WORD FROM STUDENTS

Mekala Vamshi, MRIIRS, Legato Health Technologies

I am grateful to the Corporate Resource Center for providing this opportunity and supporting me during my placement interviews. With the constant support and guidance of faculty members and the CRC, I acquired good placement.

Jahanvi Singh, MRIIRS, Capgemini

I was able to secure a placement at Capgemini, and all thanks go to the university, department, and faculty for being a constant support and backbone throughout the process. Our faculty took mock tests that would help us prepare alongside a curriculum that kept us prepared for all the technicalities like coding etc.

Aditya Raj, MRIIRS, Nokia

My experience at Manav Rachna has been excellent and memorable. The mentors at Manav Rachna helped me enhance my academic and interpersonal skills. I am thankful to the Corporate Resource Center for providing a platform to improve my skills and an opportunity to showcase them.

Ruchika Sharma, MRIIRS, Escorts Ltd

I am thankful to the Corporate Resource Center for providing an opportunity to showcase my skills. We were guided by each step, which helped me a lot to bag this opportunity. I want to thank all the members of our placement department.

Satvik Mittal, MRU, HCL Technologies

The Corporate Resource Center is pretty good and provides a vast variety of companies to apply for and gain a bigger and better understanding of the companies and their recruitment processes even if we are not selected.

Rakhi Jha, MRU, ADP

I am thankful to the Corporate Resource Center for giving me great opportunities to have a great future ahead. The policies followed by CRC are good and provide equal opportunities to every student.

Richa Aggarwal, MRU, EX Squared Solutions

I want to thank my CSE faculty and CRC department for helping me and guiding me during the placement by providing good quality training and also helping me to present my best to a good software development company. The faculty was helpful; they were always available and answered all queries.

Ananya Kamra, MRU, Palo Alto Networks

I am thankful to the university for providing the latest course in the Computer Engineering field that helped me bag the dream offer. Faculty and CRC department mentorship paved the way to many opportunities.

INDUSTRY-ACADEMIA PARTNERSHIP

Collaboration on Advocacy, Capacity-Building, & Training Initiatives

Faculty Upskilling

At Manav Rachna, we emphasize the familiarity of our faculty members with the latest trends and motivate them to upgrade their knowledge from time to time. Our MR team participates in various seminars and workshops and takes up certification courses to help them enhance their skills and be better role models for their students.

RECRUITERS' SPEAK

Well organized event. It was an interactive session with students during the pre-placement talk. Good work by CRC team in arranging the event. Look forward for long term and transparent relationship with Manav Rachna.

Ashish Bhalla

Associate Director & Head
Campus relations, **HCL**

Quite impressed with student's technical skills & exposure provided by University authority to enhance students' technical skills is really commendable. Manav Rachna provides courses to students' that we hire for and we have good ratio of people joining and being confirmed with us.

Rahul Thukral

CEO, **Intellect Partners**

I had a good experience at Manav Rachna, where the students are of high caliber with desired professional skills and knowledge. The process was smooth, and the faculty and CRC department are doing an incredible job by upskilling students with industry-oriented aptitudes.

Renu Bhatt

HR Head, **ITC Ltd**

Good experience at Manav Rachna. Students are knowledgeable and confident. College tried hard to enhance their skills and knowledge. The faculty is very good and the placement cell people are very cooperative. Overall experience is good.
