Date: 30.04.2019

To,

**Sub:** Eco Consult Meet under NCSTC Supported and Catalyzed DST project at MRIIRS, Faridabad

Dear Madam/ Sir,

Center for Advance Water Technology & Management, MRIIRS is organizing Eco Consult Meet for a duration of 5 days, at A-Block Class Room-AF21, Manav Rachna International Institute of Research & Studies Faridabad from 20<sup>th</sup> May to 24<sup>th</sup> May 2019 under NCSTC Supported and Catalyzed DST project "**Communicating Science through Model Water & Eco Health Clinic for Quality of Life**"

The project envisages instituting replicable Model Water & Eco Health Clinics so that science communication can be established with targeted groups of community i.e. students, for improving their overall quality of life by reducing the water related health risk through scientific interventions and IEC. The project wants to educate the students about the water literacy, water quality improvement, sanitation, hygiene conditions through intervention of technology, and the eco health improvement by demand side and supply side water management. The project also envisages developing sustainable local leadership through talent hunt to take forward the science communication within the society.

The target group for this 5 day **Eco Consult Meet** is though heterogeneous but over all constitutes the part of society that has been identified important for spreading the message of communicating science for WATER & ECO HEALTH. It includes representatives of project partners, mentors, parents, academia, media, RWA, NGO and representatives from local, state and central government institutions & Panchayati raj institution.

Under this event about 50 participants have to be selected from available nomination. They have to attend the FDP for all 5 days. There is **no course fee for this event**. The participants were provided with training kit, working lunch and tea etc. Limited travel expenses can be reimbursed to selected participants. Out station participants may apply for hostel accommodation (within campus) for the event.

Applications are invited from potential participants in the prescribed format by **15<sup>th</sup> May 2019**. Selected candidate will be informed accordingly by 17<sup>th</sup> May 2019. Only invited participants will be allowed for attending the event.

Sincerely yours,

(Dr A Mukherjee)
