SCHOOL OF EDUCATION AND HUMANITIES

The School of Education & Humanities aims to nurture humane educators and plays a critical role in preparing future educators with the skills and knowledge necessary to be effective teachers and leaders in the field of education. It also provides opportunities for ongoing professional development and research that can inform and improve educational practice at all levels. Students are trained to become exceptional at the skills related to pedagogy and the use of ICT in their teaching learning as well as be empathetic and research driven professionals. They are empowered with the modern skill set and also are rooted with the ancient traditional wisdom. The School is committed towards social responsibility by engaging in regular community development programs that are enriching experience for students, as they provide an opportunity to develop their skills, gain practical experience, and make a positive impact on the world around them. Exposure to real classroom teaching, simulations and rigorous internships further enhances their attitude and approach towards their holistic development. Highly experienced faculty provide training and mentorship to students not only by their exemplary skill set but by being role models. ALUMNI TESTIMONIALS:

- Being a university of excellence, Manav Rachna University has provided me ample opportunities to enhance my skills both at professional and social areas. The practical knowledge transmitted by the seasoned faculty has introduced me to a whole new world of pedagogy. The friendly environment, guidance and constant support have honed my confidence. The practical and interactive sessions that are a unique feature of the University have helped me identify my own impeccable role in the society. I am confident that my journey at Manav Rachna will forever be imprinted on me and will be the most cherished.

Nikita Gupta, B.Ed. (Batch 2020-22)

- Manav Rachna University has played a crucial role in shaping me into a holistically mature professional. The course has conditioned me to be assertive and express my opinion most respectfully. The well-structured syllabus and the positive vibe here has brought with it a plethora of opportunities in curricular and co-curricular areas. The faculty ensured that we imbibed the necessary knowledge and skills required in an interactive manner. Manav Rachna has helped me chisel out my own self into a swan from a little ordinary bird that I was when I had entered University.

Ekta Gaur, B.Ed. (Batch 2018-20)

- Education at Manav Rachna University has helped me grow personally and professionally. It is that one course which made me explore the amazing side which I never thought I had in me. I am grateful to School of Education, Manav Rachna University for having started this course and helping me have a crystal-clear goal and look at life with a completely different and amazing perspective. I would recommend this course to anyone who believes in equality, equity and wants to bring change in the society. The School of Education has top-notch faculty and a warm environment that I loved the most about the place. I pray that all the students leave the University as super successful professionals and make the Manav Rachna banner fly high always.

Shikha Rai, B. Sc. B.Ed. (Batch 2018-22)

- I'm delighted to be a proud member of the Manav Rachna family. Here you get an environment where you can develop your confidence and skills in actual and real life situations. The internships are the best part that have shaped me into a good teacher. The hand-on practice that was provided under the supervision of our mentors was the most crucial and memorable part of my sojourn here.

Simran B. Sc. B.Ed. (Batch 2018-22)

- The university has a team of Strong leaders and a student-friendly environment. Not only has it been beneficial for my future but has also shaped me into a better person. I have very fond memories of important people who visited the campus and that has left an indelible mark in my mind. I have been driven to think if ordinary people like me can make it big, so can I. Regular field trips and visits have added another dimension to my personality.

Meenakshi Sharma, B A B Ed (Batch 2018-22)
