### Subject: Verification/ equivalence of IB Diploma

This is in reference to the equivalence of the **International Baccalaureate Diploma for equivalence** to Grade XII qualification in India.

COBSE grants membership to boards/institutions that are set up by an Act of Parliament or State Legislature or by an Executive Order of the Central/State government, and follow the National Curriculum Framework/ CBSE. On the basis of this, the genuineness of a board can be concluded. The Associate Members are also granted membership on verifying the syllabus/ curriculum and system of examination. The certificates issued by its member-boards/ Associate Members are equivalent to any other member-board across the country.

As an Associate Member of COBSE, the qualifications awarded by International Baccalaureate Organization are equivalent to Grade XII of an Indian Board/ Council. The equivalence has already been granted by Association of Indian Universities.

Yours sincerely,

*Puran Chand*

## Suggested Conversion for Higher Education for students applying to Indian Universities

International Baccalaureate Diploma has been recognized by the Association of Indian Universities as an entry qualification to all universities in India. With the requirement for percentage conversion by universities in India, students applying to Indian universities receive a transcript with IB grades and -percentages within 1 working day from the release of results for the May and November session exams. The table below provides the range of IB grades to percentage scores. Universities in India ask for percentage conversion of the predicted grade transcript as well at the time of admission, schools may use this suggested conversion for calculating the equivalent marks on a scale of 1-100 by giving the midpoint of the range indicated for a particular grade.

### IB Grade to Marks Scheme

6	83	95
5	70	82
