

PLACEMENT SUPPORT

ROADMAP TO SUCCESS MRU BBA

Graduates are trained in aspects beyond those in books. They are coached in areas of soft skills like etiquette, networking and communication. They are groomed to enter a globally integrated business environment through a mandatory global study program to acquaint them to cultures and practises outside India. They work on team building and leadership through a variety of extra-curricular activities through participation in campus events, conferences and fairs. It is an all round development that is provided to our students, which makes them a cut above the rest, a pool of talent to recruit from.

Students are supported to develop their capabilities and skills to make them employable. The Corporate Research & Resource Centre imparts training in Communication (Interpersonal and Intra Personal), Grooming, Negotiation, Group Discussion, Team Work, and Leadership. The Corporate Resource Center develops relationships with Corporate, NGOs, International Institutions and Government bodies to create career opportunities. Plethora of Corporate offers placement to students in various programs with placement package of up to Rs 4 lakhs per annum for graduates.

Students are also supported in their entrepreneurial ventures for which training programs are organized. The Manav Rachna Entrepreneurship Ecosystem facilitates the creation of new products and services and the launch of new ventures.

Endeavor to Excel:

Manav Rachna Career Research Center along with the Department placement co-ordinator helps students to embark on fruitful careers, basis a mapped road map. Career counseling involves a combination of academic insights and practical guidance to steer the students in the right direction. A plethora of endeavours such as alumni connect; career-focused advisory; industry interactions; support and guidance for starting their own enterprise; innovation & incubation cell which provides guidance & funding to deserving candidates, and advice on managing family businesses, is the hallmark of placement cell.

- Students can use the Career Center services from the first year to one year after graduation.
- We encourage parents to interact with the Career Center to understand the skills and resources being offered and built at the Department of Management & Commerce to equip the students for success.
