The School of Education & Humanities is shaping globally competent educators who go beyond qualifications to embrace transformative pedagogy. Rooted in international-mindedness, research-driven methodologies, and industry-aligned practices, our curriculum fosters adaptive leadership, innovative thinking, and cross-cultural fluency. By integrating experiential learning, interdisciplinary inquiry, and reflective practice, we empower educators to lead with insight, inspire change, and drive meaningful impact in diverse learning communities worldwide.

The Centre for Advanced Learning (CAL)

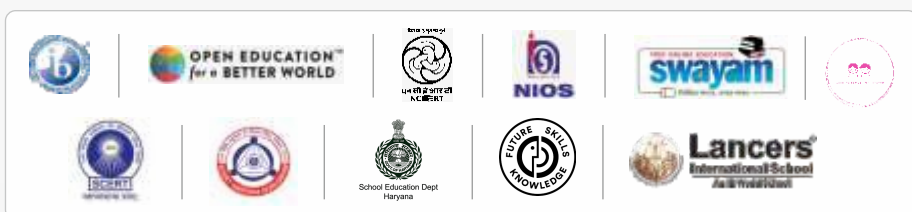

The Centre for Advanced Learning (CAL) envisions a future where education transcends boundaries, empowering educators and institutions to achieve excellence and continuous growth. Its goal is to be a catalyst of innovation and collaboration, shaping the next generation of leaders. It represents a shared vision of passionate educational professionals and experienced edupreneurs of the Manav Rachna Group of Institutions. CAL endeavors to improve the quality of teaching through research-backed training and institutional improvement programmes.

Manav Rachna Centre for Peace and Sustainability (MRCPS)

Manav Rachna Centre for Peace and Sustainability (MRCPS), founded on October 2, 2019, embodies Dr. O.P. Bhalla's vision of integrating knowledge, ethics, and values to foster peace and sustainability. It aims to inspire and lead efforts to create an impact on society by promoting peace and sustainability through education, research, collaborative action and community engagement. Chaired by Padma Vibhushan Dr. Karan Singh, its advisory board includes distinguished leaders. MRCPS operates through five verticals—Parashakti, Prakarsh, Sahritha, Samriddha, and Sadbhav—aligned with six SDGs.

20+ leading international K-12 schools across Delhi-NCR.**

Alumni Speak

Archana Anil

B.Ed. (Batch 2022-24)

Manav Rachna University has played a crucial role in shaping me into a holistically mature professional. The course has conditioned me to be assertive and express my opinion most respectfully. The syllabus is in line with NEP2020 and is playing a pivotal role in my present professional journey. I owe it all to Manav Rachna University.

Janvi Sachdeva

B.Ed. (Batch 2022-24)

The faculty at the university are supportive and encouraging. They helped me to become a better version of myself. The programme helped me have a clearly laid out goal and has taught me to look at life with a positive perspective. I would recommend this course to all students who wish to study at an institution par excellence

Laisha Satija

B.A. B.Ed. (Batch 2020-24)

Manav Rachna University is one of the best places to be for both curricular and co-curricular development. My transformative journey here has provided me not only holistic education but also opportunities for personality development. My friends have helped me grow further in all areas of professional and personal growth. This nurturing community has shaped me into a confident professional ready to make a positive impact in the world. I am extremely happy that I made this choice to join this wonderful institution.

Vanshika Bhatia

B.Sc. B.Ed. (Batch 2020-24)

Being a university of excellence, Manav Rachna University provided me with a plethora of opportunities to enhance my skills both at professional and social areas. The hands-on experience that I have got during my tenure has helped me understand the professional world in a very practical manner. I am sure my learning at the university will translate into my skills at work. The interactive sessions at the University are unique and customized to our needs so that we are able to learn in the best possible manner.
