Gaurav Sharma

(BBA HCM Batch 2017)

Officer (Human Resources Analytics) Powergrid corporation of India, Ministry of Power, Government of India

My experience at Manav Rachna has enriched my life in many ways. The University has provided me with all the necessary tools to enhance my skills and taught me valuable knowledge about this diverse world, people and concepts in general that will eventually enable me to become successful in life.

Archit Gupta

(BBA FAA Batch 2017)

Sify Technologies as Business Intelligence Analyst

It was a wonderful experience studying at Manav Rachna University. The faculty is well versed and facilitates the understanding of concepts in every possible manner. I humbly acknowledge the efforts of faculties in developing the right set of skills and confidence in me to enter the corporate world.

Ujjawal Bhalla

(BBA – OM, 2021-2024

Coding Ninjas)

The BBA in Operations Management at Manav Rachna opened my eyes to the backbone of every successful business—efficiency, strategy, and seamless execution. From supply chain simulations to hands-on industry projects, every experience taught me how to optimize processes and think systematically. The faculty ensured we learnt theories and we also lived them through real-time challenges. I now see operations not just as a function, but as a game-changer for any business.
