Decision: Board of Management approved the MRU (Student's Welfare) Regulation, 2018. Approved regulation is annexed as Annexure No. II

8.11 Any other matter with the permission of Chair.

Hon'ble Vice President, one of the Hon'ble member of the Board mentioned several other points particularly relating to NIRF Ranking, NAAC & NBA accreditation, admission etc. He tried to ascertain the status of application to be submitted to UGC in reference to 2 (f) approval as well as the year by which MRU would be eligible for NAAC & NBA accreditation. He was apprised by the Pro Vice Chancellor that UGC application would be ready for submission by next week and MRU would be eligible for NAAC & NBA by 2020. He mentioned that there are three focus areas for which accrediting bodes are looking at such as Placement, Research & Consultancy. University should look into the new document IQAC by NAAC and act accordingly. Other points which were discussed are as follows:

(i) Admissions

He talked about the changes in the system of National Entrance Examinations from 2019-20 as pronounced by the MHRD, Govt. of India that from 2019, aspirants will be able to sit twice a year for the JEE Main and NEET exams. Examinees will be able to appear for JEE Main in January and April of every year and for NEET in February and May. The exams will be conducted by the newly formed National Testing Agency. Keeping in view, Director, Admission has been asked to look into the possibility of organizing MRNAT in December or on continuing basis. He was of the view that admission process should start from January after the JEE/NEET exams.

(ii) Diversion of bright students from Engineering to Non Engineering Programs

He further said that trend of movement of bright candidates from Engineering to non Engineering programs is being observed. Faculty should see what are the expectations of the non engineering students from us in terms of placement and steps should be taken up accordingly to prepare them. Number of Girls is gradually decreasing in Engineering as more are opting Non Engineering courses due to less job opportunity in Engineering & IT Sector these days.

(iii) Hiring adjunct faculty from Industry & Industrial exposure of Faculties.

He also mentioned that senior person from Industry should be hired as an adjunct Faculty alongwith Foreign Faculty to groom the students about industrial needs. Faculty should also visit industries to have an industrial exposure, which will help them to frame their lecture modules and guide the students accordingly. University should make a process of sending faculty and student to industry adjoining Faridabad to begin with and see the impact on the students.

(iv) Why LL.M Programs are essential for the University?

He further talked about the LL.M Program and suggested that Additional Chief Secretary, DHE, Govt. of Haryana should be sent a communication emphasizing therein why starting of LL.M program in the University is essential for further growth of the Law department. Adjunct faculty Professor Josheph Vergusee was entrusted with the task of preparing the justification for starting the LL.M program.

(v) Convocation

It was suggested that University should finalize the date of convocation. The Chairman suggested that second Saturday of December should be fixed as a date for organizing convocation of the University. Accordingly, it was resolved that this year convocation be held on 08.12.2018 subject to convenience of the Chief Guest and other dignitaries.

(vi) Industry aligned Programs

It was mentioned that University should start industry aligned programs such as Additive Manufacturing, Robotic Sciences. Beside it may also look for B. Sc life Science. He also suggested to upgrade the Faculty of Education by adding some more programs i.e. NTT. & D. El. Ed.

The meeting ended up with vote of thanks to the Chair.

6. STUDENTS' WELFARE SCHEMES

(a). Scholarships and Freeship Support to Meritorious and Needy Students

Manav Rachna University is committed to ensuring that students have fair and equitable access to financial assistance when it comes to paying their fees. It is believed that education is not only important for personal development, but also for improving society as a whole. To help students find their academic path, guidance is offered to help them identify, analyze, and understand their options. One way to fulfill this objective is through scholarships and free-ships that motivate our students, faculty, and staff.

To achieve this goal, various scholarship and freeship schemes for meritorious and financially challenged students have been established. These schemes will be announced in the admission brochure every academic year after approval from the Board of Management. The brochure will clearly outline the scholarships available, along with the criteria for eligibility and the conditions for receiving the scholarship.

The various scholarship and freeship schemes which are broadly classified under the following

categories and notified in the admission brochure are:

- i. Scholarships on the basis of Marks in Qualifying Exam
- ii. Merit Cum Means Scholarship to poor students

The processes to be followed for its deployment are mentioned in **Appendix-A**

(b). Redressal of Student Grievances

Manav Rachna University (MRU) is dedicated to providing a safe and welcoming environment for its students. In order to create a student-friendly atmosphere and ensure the well-being of students, the university has established Departmental Students Grievance Redressal Committee (SGRC) and Institutional Students Grievance Redressal

Committee. These committees will serve as an essential component of MRU's administrative framework.

Students who have any complaints or grievances can file their complaints either at the department level or escalate their concerns to the university level through faculty or student representatives. The DSGRCs/ISGRC will provide a fair and impartial platform for students to express their grievances and seek Redressal of their concerns.

The committee will ensure that all complaints and grievances are heard and addressed in a timely and effective manner. This will foster a positive learning environment where students can focus on their academic pursuits without any distractions.

It is a reflection of the university's dedication to providing a supportive and nurturing environment for all students. Through the SGRC, a proactive steps is taken to ensure that students feel valued and supported throughout their academic pursuit.

The role, objectives, and procedure to be followed by SGRC for the redressal of student grievances are detailed in a separate document titled Procedures for Student Grievance Redressal mentioned in **Appendix-B**

(c). Effective Participation in Co-curricular, Extra-curricular, and Sports Activities:

The university recognizes that Co-curricular, extra-curricular, and sports activities hold significant importance, contribute to the overall personal development of students. The activities complement and supplement the in-university learning process and provide an opportunity to students from diverse regions to broaden their horizons.

With the firm belief that participation in sports helps channelize youth energy in a positive direction and instills ethical and moral values, university lays great emphasis on sports activities. It strives to produce individuals who exhibit good sportsmanship and competitiveness in every aspect of their lives as sports teach discipline, responsibility, self-confidence, sacrifice, and accountability. The ultimate goal is to prepare them for their future. All necessary infrastructure and training & coaching support shall be provided by the university.

To have transparency, openness, spirit of learning and encouragement for more and more participation in Co-curricular, Extra-curricular and Sports activities two separate documents are available for the concerned stakeholders with following titles:

- Guidelines for Students' Extra Curricular Activities is mentioned in **Appendix-C**

- Sports guidelines and Procedure is mentioned in **Appendix-D**

(d). Participation of students through Students' Council in other bodies of the University

The primary goal of the Student Council is to enhance student participation in various university activities, and ensure that students are able to articulate their aspirations without any hindrance. The university recognizes the importance of involving students in decision making processes, especially when it comes to organizing student activities both on and off campus. Therefore, the university will establish a Student Council to provide a platform for students to express their thoughts and ideas in a democratic and sustainable manner.

The **selection process** for the Student Council will be defined, and nominees will be selected based on their outstanding performance in sports, cultural activities, academics, and leadership qualities. The order of the constitution of Student Council will be made by the office of the Registrar after approval from the Vice Chancellor. Student Council members will also be part of various academic and administrative committees like IQAC, Library Advisory Committee and Student Grievance Redressal Committee etc.

The Student Council will encourage the development of leadership qualities among students and provide them with opportunities to organize and execute various activities, including extension activities that contribute to the university ethos and community welfare. The Council will coordinate in organizing various activities such as festivals, workshops, sessions, games, competitions, sports activities, and establishing an alumni network.

The Student Council will also encourage active citizenship and the development of leadership abilities within the youth of today, as well as in the community, state, and nation.
