

Annual 360° Student Feedback

Manav Rachna International Institute of Research and Studies

(Deemed to be University)

Annexure II

Annual 360° Student Feedback

Academic Year:

Name:

Programme:

Department:

Year / Semester:

Please give a rating of courses covered during the Academic Year

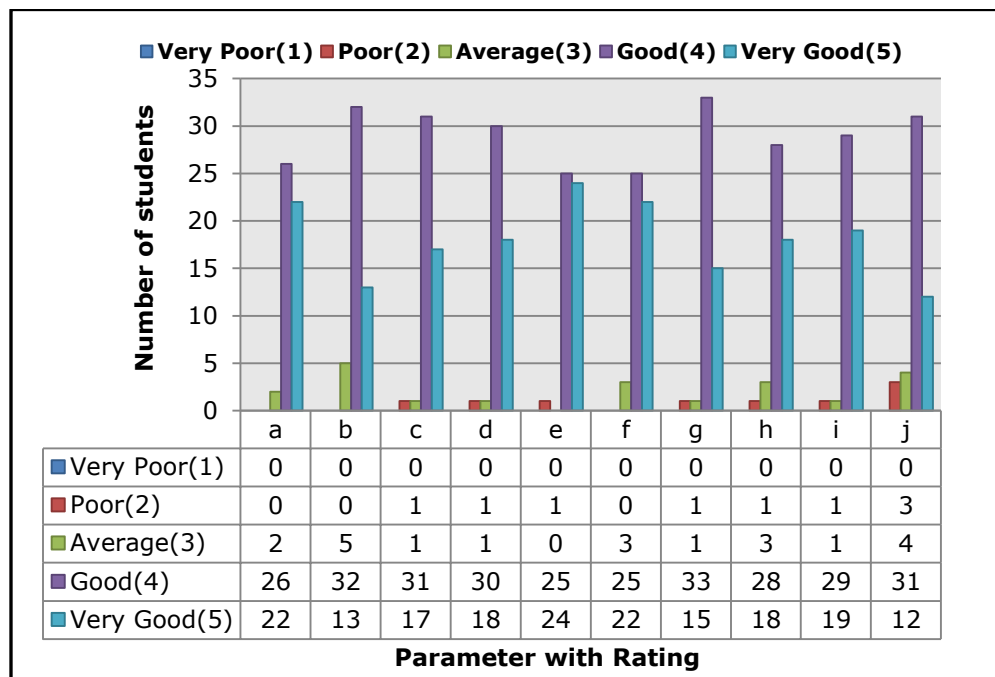

9	8	7	6	5	4	3	2	1
Extremely Good	Very Good	Good	Moderately Good	Moderate	Somehow Tolerable	Poor	Very Poor	Extremely Poor

S.No.	Particulars	Rating
1	Learning value (in terms of skills, concepts, knowledge, analytical abilities and broadening perspectives)	
2	Applicability / relevance to real life situations	
3	Depth and adequacy of the course content	
4	Extent of coverage of course	
5	Extent of effort required by students	
6	Relevance / learning value of project / report	
7	Laboratory Facility	
8	Value added inputs	
9	Industry alliance (industrial visits/ expert talks)	
10	Overall rating	

Overall Rating of the Programme (tick in the relevant cell)

S.No.	Item	Very Good	Good	Average	Poor	Very Poor
1	Academic Content					
2	Fairness of Evaluation					
3	Interaction with Faculty					
4	Interaction with Administration					
5	Library Facilities					
6	Computer Facilities					
7	Hostel Facilities					
8	Health Care Facilities					
9	Extra-Curricular Activities					
10	Sports Facilities					

Analysis of Annual 360° Student Feedback

Parameters

- Academic Content
- Fairness of Evaluation
- Interaction with Faculty
- Interaction with Administration
- Library Facilities
- Computer Facilities
- Hostel Facilities
- Health Care Facilities
- Extra-Curricular Activities
- Sports Facilities

Observations

- Most of the students appreciated the dedicated, friendly and cooperative attitude of faculty. They showed their indebtedness towards department for the efforts and hard work of the faculty.
- Students of final year suggested to introduce crash courses for competitive exams.
- Students appreciated library resources and requested to give some free slots for utilization of library resources.
- Students of Technical Seminar requested for plagiarism software while writing research papers.
- Most of students complained regarding internet access and printer facility in department.

Action Taken on Annual 360° Feedback

- Department has taken initiative to prepare students for various competitive exams w.e.f July 2018.
- Department has provided plagiarism tool access to library coordinator assigned in department.
- Department is planning to provide internet facility for students.

Program Exit Feedback

Manav Rachna International Institute of Research and Studies (Deemed to be University)

Annexure III

Programme Exit Feedback

A. General Information:

Name of Student: _____ Roll No.- _____

Department & Faculty: _____ Year of Graduation: _____ Programme _____

Please mention your current status:

- a. Campus placed _____
- b. Going for higher studies _____
- c. Others (Specify) _____

Email ID: _____ Mobile No.: _____

B. Evaluation of Programme Effectiveness:

Please identify the degree to which you believe your undergraduate education helped you to develop the skills and abilities in the following areas to be successful in your professional life:

Sr. No.	Parameters	Strongly Disagree 1	2	3	4	Strongly Agree 5
1	Understand the importance of interdisciplinary subjects and its application in learning other engineering subjects					
2	Comprehend the basic knowledge of analysis and design					
3	Able to apply research based approach using innovative tools and techniques in various fields					
4	Able to apply the knowledge and understanding of the engineering and management principles while working individually and as part of team handling multidisciplinary projects.					
5	Able to communicate effectively in both verbal and written form and develop intrapersonal and interpersonal skills					
6	Able to develop competencies through self-education for lifelong learning					
7	Able to secure employment or be an entrepreneur with ability to apply professional knowledge with ethical responsibility					

C. Additional Information:

1. Did you feel your programme education prepared you for your initial job and/ or higher studies?
Yes No Somewhat
2. Are there any other skills or knowledge you would like to have in the programme being offered to current students to ensure their preparedness for employment and/ or higher studies? If YES, please specify

3. During the programme, how many courses or training programs have you taken outside the degree programme?
None 1 - 3 4 - 6 More than 6
4. During the programme, how many conferences, workshops, professional meetings, etc. have you attended?
None 1 - 3 4 - 6 More than 6

5. During the programme, how many sports and cultural activities have you participated?
None 1 - 3 4 - 6 More than 6

6. Specify details regarding your achievements in curricular/ non - curricular activities:

D. Please rate the following:

Rating Scale: (Low-1 High-4) 1 - Not up to the mark, 2 - Moderate, 3 - Good, 4 - Very Good

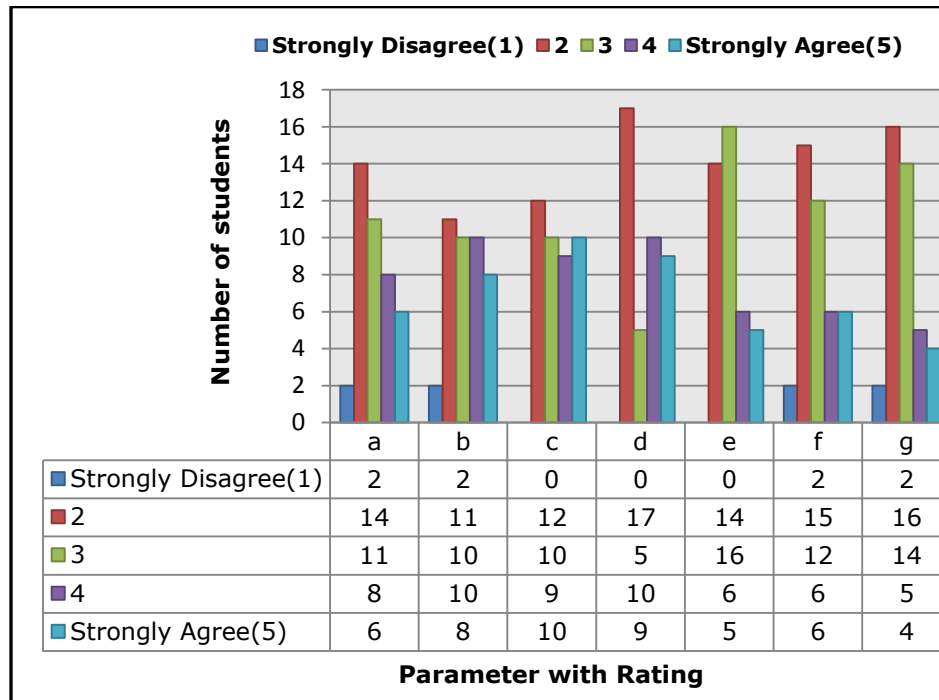

- | | |
|-------------------------------------|--------------------------|
| 1. Head of the Department | <input type="checkbox"/> |
| 2. Teaching Faculty/ Staff | <input type="checkbox"/> |
| 3. Infrastructure | <input type="checkbox"/> |
| 4. Library | <input type="checkbox"/> |
| 5. Laboratories | <input type="checkbox"/> |
| 6. Exam Cell | <input type="checkbox"/> |
| 7. Administration | <input type="checkbox"/> |
| 8. Training & Placement Office | <input type="checkbox"/> |
| 9. Career Development Centre (CDC) | <input type="checkbox"/> |
| 10. Corporate Resource Centre (CRC) | <input type="checkbox"/> |
| 11. Discipline | <input type="checkbox"/> |
| 12. Environment | <input type="checkbox"/> |
| 13. Canteen | <input type="checkbox"/> |
| 14. Sports Facilities | <input type="checkbox"/> |

E. Your suggestion (s) for improvement

Signature of Student (Optional)

Date: _____

Analysis of Program Exit Feedback

Parameters

- Understand the importance of interdisciplinary subjects and its application in learning other engineering subjects
- Comprehend the basic knowledge of analysis and design
- Able to apply research based approach using innovative tools and techniques in various fields
- Able to apply the knowledge and understanding of the engineering and management principles while working individually and as part of team handling multidisciplinary projects.
- Able to communicate effectively in both verbal and written form and develop intrapersonal and interpersonal skills
- Able to develop competencies through self-education for lifelong learning
- Able to secure employment or be an entrepreneur with ability to apply professional knowledge with ethical responsibility

Observations

- Most of the Students admitted that the college played crucial role in shaping their professional, ethical and personal life. They admitted that their association with the college not only enabled them to acquire a degree but they also acknowledged the contribution of the college in developing their communication, leadership qualities, social commitment and responsibilities.
- Students are quite satisfied with the time spent by teachers on each topic and timely completion of the course.
- Students also expressed their satisfaction towards the initiatives & efforts which department takes from time to time for the improvement of teaching standards and quality of research.
- Students requested to adapt new method of evaluation such as PPT should be incorporated to test the understanding of the subject.
- Students demanded the courses related to human values, professional ethics.

Action Taken on Program Exit Feedback

- Department has taken initiative to prepare students for various competitive exams w.e.f July 2018.
- University has MOUs with various companies to enhance student's employability.
- Various human values, environment science related courses are incorporated in the curriculum.
- Department has taken initiative against new evaluation by putting assignments online on ERP.
