MESSAGE FROM PROFESSOR EMERITUS

Professor Jose Verghese
Professor Emeritus

- Founder Vice Chancellor, Hidayatullah National Law University (HNLU), Raipur (2003-05)
- Chair Professor on ADR, National Law School of India University (NLSIU), Bangalore, (1998-2001)

Lawyers are social engineers, who steer the direction of law in any society.

Lawyers are at the forefront whenever the legal system faces any crisis. Legal education, thus, plays an important role in the establishment of law, order and justice in any society. Legal awareness today is at its peak, thanks to the lawyers, who always keep a tight vigil on the arbitrary actions of authorities and remind people of their rights and freedoms. As the complexities of life increase, so does the demand for legal professionals, primarily due to their superior domain knowledge and ability to effectively use the same to solve our problems. So come and be part of the movement called legal education, which is undergoing transformation mainly because of its focus on learning rather than grades or rankings.
