

School of Behavioural and Social Sciences

About MRIIRS

Manav Rachna International Institute of Research and Studies (MRIIRS, Formerly MRIU), Deemed-to-be-University under section 3 of the UGC Act, 1956, and a NAAC accredited 'A++' Grade Institution. It is rated QS 5 Star for Teaching, Employability, Academic Development, Facilities, Social Responsibility and Inclusiveness.

About School of Behavioural and Social Sciences

The School of Behavioural and Social Sciences (SBSS) is dedicated to its noble mission of advancing research for the betterment of society, with compassion as its unwavering cornerstone. Rooted in this fundamental value, SBSS strives to recognize and rectify social inequities in areas such as physical and mental health, environmental well-being, and community development. It provides an intellectual environment for the students to acquire knowledge across fields.

11. Ms. Malvika Chauhan (MA Public Policy & Administration) represented Manav Rachna in National Environment Youth Parliament 2022.

Key Recruiters

Alumni Speak

Apoorv Kumar
BA Liberal Arts

My experience at Manav Rachna was great and memorable. This program gave me an opportunity to meet different kinds of people and learn a number of things. I have received great support from faculties and am thankful to them for providing a platform to enhance my skills and opportunities to showcase them. The internship opportunities helped me to grow and explore diverse areas.

MITASHA BHARDWAJ
MA Applied Psychology

My journey was both enriching and transformative. The curriculum was well-structured, blending theoretical knowledge with practical experience, which deepened my understanding of human behavior. The faculty was supportive and always encouraged us to explore psychology through research, workshops, and internships. I appreciated the focus on real-world applications, which prepared me to work confidently in my field. My time at the university was a valuable learning experience that shaped me into a more skilled and compassionate psychologist.

Mahek Khanna
MA Economics

Studying at the Department of Economics, MRIIRS is extensively a homely experience, enriching economic skills with personal attention of faculty members. Talking of academics, course and curriculum, it is designed in such a way that we cover all the disciplines of economics. The research projects, term paper in the final year of the course gives us a look through thick and thins of tedious yet rewarding task of research publication, for which every student is assigned a mentor who guides us at every level.
