFX/ COMMUNICATION DESIGN)	Fundamental Of Design - II			Digital Graphics - II	In addition to above Domain Specific Electives, Interdisciplinary, Generic, on-line courses (MOOCs) to be offered, shall be notified by the Academic Branch of the University well before start of Semester / Academic Session
	Rendering And Illustration			Furniture And Layout Design	
	Geometrical Construction				
	Digital Image Editing				
	Art And Design Appreciation - II				
	Human Anthropology And Ergonomics				
	Environmental Studies				

SEMESTER III					
Course Type	**Core**	**Ability Enhancement Courses (AEC)**	**Skill Enhancement Courses (SEC)**	**Domain Specific Electives under Compulsory basket***	**Domain Specific Electives under Elective basket****
Interior Design	Design Studio - I (Residential Design)			Design Thinking	In addition to above Domain Specific Electives, Interdisciplinary, Generic, on-line courses (MOOCs) to be offered, shall be notified by the Academic Branch of the University well before start of Semester / Academic Session.
	Building Material And Construction - I			Digital Art	
	Kitchen Design			Introduction To Photography	
	Computer Aided Design - I				
	Hard Material And Finishes				
	Interior Accessories				
Animation & VFX Design	Foundation Of Animation Language And Design				
	Concept Of Web Designing And Development				
	Introduction To 2d Animation				
	History Of Animation				
	Animation Techniques				
Communication Design	Design Studio Text And Images				
	Project Ways Of Seeing				
	Project Symbols And Systems				
	Research Design Histories				

SEMESTER IV					
Course Type	**Core**	**Ability Enhancement Courses (AEC)**	**Skill Enhancement Courses (SEC)**	**Domain Specific Electives under Compulsory basket***	**Domain Specific Electives under Elective basket****
Interior Design	Design Studio - Ii (Commercial Design)			Branding And Promotion	In addition to above Domain Specific Electives, Interdisciplinary, Generic, on-line courses (MOOCs) to be offered, shall be notified by the Academic Branch of the University well before start of Semester / Academic Session.
	Building Materials & Construction - Ii			Motion Graphics - I	
	Bath Design			Revitalization Of Art & Craft	
	Computer Aided Design - Ii				
	Furniture Design				
	Soft Material And Finishes				
Animation & VFX Design	Introduction To 3d Modelling				
	Character Designing				
	Animation Technique Lab				
	Film Studies				
	Game Design And Documentation				
Communication Design	Design Studio- Narratives, Forms And Time				
	Project- Contexts Of Visual Communication				
	Project- Typography In Context				

Course Type	Core	Ability Enhancement Courses (AEC)	Skill Enhancement Courses (SEC)	Domain Specific Electives under Compulsory basket*	Domain Specific Electives under Elective basket**
	Project-Visualising Experience				

<table>
<tr><td colspan="6" align="center">SEMESTER V</td></tr>
</table>

Course Type	Core	Ability Enhancement Courses (AEC)	Skill Enhancement Courses (SEC)	Domain Specific Electives under Compulsory basket*	Domain Specific Electives under Elective basket**
Interior Design	Design Studio - III(Retail Design)			Graphics For Web Design	In addition to above Domain Specific Electives, Interdisciplinary, Generic, on-line courses (MOOCs) to be offered, shall be notified by the Academic Branch of the University well before start of Semester / Academic Session.
	Building Materials & Construction - III			Web Designing (Html)	
	Landscape Designing			Motion Graphics - II	
	Lighting Design & Technology			Digital Arts - II	
	Interior Service Systems			3ds Max	
Animation & VFX Design	Minor Project - I (Stop Motion Animation)				
	3d Animation - I				
	2d Animation Lab				
	Writing For Animation				
Communication Design	Art Of Cinematography				
	Project Design Practice				
	Project- Research Through Design				
	Social Media Culture				

		SEMESTER VI			
Course Type	Core	Ability Enhancement Courses (AEC)	Skill Enhancement Courses (SEC)	Domain Specific Electives under Compulsory basket*	Domain Specific Electives under Elective basket**
Interior Design	Design Studio-Iv (Hospitality)			Innovation In Packaging Design	In addition to above Domain Specific Electives, Interdisciplinary, Generic, on-line courses (MOOCs) to be offered, shall be notified by the Academic Branch of the University well before start of Semester / Academic Session.
	Sustainable Interiors			Corporate Identity	
	Portfolio Presentation			Fundamental Of Audio And Video Editing Lab	
	Professional Practice, Business Ethics & Project Management			Game Design Lab	
	Estimation And Budgeting			Live Project Presentation	
Animation & VFX Design	Minor Project-II (Game Designing)				
	Editing & Compositing Lab				
	3d Animation - II				
	Storyboarding Techniques				
	Film Direction Studies				

Communication Design	Social Responsive Design				
	Visual Communication And Emergent Practices				

SEMESTER VII					
Course Type	**Core**	**Ability Enhancement Courses (AEC)**	**Skill Enhancement Courses (SEC)**	**Domain Specific Electives under Compulsory basket***	**Domain Specific Electives under Elective basket****
Interior Design	Industry Internship				
Animation & VFX Design	Industry Internship				
Communication Design	Industry Internship				

SEMESTER VIII					
Course Type	**Core**	**Ability Enhancement Courses (AEC)**	**Skill Enhancement Courses (SEC)**	**Domain Specific Electives under Compulsory basket***	**Domain Specific Electives under Elective basket****
Interior Design	Thesis Project				
	Vastu & Fengshui				
	Intelligent Interiors				
	Exhnibition & Set Designing				
Animation & VFX Design	Dissertation: Major Project				
	Compositing And Vfx Lab				
	Advance 3d Animation				

Communication Design	Undesrtanding The Production Process				
	Critical Practice-Project				
	Critical Practice-Experimentation				
	Critical Practice-Theorisation				

MINIMUM CREDITS REQUIRED THROUGH COMPULSORY COURSES- 110
MINIMUM CREDITS REQUIRED THROUGH ELECTIVE COURSES- 24

PROGRAMME: BACHELOR OF SCIENCE- INTERIOR DESIGN & DECORATION					
Study Scheme at a Glance					
Fundamental	Core	Ability Enhancement Courses (AEC)	Skill Enhancement Courses (SEC)	Domain Specific Electives under Compulsory basket*	Domain Specific Electives under Elective basket**
SEMESTER I					
	Basic Drafting Skills	Colour In Décor	Communication-I		In addition to above Domain Specific Electives, Interdisciplinary, Generic, on-line courses (MOOCs) to be offered, shall be notified by the Academic Branch of the University well before start of Semester / Academic Session.
	Drawing Techniques	Design Elements And Principal Of Our Environment			
		History Of Furniture And Decoration-I			
		Hard Material And Finishes			
SEMESTER II					
	Perspective Sketching	History Of Furniture and Decoration-II	Communication-II	Environmental Studies	In addition to above Domain Specific Electives, Interdisciplinary, Generic, on-line courses (MOOCs) to be offered, shall be notified by the Academic Branch of the University well before start of
	Furniture and Layout	Soft Material and Finishes			

		Window Treatment and Accessories			Semester / Academic Session
SEMESTER III					
	Residential Decorating	Lighting	Autocad For Decorators-I	Building Materials And Construction-I	In Addition To Above Domain Specific Electives, Interdisciplinary, Generic, On-Line Courses (Moocs) To Be Offered, Shall Be Notified By The Academic Branch Of The University Well Before Start Of Semester / Academic Session.
	Studio Technique-I	Design Thinking	Business Skills For Decorators		
	Kitchen Remodelling				
SEMESTER IV					
	Visual Communication	Marketing Techniques	Building Material And Construction-Ii		In addition to above Domain Specific Electives, Interdisciplinary, Generic, on-line courses (MOOCs) to be offered, shall be notified by the Academic Branch of the University well before start of Semester / Academic Session.
	Living Green	Field Placement			
		Autocad For Decorators-Ii			
	Bath Remodelling	Visual Communication			
SEMESTER V					
	Furniture Design		Building Materials And Construction-III	3d Studio Max-I	In addition to above Domain Specific Electives, Interdisciplinary, Generic, on-line courses (MOOCs) to be offered, shall be notified by the Academic Branch of the University well before start of Semester / Academic Session.
	Studio III Commercial Design		Estimating And Costing		
	Visual Display Retail		Interior Services Systems		
SEMESTER VI					
	Internship / Interior Design Thesis Project		Professional Practice And Project Report Presentation	Practical Aspects Of Project Management	In addition to above Domain Specific Electives, Interdisciplinary, Generic, on-line

				Adobe Photoshop And 3d Studio Max-II	courses (MOOCs) to be offered, shall be notified by the Academic Branch of the University well before start of Semester / Academic Session.
MINIMUM CREDITS REQUIRED THROUGH COMPULSORY COURSES- 116					
MINIMUM CREDITS REQUIRED THROUGH ELECTIVE COURSES- 20
