# SILVER JUBILEE CELEBRATIONS AT MANAV RACHNA

ESTABLISHED IN 1997, MANAV RACHNA EDUCATIONAL INSTITUTIONS (MREI) ARE CELEBRATING 25 YEARS OF THEIR EXISTENCE THIS YEAR

To mark the glory of Manav Rachna Educational Institutions (MREI) and to commemorate the silver jubilee, a series of events have been planned in the form of numerous activities and a host of exciting and talent igniting competitions. They are spread over the year, based on contemporary themes such as peace & sustainability crusader, cultural enthusiast, advocate for innovation, torchbearer of health & wellbeing and harbinger of education for all. A butterfly garden was launched recently at the Manav Rachna campus by Smriti Zubin Irani, minister of Women and Child Development. It is noteworthy that the lush green Manav Rachna campus is home to some rare species of flora and fauna. These include 10-11 species of butterflies (as per a survey by Bombay Natural History Society over the last three years). The rich biodiversity and environment of the campus has the potential to attract and sustain more species of butterflies. The presence of different butterfly species in the campus helps for natural monitoring of air quality in the campus. The MANAV RACHNA Butterfly Garden, a hotspot of biodiversity shall also contribute in further increasing the diversity of butterfly species inside the campus. Smriti Irani also unveiled Manav Rachna's 25 years logo and the Silver Jubilee anthem which was sung in the voice of students of Manav Rachna
