Vidyanatariksha is a conjugation of the words ‘vidya’ and ‘antariksha’. ‘Vidya’ means knowledge, information, the basis of creativity and innovation. It is the foundation of technology and envisages the future. ‘Antariksha’ means ‘the sky’ the space which we belong to or exist. It can be broken into ‘antar’ and ‘iksha’ which means inner vision. Hence the combination, the core promise becomes “The reality of inner vision or root of all knowledge”.

Manav Rachna signifies the creation of human beings or individuals with attention to all components of holistic growth. The concept of ‘Manav’ is accorded the fundamental status. The true essence of Manav Rachna Vidyanatariksha is thus to create human beings who have an inner desire to gain knowledge.
Dr. O P Bhalla, not a mere persona but a visionary and dynamic educationist who literally shaped an educational movement called Manav Rachna with the intent to create better human beings.

The mission continues with Manav Rachna Educational Institutions dedicated and committed as always to train and equip its students with latest knowledge and skills in the chosen fields in the backdrop of Indian ethos and values to enable them to face any global challenge with a view to transform them into insightful, honourable and responsible citizens of this great country and to imbibe a work culture of theoretical and applied research leading to creation and dissemination of knowledge.

While Dr. O P Bhalla is no more with us, his rich legacy is a standing testimony of excellence at work whose fragrance still continues to inspire us.
BEGIN A NEW ERA

FOR MORE THAN 25 YEARS, MREI HAS BEEN THE PLACE WHERE VISIONARIES, INVENTORS, AND TRAILBLAZERS GET THEIR START. TAKING TO HEART THE REVOLUTIONARY SPIRIT THAT ENABLED THE FOUNDING, MREI ENCOURAGES EACH OTHER TO PURSUE UNPREDICTED LINES OF THINKING IN ORDER TO EFFECT CHANGE ON ALL SCALES. LEARNING. DISCOVERY. ENGAGEMENT. KNOWLEDGE FOR THE GREATER GOOD. JOIN THE MREI REVOLUTION.
GLORIOUS RECORD OF PLACEMENTS, SUCCESS AND KNOWLEDGE

Across the journey of last 25 years, 55,000+ students, including alumni base exceeding 34,000+, have been seen walking the MREI corridors of knowledge. With more than 600+ reputed MNCs and Indian corporates patronizing MREI for student training and placement, the organization boasts of a consistently high placement record.

AN ARRAY OF ACCREDITATIONS

MANAV RACHNA INTERNATIONAL INSTITUTE OF RESEARCH AND STUDIES (MRIIRS)

MRIIRS Faridabad, which is a Deemed-to-be-University under Section 3 of the UGC Act 1956, has been accredited by National Assessment and Accreditation Council (NAAC) with ‘A’ Grade. This distinction places the Institution in the premier league of the top-rated universities of the country. MRIIRS is a member of the Association of Indian Universities (AIU).

NIRF, MHRD ACKNOWLEDGES US AMONG THE “BEST”: The prestigious NIRF India Rankings 2021 by MHRD, GOI has rated Manav Rachna International Institute of Research and Studies (MRIIRS) across three categories: Engineering (Rank 118), Dental (Rank 39) and University (Rank band 101-150).

UGC 12 B STATUS: UGC has granted 12 B status to Manav Rachna International Institute of Research and Studies in affirmation to its strong focus in Research and Development.

NBA ACCREDITATION: The National Board of Accreditation (NBA) has accredited B.Tech. Computer Science and Engineering, Electronics & Communication Engg., Mechanical Engg., Biotechnology and MBA programmes being offered at MRIIRS.

ATAL RANKING: MRIIRS has been ranked in Band A (rank between 6 & 25) under Private or Self-Financed Universities category in the ‘Atal Ranking of Institutions on Innovation Achievements’ released by the Ministry of Education, GoI.

QS STAR: MRIIRS has been rated QS 5 Star for Teaching, Employability, Academic Development, Facilities, Social Responsibility & Inclusiveness. The University has also been accorded a QS 4 Star rating for the Program Strength of its Computer Science & Engineering degree courses.

Manav Rachna University is a QS 1-Gauge Diamond Rated University and QS 1-Gauge E-Lead certified for the best online learning practices.
MANAV RACHNA INTERNATIONAL INSTITUTE OF RESEARCH AND STUDIES (MRIIRS)

MANAV RACHNA AMONG THE LEAGUE OF THE WORLD’S BEST!

FOUNDER MEMBER OF THE INDIAN ALLIANCE OF THE COLLEGE BOARD

Manav Rachna International Institute of Research and Studies (MRIIRS, formerly MRIU) and Manav Rachna University (MRIU) are members of the prestigious “College Board’s Indian Global Higher Education Alliance”. The Alliance provides a platform for innovative Indian universities to engage with the world’s most prominent universities to drive access and excellence in undergraduate preparation, recruitment, admission, and enrollment practices. Eminent Universities like the Harvard University, Stanford University, University of Michigan, Ohio State University, Princeton University, Boston University, San Diego University, Yale University, Georgia University, Massachusetts Institute of Technology, Purdue University, Miami University, and Johns Hopkins University are College Board members. This makes Manav Rachna a front runner for a partnership that will pave the way for generating new knowledge and forward-thinking global ideas.

QS STAR RATING

QS World University Rankings has bestowed the QS 4-star rating to Manav Rachna International Institute of Research and Studies (MRIIRS). This is a highly commendable achievement as no University in India has yet been rated QS 5 star (overall) and only very few have been bestowed with the overall QS 4-Stars. As an acknowledgment of the strong teaching-learning processes, MRIIRS has been rated QS 5 Star for TEACHING, EMPLOYABILITY, ACADEMIC DEVELOPMENT, FACILITIES, SOCIAL RESPONSIBILITY, and INCLUSIVENESS. The university has also been accorded a QS 4-Star rating for the Program Strength of its Computer Science and Engineering degree courses.

NAAC “A” GRADE ACCREDITED INSTITUTIONS

Manav Rachna International Institute of Research and Studies (MRIIRS), Manav Rachna University (formerly Manav Rachna College of Engineering), and the Manav Rachna Dental College (a constituent of MRIIRS) is a NAAC “A” Grade accredited institution. This is an acknowledgement and re-affirmation of our belief that quality education and excellence go a long way in transforming students’ lives.

APPROVAL OF STATUTORY BODIES

- All Engineering, Management, Architecture, Design and MCA programmes are approved by AICTE.
- B.Arch is approved by Council of Architecture.
- BDS & MDS programmes are approved by DCI, Ministry of Health and Family Welfare Govt. of India.
MANAV RACHNA UNIVERSITY (MRU)

Manav Rachna University (MRU) is a leading State Private University (established by Haryana State Legislature Act No 26 of 2014 & under section 2(f) of UGC Act 1956), offering globally relevant education. The University has evolved from Manav Rachna College of Engineering (MRCE, established in 2004, a NAAC Accredited ‘A’ Grade Institution) among the Top 2 Emerging Engineering Institutions of India and is the No 1 Emerging Engineering Institution in India for Research Capability & Placements as per the Times Engineering Survey 2021. The accreditation/ rankings are testimonial to the trust of accrediting bodies in the quality of education being offered, a well-established teaching and learning process guided by the global best practices, a culture of academic excellence promoting research, innovation & entrepreneurship.

Manav Rachna University is a QS 1-Gauge Gold Rated Institution. Among the Indian Universities, MRU is also rated QS 1-Gauge Diamond for Employability and for Facilities. It is also QS 1-Gauge E-LEAD Certified as a globally recognised institution for delivering online education. Manav Rachna University has adopted cloud computing curricula from the Amazon Web Services (AWS) Educate global initiative into its mainstream college syllabus to help develop the next generation of cloud professionals.

The Faculty of Law at MRU is a founder member of the LSAC Global Law Alliance, a group of leading universities that provide the highest quality of legal education to India’s future lawyers.
APPROVAL OF STATUTORY BODIES
- All the engineering programs offered under the Manav Rachna School of Engineering (MRSoE), MRU are approved by the AICTE.
- All the integrated law programs offered by Manav Rachna School of Law (MRSoL) are approved by the BCI.
- The integrated B.Ed Programs (4 years), B.Ed Program (2 years) offered by Manav Rachna School of Education & Humanities (MRSoE&H) are approved by NCET.
- The B.Ed. Special Education Program (2 years) offered by Manav Rachna School of Education & Humanities (MRSoE&H) is approved by RCI.
- All the approval letters received from regulatory bodies are available on university website.

QUALITY ASSURANCE AND CONTROL
In keeping with its quality mission, Manav Rachna focuses not only on providing Quality Education in contemporary domains but also strives to make students independent in thought and action. It lays great emphasis on quality through application orientation in its academic programs. The Quality standards of both, MRRIS and MRU are driven and monitored by their Internal Quality Assurance Cell (IQAC) with the participation of all stakeholders.

UNMATCHED FEATS BY MREI STUDENTS
- A three-member team from MRRIS developed “Caeli” (which means air in Latin) - a smart automated anti-pollution and drug delivery mask specifically designed for asthmatic and chronic respiratory patients. The team was the second winners of the Microsoft Imagine Cup global finals.
- Team of B.Tech. Computer Science & Engineering, Manav Rachna University, Faridabad, is the proud winner of SMART INDIA HACKATHON 2020 under Software Category. They represented MRU an problem statement of Ministry of Rural Development ‘MK206’ (Non-network-intensive record-keeping system for Self Help Group) virtually in online mode at Chandigarh University Nodal Centre, during the Grand Finale of Fourth Software edition (Online platform) of Smart India Hackathon- 2020, held in August 2020. Team Error=404 won the prize money INR 1,00,000.
- Ms. Aashlesha Sharma, a student of 3rd year B.Tech. Mechanical Engineering, FET, MRRIS has been selected as a Technical Student at CERN (European Organization for Nuclear Research), the world’s largest Nuclear and Particle Physics Laboratory (best known as operator of the Large Hadron Collider) situated at Geneva, Switzerland. She is one amongst the five Indian students selected for this prestigious program. Three students from IITs, one student from Banaras Hindu University & one from MRRIS.
- MRRIS has collaborated with Dr. Sukrit Silas, an internationally acclaimed scientist and scholar, also the Director of SeqIndia Labs Pvt. Ltd. for developing and commercializing a novel non-invasive prenatal test (NIPT) for Down’s syndrome. Dr. Silas has attained his Doctor of Philosophy in Chemical & Systems Biology from Stanford University School of Medicine, Stanford CA and is a recipient of “Gates-Cambridge Scholarship”, “Stanford Graduate Fellowship”, “HHMI International Student Research Fellowship”, “Harold M. Weintraub Graduate Student Award” and many more such accolades both on national level & international level.
- Akanksha Ahuja (B.Tech. CSE), did Technical Student Internship @ CERN, Geneva, Switzerland (2018), with a monthly stipend of 3283 CHF (~ 2,26,600 INR).
- Dhruv Dangi (CSE) participated in an online competition Yureka “Apps for YU Challenge” organized by YU from Micromax, inviting Indian developers of all age groups to make apps for Cyanogen OS (Android). For his app named ‘Transparency’ he won the first prize of Rs. 1,00,000/- (OneLakh).

- A startup incubated under NewGen IEDC, Department of Science & Technology, Government of India, has developed a web application - “Fighting Coronavirus” as a response to Government of India’s ‘COVID-19 Solution Challenge’.

- A team of researchers from Manav Rachna Innovation & Incubation Centre has designed a prototype of a low-cost portable emergency ventilator remotely to provide temporary oxygen supply for patients with emergency needs. All the safety and technical parameters of the ventilator have been set as per International benchmarks. The ventilator is highly cost-effective (approximately five thousand rupees). Titled as ANSH, this E-Ventilator has an integrated mobile app that allows doctors to monitor the patient’s progress remotely.

- Makershala (Technoplanet Lab Pvt. Ltd.), a startup incubated MREI has designed a PPE Face Shield for Health Care Staff and frontline professionals involved in reeling & monitoring of COVID-19 patients. The Face Shield is very cost effective & can be produced at a much faster rate to meet the current demand.

- The students of Manav Rachna Educational Institutions have developed a revolutionary product “Pariyayavatna”, which is an ‘Air Pollution Mitigation’ product that cleans atmospheric air through filters fitted on vehicles. The Delhi Government & Rajasthan Government have adopted the product. Pariyayavatna formally flagged off by Dr. Harsh Vardhan, Hon’ble Minister for Science & Technology, Environment, Forest and Climate Change and Earth Sciences from the Paryavaran Bhawan in New Delhi under the Clean Air Week campaign. He was accompanied by senior officials from the Central Pollution Control Board (CPCB) & the Environment Ministry.

- Yuvraj & Yashraj, both students of MRU have 24 projects & 7 patents to their credit. They are the young owners of the company - Zenith Vipers & have been awarded with the prestigious Karamveer Chakra.
RESEARCH & CONSULTANCY

- M/S Tricho Agronica Pvt. Ltd., a startup company with Indian Oil (R&D) Faridabad, an initiative sponsored by Ministry of Petroleum & Natural Gas, Govt. of India, at Department of Biotechnology, FET has received a grant of Rs. 1.72 crore for development of bioformulation against fungal disease in tomato crop as model crop. It is totally organic in nature. After PAN INDIA field trials by leading Central Agricultural Universities in the country, it has shown promising results. There has been increase in yield and lycopene content of tomato in all four agroclimatic zones. Thus, it acts as both bio-stimulant and biopesticide.

- National Flagship Programme “Jal Jeewan Mission” at Haryana has ensured safe drinking water to households in rural areas. The Public Health Engineering Department (PHED) has engaged MRRIRS as state implementation support partner (SISP). CAWTM, a unit of MRRIRS, will execute the project.

- Atal Bhujaal Yojna “Atal Jal” a prestigious water focussed programme, of Haryana Govt and inline with central government. Water Resources Dept., Haryana has engaged MRRIRS as District Implementation Partner (DIP) for District Faridabad and Palwal for 2021 to 2025. CAWTM, a unit MRRIRS will execute the Project.

- They (MEI) have started a new vertical by according authorization to conduct various modules in automation in this center.

- Vedanta CAIRNS oil & gas Pvt. Limited, which has contributed — 27 percent to India’s domestic crude oil production in FY 2017-18, has engaged Centre for Advance Water Technology & Management, MRRIRS for consultancy services for Hydra census Work. The centre has expertise and knowledge of CGWA compliances consecutively for past 3 years i.e. 2021-2024.

- The Centre for Advance Water Technology & Management, MRRIRS has received another important consultancy from Maruti Suzuki Foundation, Gurgaon for improving water management prospects of the 10 villages adopted by Maruti Suzuki India Limited. To start with, village KHOL has been taken into consideration amongst the 10 villages adopted. The financial outlay for KHOL village is Rs. 4.80 lacs out of total project outlay of Rs. 15 Crore.

- The Centre for Advance Water Technology & Management, MRRIRS has been allocated Wash Innovative Lab (WILL) supported by NUIA under funding by USAID of Rs. 23 Lacs; to undertake various activities pertaining to Water, Sanitation and Hygiene Sector. For this Tri-party Agreement has been implemented with Municipal Corporation Faridabad (MCF) and National Institute of Urban Affairs (NIUA) and MRRIRS. In addition to other aspects, DPR of Nangla-Guiran village pond has been submitted to Municipal Corporation Faridabad (MCF) under action research. The Phyto-remediation Technology proposed to clean the water and maintain it has been recommended and much appreciated by NGT, India.
The Entrepreneurship Development Institute of India (EDII) working under the aegis of National Science and Technology Entrepreneurship Development Board, DST, Govt has provided a funding of Rs. 2.67 crore to New Gen IEDC to accelerate its activities for encouraging research, innovation and entrepreneurship among students. Under this initiative, 25 start-ups have been supported by providing mentorship, prototype development, industry connect, lab support, marketing support etc. in its first 2 years and another 75 start-ups would be supported in next 3 years.

A prestigious Project on Solid Waste Management at village Rahki-garhi, Hisar has been received with funding of Rs. 20 Lakh from ITRHD, New Delhi to establish a complete system of garbage collection, segregation and treatment. This site with 550 hectares area is the largest IVC site in the world and is about double the size than that of next largest site Mohenjo Daro. It is about 6,000 years old pre-Harappan IVC site and 5,000 years old human skeletons have been found during the excavation, from which Scientist for the first time have isolated DNA from skeletons of the Indus Valley Civilization. The compost generated out of organic waste of village from the Bio-digester installed is being used in the fields as manure having good C/N ratio.

OUR ACHIEVERS: THE WORLD IS OUR GROUND!

Ankur Mittal and Shreyasi Singh, students of Manav Rachna bestowed with Arjuna Award 2018.

Manav Rachna family is proud over the achievement of its two very deserving MBA students Shreyasi Singh and Ankur Mittal. They both have been awarded by the “Arjuna Award” by the honorable President of India for their outstanding achievements in the sport of “Shooting”.

COMMONWEALTH GAMES 2018 | ASIAN GAMES 2018 | ISSF SHO TGUN WORLD CHAMPIONSHIP the list is endless

- Ankur Mittal (MBA, Manav Rachna) Men's Double Trap Bronze at 2018 Commonwealth Games
- Shreyasi Singh (MBA, Manav Rachna) won Women's Double Trap Gold at 2018 Commonwealth Games
- Anish Bhanwala (MRIS Charmwood) is the Youngest Indian to win Gold at 2018 Commonwealth Games
- Gaurav Solanki (BBA, Manav Rachna) Boxing Gold (62 kgs) at 2018 Commonwealth Games Gold, Youth Asian Championship (Bangkok)
- Angad Bajwa (BBA, Manav Rachna) won Bronze (Skeet) at World University Games 2019, setting a record
THE WORLD AT OUR DOORSTEP

A SNAPSHOT OF FACILITIES

For today’s young learners, college is their world, life and dreams. It is the place where they evolve and grow as individuals, ready to take on the challenges of the future; the place that unlocks the doors to success and gives them an added edge. At Manav Rachna, college means all of these things to our students as they find expression through a colourful ensemble of events. A steady stream of seminars, workshops, symposiums, exhibitions, research expositions, cultural meets and competitions ensure that there is never a dull moment—every nook and corner of the campus inspiring creativity and expression!

A SNEAK PEEK INTO THE CAMPUS…

Central Library: A collection of more than 3 lakh documents in print & electronic format; smart card, RFID & Wi-Fi enabled; Additional dedicated libraries across department blocks.

SUBWAY: The world’s largest fast food chain “SUBWAY” has an outlet at the Manav Rachna campus. So, to “bhagao” the hunger pangs walk into the SUBWAY restaurant at A-Block (near Sports Arena 1) of the Mrei campus. Brighten your day with the “Sub of the Day” & your favourite sandwiches from 8:00 am to 10:00 pm.

Cafeterias: Sumptuous multi-cuisine food options, the world’s largest fast food chain SUBWAY, Nescafe, Chaigaram, a well-established food court providing varied options to the students (Café Woody’s, 34 Chowringhee Lane, a Juice Lounge, a Dosa Place, Mama Box, Sugar Shacks (Waffles) among others.

WH Smith: UK’s most popular retail outlet WH Smith has been the in-campus shopping haven for our students.

Auditoriums: Fully-air conditioned auditoriums across the campus (with multiple seating capacities).

Amphitheatre: A cultural haven and the “Manch” for creative expressions!

Health First: Well-equipped dispansary with qualified doctors & nursing staff; two ambulances; dental & physiotherapy OPD; tie-ups with premier hospitals.

Specialized Labs: Centers of Excellence and Research Clusters backed by industry include specialized set-up by Daikin, Intel, Mitsubishi, IBM, Xebia, Altair, Infineon, Sky Tester, Honda and more.

Sports Academy: With international facilities in Shooting, Badminton, Swimming, Lawn Tennis, Table Tennis, Soccer, Chess, Cricket, Volleyball, Basketball, Skating, and Gymnastics.
SHOOTING ACADEMY
- 7,000+ budding shooters training across 13 shooting ranges (with SIUS ASCOR targets)
- Country's only ISSF accredited training center
- Country's only Perazzi Lounge housed within the Shooting Range
- 25m/50m electronic targets (SIUS ASCOR) range
- Olympic Standard Firearms (air rifles, air pistols, Perazzi & Beretta 12 bore shotguns, and ammunition)
- Shotgun shooting range for Trap, Double Trap, Sporting and Skeet (with night shooting options)
- Specialized trainers program
- Performance Enhancement Support at the State-of-the-art Manav Rachna Sports Science Centre

Sports Science Centre: Manav Rachna Sports Science Centre is committed to help talented athletes in optimizing their performance through utilization of science, performance testing and monitoring, applied research and education. State-of-the-art equipment for Sports physiotherapy and rehabilitation, Sports psychology, Sports performance analysis, biomechanical analysis, personal training, pilates and yoga.

STUDENTS FROM ACROSS THE GLOBE AT MREI
Manav Rachna Educational Institutions (MREI) attract students from all across the country and abroad. Currently, it has students from almost all States/Union Territories in India and 13 foreign countries. Close to the vibrant national capital city, Delhi, the MREI campus has a warm, welcoming community, offering a fulfilling experience that shapes students' lives. This leads to better career prospects and a bright future. At the very least, it gives access to many beautiful seasons, wide-open spaces, abundant nature, multicultural diversity, clean environment and incredible quality of life. A difference waiting to be discovered by ambitious students.

535+ FILED PATENTS, 7800+ PUBLISHED RESEARCH PAPERS
With a commitment to excellence across diverse spheres of education, MREI is focused on R&D with 535+ patents filed/granted and more than 7800+ published research papers in International/ National journals and conferences. The focus at Manav Rachna Innovation and Incubation Centre (MRIC) is on applied research leading to patents, research publications in reputed Journals/ Conferences and generation of IPRs, with the ultimate aim of improving employability skills of the University Graduates.
ACADEMIC TIE UPS WITH LEADING FOREIGN UNIVERSITIES

In its quest for excellence, Manav Rachna Educational Institutions have entered into Academic tie-up with a number of prestigious foreign Universities. Auckland Institute of Technology, New Zealand, National University of Ukraine on Physical Education and Sport, Ukraine, St. George University, West Indies, The University of Waikato, New Zealand, The University of Winnipeg, Canada, The notable ones include Laurentian University, Livingstone International University of Tourism Yuan Ze University, Taiwan, Wentworth Institute of Higher Education, Australia Western Sydney University, (Sydney) Illinois Institute of Technology, (Chicago) Norquest College, (Canada), Ohio University, (US) Universiti Teknologi Malaysia (UTM) The University of Newcastle, Australia, Universitas Indonesia, Indonesia, The Universidad Nacional Villa María, Argentina, Haaga Helia University of Applied Sciences, Finland, Metropolis University of Applied Sciences, Finland, Laurea University of Applied Sciences Finland, Istanbul Gedik University, The University of North Texas (UNT) Universidade Lusofona de Humanidades e Tecnologias, Portugal, The University of Wisconsin, USA, Nottingham Trent University, UK, University of the West of England, Bristol, UK, University of Regina, Canada, University of Malaya, Malaysia, T.C. Beyken University, Turkey, Syrian Private University, Syria, Asian University, Vietnam, Akamai University, USA, Al Mustaqlal University College, Iraq, Karabuk University, Turkey, The University of Nottingham, U.K., Auburn University at Montgomery, USA, Purdue University North West (USA), Lahiti University Finland, Algonquin College, Ottawa, Canada, Auckland Institute of Studies (AIS), Auckland, (New Zealand), University Pendidikan Sultan Indris (Malaysia), Tsukuba University (Japan), Arlington, USA, Bangladesh Institute of Sports Sciences (BISS), Hiram College, Ohio, USA, Gerlev Physical Education and Sports Academy, Denmark, Binawan Institute of Health Sciences, Indonesia, College Sevigne, Paris France, University College of Northern Denmark (UCN), The University of North America (UoNA), Istanbul Aydin University (IAU), Our Lady of the Lake University (OLLU) San Antonio, Texas, USA, Hasan Kalyoncu University, Turkey, Istanbul Commerce University, Turkey, Istanbul Kultur University, Turkey, University of Sinaloa, Mexico & Antioquia School of Columbia (USA) & University of Pitesti (Romania), Abdullah Gul University, Turkey, President University, Curtin University, Vinh University, Vietnam, University of New Castle, Australia, Osh State, Kyrgyzstan, Cyprus Health and Social Science University, Turkey, Asian University, UK and ISDE Law Business School.

RESEARCH COLLABORATIONS

Manav Rachna has research collaborations with Indian Oil Corporation, R&D Centre, Faridabad, Translational Health Science & Technology Institute, Faridabad, Council of Scientific & Industrial Research, Indian Institute of Petroleum Dehradun, National Institute of Immunology, New Delhi

LEADING INDUSTRY ACADEMIC PARTNERS

Truechip: A Memorandum of Understanding (MoU) was signed, between Manav Rachna University, Truechip Solutions Pvt. Ltd. and Future Tech Wizards LLP. The MoU is an opportunity to collaborate and work together for an advance technological innovation through the creation and dissemination of information and knowledge in the field of electronics and communications and also for developing skilled human resources through specialized training including but not limited to conducting VLSI training programs for the students of Manav Rachna University.

Sahai Labs: The department of ECE, MRU signed a MoU with Sahai Research Labs, Sahai Research Labs is a research focused organization committed to develop low cost healthcare products and technologies & aimed at transforming lives of poor & needy people across the globe. They work across the industry verticals in areas like IoT, FPGAs, Embedded Systems, High Level Synthesis etc. Sahai Research Labs Under Graduate students of the university which would give them exposure to cutting edge and latest technologies making difference to the society.
Microsoft: MRIIRS and Microsoft have joined hands to introduce a new course(s) B.Tech. in CSE with specialization in Artificial Intelligence and Machine Learning, Cloud Computing which are specialization programs designed to better equip students with the next generation of technologies like building intelligent machines, domain knowledge in cloud architecture & IoT environments, software & applications with a cutting-edge combination of machine learning, cloud computing, analytics & visualization technologies.

Daikin: MIIS has collaborated with Daikin Air Conditioning India Pvt. Ltd. to set up a Centre of Excellence (CoE) on Refrigeration & Air Conditioning. The Centre will ensure hands-on practical exposure for students & help them acquire the new technologies, making them job-ready for the sector.

IBM: IBM has tied up with MRIIRS to jointly offer B.Tech. - Computer Science & Engg. with specialization in Digital Forensics & Cyber Security to train the students on the latest global technology and equip them with practical knowledge of working in IT sector, where they can learn to implement their theoretical knowledge acquired through their program.

Mitsubishi Electric: Mitsubishi Electric India has set-up an Advanced Factory Automation Lab and its Centre of Excellence. The center has world class infrastructure with latest iQR set up including G series Programmable Logic Controller (PLC), Servo, Variable Frequency Drive (VFD), Graphical Operational Terminal (GOT) 2000, X Y Plotter, FX Kits, Robot Simulator setup with with six axis joint & 240 degree in either direction which is First Robotics Lab set up by MEI in the north India and SCADA Software for monitoring and analysis. Regular training programmes/courses are conducted in this Factory Automation Lab and Centre of Excellence.

NSDC: A pilot project across 100 schools in Haryana is being implemented by NSDC & KEDMAN SkillEd India Ltd (a joint venture between Kunskapskolans Education Sweden AB and Manav Rachna Educational Institutions). Sophisticated labs are being created in 5 identified schools one each in Faridabad, Gurgaon, Bahadurgarh, Mahendragarh and Panchkula with investment in infrastructure, civil work, IT equipment by KEDMAN to ensure students get the best outcome from the programme.

Honda Motorcycle and Scooter India Private Limited ( HMSI): The Department of Automobile Engineering, MRIIRS in association with Honda Motorcycle and Scooter India Private Limited (HMSI) has established a Centre for Automotive Training & Research. Here, HMSI will provide technology support to MRIIRS for setting up training and research infrastructure for MRIIRS students.

“Infineon Centre of Excellence” has been set up in the department which is the first centre of Infineon in India launched by Infineon’s Power Management & MultiMarket (P3M) division. Infineon will provide Internship, expert talk and workshops to students and also opportunity to work on real industrial projects in collaboration with them.

INTEL Internet of Things (IoT) Manav Rachna International Institute of Research and Studies is collaborating with Intel® Corporation for launching a B.Tech. Program in Electronics and Communication Engineering with specialization in Artificial Intelligence and Internet of Things. This Course provides an opportunity to the students to learn the insights to the most important technologies driving the modern world namely Artificial Intelligence and Internet of Things. Students will be given 360 degree exposure to various Intel Hardware and Software platforms that are used in Industry for AI and IoT development. In the IoT Space the students will get to learn about Intel Galileo, Intel Edison Boards along with other popular boards like Raspberry Pi and Arduino for designing IoT Systems.
CONSISTENT TOP RANKINGS ACROSS THE COUNTRY!

- Manav Rachna International Institute of Research and Studies has been rated among the top PERFORMERS in the Atal Ranking of Institutions on Innovation Achievements rankings 2021 released by the Ministry of Education, Gov.
- UGC has granted 12 B status to Manav Rachna International Institute of Research and Studies in affirmation to its strong focus in Research and Development.

THE MREI PHILOSOPHY ACCESS AND FLEXIBILITY

SCHOLARLY PURSUIT
We guide our students to find their own academic paths by helping them to reason, analyze and understand in unprecedented ways. The academic experience at MREI is characterized by a spirit of academic energy, exploration and challenge.

INFLUENCED STUDY
We have enriched resources to connect professional education to the processes of inquiry and discovery. MREI students explore ideas by collaborating directly with our exceptional faculty in a programme of study that focuses on interdisciplinary exploration.

ENGAGED IMMERSION
A student's education doesn't end at the classroom door. We provide an incredible variety of opportunities for students to enhance in-class learning with hands-on experiences, service in the community and development of leadership skills.

THE MREI SPIRIT: CULTURE OF CHAMPIONS THROUGH EXCELLENCE
We view education not only as a gateway to personal development, but also as a pathway for improving society.

THROUGH FACULTY
Within the ranks of MREI’s faculty are scholars of national & international prominence in every area of academic study.

THROUGH SPORTS
Our students play because they are passionate, they love sports and they love to represent MREI.

THE MREI AMBIENCE: AMAZING ABUNDANCE OF OPPORTUNITIES
To turn MREI opportunities into personal strengths, one has to desire them, reach out to them, and actively incorporate them. It’s an individual choice, but it matters what one does.

ENERGIES OF INTELLIGENCE & CREATIVITY
A great institution is a scene of constant combustion, where energies of intelligence and creativity are released in a bonfire of innovation and evolution.

HIGHEST REALIZATION OF HUMAN POWERS
Like raising the benchmark, MREI is dedicated to the highest realization of human powers.
This year, MREI is celebrating its twenty-fifth year, and it is a year of both looking back and looking forward.

We look at the journey we have taken as an educational entity. We share with you the achievements and benchmarks. One of our strengths is that we have never resisted change, and have always kept a forward focus.

The combined efforts of the management, faculty and alumni have guided us to the enviable position we are in today. We have excellent programmes at all levels, a continually growing reputation, a wonderful faculty that continues to build on the strengths of yesterday, consolidate the fortes of today and the luminaries of tomorrow.

The future is undoubtedly shaped by the successes of the past, but as it has always been, the future is built through the commitment and contributions of all.

On our twenty-fifth anniversary, I offer greetings to all our alumni, friends and colleagues, those connected with us over the years and others yet to come.

Best wishes

Ms. Satya Bhalla
Chief Patron, MREI
25 YEARS OF OPTIMISM & EXCELLENCE

Warm Greetings and Congratulations - Welcome to MREI!

It is with great honour and pleasure that I extend best wishes to you all on behalf of the entire MREI community. It is our sincere hope that your family and you are well, and able to manage the evolving challenges in the times of the pandemic. We are delighted to welcome all students and have launched exciting programmes led by in-house, adjunct and expert visiting faculty from industry and global academic institutions.

For twenty five years, we have strived to design and develop cutting edge, innovative and creative programmes in collaboration with advisory groups, industry professionals, Faculty, Staff, Alumni and institutional partners. We still do. Our advanced and innovative curriculum, learning tools and real-life work projects will prepare you for the global career path and industry work.

The MREI campus is green, beautiful and vibrant with student communities, cultural activities and festivals. We also host Centres of Excellence. You will engage with all for real life project learning.

You will also experience community engagement and real life learning. MREI education emphasises Life-Long Learning and Self-Transformation for the students.

We nurture a strong community of alumni. You will go through continuous mentoring and networking advantages with alumni who are leaders in multiple industry segments.

MREI’s campus and community are eager to learn more about the new group of graduate programme students. You can look forward to taking on the challenges of academic and field based learning, as well as live projects.

I am deeply grateful for the presence of an outstanding group of in-house, adjunct and visiting faculty as well as staff and management, who work tirelessly to ensure the best possible learning experience for you here!

Dr. Prashant Bhalla  
President, MREI
FACILITATING EXCELLENCE

Manav Rachna Educational Institutions (MREI) is one of the leading names in higher professional education, with a dynamic spectrum of activities. The name actively promotes life as a journey of intellectual and personal discovery through highly innovative and flexible horizons. The institutions comprise multiple entities, a deemed university (including Dental College as its constituent Institute), a state university and K-12 schools. Manav Rachna Educational Institutions (both MRRIS & MRU) are among the Founding members of the India Global Higher Education Alliance of College Board. This places MREI among the league of the premier Universities across the globe including Harvard University, Stanford University, University of Michigan, Ohio State University, Princeton University, Boston University, Massachusetts Institute of Technology, Purdue University, among others.

MREI attracts students from almost all states/union territories in India and diverse countries. The array of institutions have been crowned with accreditations for varied programmes in higher education. Manav Rachna International Institute of Research and Studies is a highly coveted NAAC Accredited 'A' Grade Institution, with a 'Deemed-to-be-University' Status. Manav Rachna University, formerly MRCE (NAAC Accredited 'A' Grade Institution), is declared as a State Private University. MRRIS and MRU are both Founding Members of College Board Alliance. Manav Rachna Dental College (Now a constituent of MRRIS) is a NAAC Accredited 'A' Grade Institution.

Now, by embracing the technological and pedagogical opportunities of our digital age, we are expanding our scope, attracting more learners, offering more choices of online degree and widening our outreach. Manav Rachna Centre For Distance and Online Education offers UGC approved Online Degrees. We have an online learning portfolio worthy of a world-class university.

The institutions are premium, have QS Star Rating for Excellence and accreditations from professional bodies, benchmarked as NAAC 'A' grade, while the Manav Rachna International Schools have CBSE affiliation and AdvanceED USA accreditation. KUNSKAPSSKOLAN Schools, India is a Joint Venture between KED Sweden (a network of 117 Schools in six Countries-Sweden, UK, USA, India, Saudi Arabia and Netherlands) & Manav Rachna.

In line with the vision of government’s Skill India mission, KEDMAN Skilling Private Limited since inception has been focusing on skill development in multiple sectors like Beauty and Wellness, Retail, IT-ITeS, Healthcare to name a few. The initiative began in 2017 when the organization embarked on a pilot project, approved by the Honorable Chief Minister of Haryana for 100 Government-run schools in the state to adopt the KED methodology from Kunskapsskol, Sweden vocational classrooms in State Government-run schools. As a part of the project sophisticated digital labs were created with CSR received from Sony India, Oriflame, Honda Two Wheelers, NSDC, Orient Electric etc. at 13 identified schools across Fariyabad, Gurugram, Bahadurgarh, Mahendargarh, Panchkula, Patial, Kurukshetra, Karnal & Jind. Apart from setting the digital lab, the CSR fund was also used to upgrade the lab with enhanced infrastructure and civil work so as to ensure that Govt. school students do learning in a conducive learning environment. More such labs are being planned in this Financial Year with the support of Corporate CSR.

At Manav Rachna, the focus is on excellent academic delivery with ICT, R&D and academic excellence, with a rich legacy of filed patents and thousands of published research papers in international/national journals. The list of filed/granted patents encompass 535+ and the research papers published in national/international journals so far exceed 7800+. Students regularly participate in prestigious international/national project competitions, winning numerous awards. There are tie-ups with leading Industry academic partners.

Student chapters of reputed professional bodies accelerate all round professional development of students. With a focus on training them in engineering hard skills and technology, there are institutional memberships of various Industry associations.

The emphasis is on the rationalization of student experience, transforming them into good professionals and human beings for future employment & life that crosses borders, boundaries & cultures.
Welcome to MREI.

At MREI, we have been offering an array of cutting-edge and niche programmes shaped by our team of experts for twenty-five years. What sets us apart is our dedication towards providing our students with a holistic education through an interdisciplinary teaching approach, empowering them to make a bigger difference to their communities, nation and the world. When today’s biggest challenges are increasingly interrelated and can no longer be successfully tackled by single-domain expertise, the opportunities of tomorrow lie in the hands of those capable of synergising insights outside of their specific disciplines with their own areas of knowledge. Our curriculum plays a vital role in this endeavour. We instill in our students an understanding of the bigger picture, the ability to think critically, comprehensively and globally, as well as the versatility to adapt easily to changes in both the workplace and real world.

Beyond graduating with a recognised degree and attaining a desirable career, my personal vision is to have our students leave the precincts of MREI with an everlasting desire to engage in lifelong learning.

We nurture students into nimble, adaptable and flexible leaders capable of scaling the ever-evolving environment. Through reskilling, upskilling and deep-skilling, members of the MREI family, both staff and students, continue to stay relevant and future-ready.

As we look forward to welcoming students back for the new academic year, we are committed to upholding the high quality of education that MREI is known for, while maintaining precautions in tune with all protocols. Together, we will emerge stronger and ready to tackle any obstacles ahead.

If you are seeking a top-notch education that will prepare you to thrive in today’s rapidly-changing landscape, there is no better place than MREI. I invite you to join us in this exciting journey ahead.

Dr. Amit Bhalia
Vice President, MREI
The education of Manav Rachna International Institute of Research and Studies (MRIIRS) aspires students, irrespective of the background to put forth the creativity and lay foundations to a community's dreams.

“There is no vision as powerful as the vision of knowledge, there is no penance as the oath of truth, there is any pain as that caused by desire, there is no act that gives more happiness than sacrifice”. MRIIRS strives to carve young minds with a bright vision of the future motivated by Integrity, Persistence and Passion. This ensures that they are mentally wired to make a difference in their work place. Making every Manav Rachna student pragmatic and a responsible citizen is at the helm of the objective that we as an educational institute strive to achieve. We firmly believe that each student shouldn’t be a mere success story but become an incomparable example of achieving self-actualization and being an efficient runner in all the realms of life.

The Yoga sutra of patanjali says, “When you are inspired by some great purpose, some extraordinary projects, and all your thoughts break their bounds. Your mind transcends limitations, your consciousness spans in every direction and you find yourself in a new, great and wonderful world”.

Our biggest competitive edge as a country is our human resources. 71% or 742 Million Indians are below the age of 35 years. This is a great opportunity for all of us as the responsible citizens of India and not just for the government. So, let us “Think in India, “Make in India” and again “Make for the World”. At Manav Rachna Educational Institutions, we are working on this mission as the business environment demands a new cadre of professionals with a Global outlook, yet with a deep rooted value system stringing from our vast cultural heritage and glorious past.

The program structure, teaching technology and inimitable industry interaction with focus on attitude, behavioral skills and global orientation have been the key features of our educational philosophy. Continuous learning is not a choice in today’s business environment but a necessity. MRIIRS is committed to update and revise the course curriculum in sync with the dynamic needs of the business world, thereby bridging the gap between the “desired” and the “produced”.

MRIIRS endeavors to create human capital for the industry that is not only suitable for today or tomorrow, but also for times to come. Come and be part of legacy where students are taught that nothing is unattainable to the one who has courage and who works hard!

Prof. (Dr.) Sanjay Srivastava
Vice-Chancellor, MRIIRS
I am of the considered opinion that knowledge is continuous and lifelong journey and should be rejuvenated and rekindled from time to time by ceaseless efforts. After taking up the baton of Manav Rachna University as its Vice Chancellor, I realized that it is one of the most vibrant and student-centric systems in India. The university is proud of its committed, experienced faculty and staff, exceptionally brilliant students and a community that recognizes this campus as a vital educational, economic, cultural resource and a talent pool of our country. Through its faculty efforts, it disseminates knowledge, develops right attitude and provides life skills to its students and shall continue to do so for generations to come.

The University acts as a perfect platform for its students for achieving the highest professional career goals and provides a mentoring support in terms of teaching learning process, Research and Community Service. We create opportunities in and out of the classroom for students, faculty and staff to work and learn together, promoting a student-centered atmosphere. The active learning pedagogy adopted at the university equip the students with problem solving capabilities, creativity, innovative thinking, entrepreneurial temperament, high morale, ethics, integrity and vision.

We facilitate students to remain full of excitement, enthusiasm and experience that they shall cherish throughout their lifetime. Our education is directed to transform our students into responsible and enlightened citizens, confident leaders in their chosen area of profession, independent thinkers, creative entrepreneurs and ethical human beings which has been the vision of its founder Dr. O.P. Bhalla.

Student success is our highest priority - we offer a strong selection of academic and research programmes embedded with futuristic curriculum incorporating today’s high-demand fields like Nano-technology, Artificial Intelligence and Machine learning, Data analytics, Robotics to name a few, delivered through our knowledgeable faculty at this beautiful campus in NCR. The partnerships with many global universities and industries provide, an opportunity to the students for international exposure and do the internships wherever they desire. We are proud that our multi-pronged efforts help us to serve our students, who gain knowledge and skills that prepare them to live and work in a multicultural, globally challenging world. During the testing time of COVID-19 university ensured that learning of students does not stop and were first to shift to take up the challenge and start online teaching learning system and thus saved the precious time of students.

To find out more about the MRU, our teaching and research strengths, our diverse networks and our vibrant campus activities, please visit www.mru.edu.in. I look forward to your support and feedback in the near future to help us serving our students better.

Prof. (Dr.) I.K. Bhat
Vice-Chancellor, Manav Rachna University
The constantly changing education paradigms, in response to growing complexity of the industry environment today have necessitated the academia and industry to come closer. Exceptionally dynamic corporate world expects the students pursuing different professional programmes to be well versed in the industry environment. With globalization taking place, the job market has become even more competitive.

Functioning of the great Institutions is made with the following three philosophical overtones:

- Education is not preparation for life; education is life itself (John Dewey)
- Thought without action does not have any value and an action without thought is a futile action (Vivekanand)
- What I read I forget, what I see I remember, what I do I understand - that is learning by doing.

MREI is distinct Gurukula working primarily around the above philosophical paradigm. It is a confluence of galaxy of thought and action leaders from different walks of life. The institutions are engaging in architecting and shaping young minds and business leaders who:

- Look beyond, look around & look within,
- Develop undaunted curiosity to learn continuously and grow as holistic leaders,
- Can powerfully connect horizons with the ground reality,
- Can efficiently connect scattered dots and create powerful mosaic and rainbow of managerial skills,
- Seek higher results with the helicopter perspective,
- Develop capabilities to handle Complexity, Ambiguity, Uncertainty & Volatility,
- Are socially responsible and ethical, prudent in their behavior and conduct,
- Can create tomorrow, today with entrepreneurial vision & out-of-box thinking.

With its Educational & Philanthropic mission and with an aim to be the driving force, the Strategic Mentoring Board of Manav Rachna Educational Institutions was initiated to formulate strategies to enable and ensure Manav Rachna Educational Institutions become a renowned organization worldwide and to fulfill the mission and to ensure the employability skills of the students.

- Increasing the reach of Social Initiatives and outreach programs of Manav Rachna Educational Institutions.
- Recommendations for Contemporary programs to be initiated at MREI.
- Mentoring and guiding Career development Centre to develop unique processes for nurturing MREI students.
- Advice on Strategies for Perception and Brand Building.

Esteemed members of the Strategic Mentoring Board represent the industry, with rich and diverse experience.

MESSAGE FROM CHAIRPERSON OF STRATEGIC MENTORING BOARD

S.Y. Siddiqui  
Executive Advisor,  
Maruti Suzuki India Ltd.

“Success is the sum of small efforts - repeated day in and day out.”

Robert Collier

Dear aspirants,

On behalf of the Strategic Mentoring Board of Manav Rachna, I extend a warm welcome to you.

The single most important factor that has emerged through our recent experiences is that the only thing constant around us, is CHANGE. Our unpredictable environment, is explained by VUCA today—signifying how our world is Volatile, Uncertain, Complex and Ambiguous. This is why we have witnessed numerous changes in the way we live- including simple things like electronic payments, remote working and onset of electric vehicles. Today, we are in an era where we need to know how to manage change. We are also in an era where our country India is recognized as a world power to reckon with.

It is here that management education becomes the need of the hour. In such an important phase, the Faculty of Management Studies (FMS) at Manav Rachna International Institute of Research and Studies (MRIRS) continues its legacy of shouldering national responsibility by providing quality education. Manav Rachna has undertaken the very critical job of preparing the students for managing larger roles in industry and community.

Manav Rachna is conscious about the fact that it caters not only to students, but to the aspirations of a set of people who step into the institution with a gleam of expectation in their eyes. Behind them are the dreams of many others as well. Thus, the Faculty step up and strive to work with the students to nurture them towards success, focusing on an enhancement of Emotional intelligence (EQ) and Spiritual quotient (SQ), rather than only the Intelligence quotient (IQ).

In this phase of your academic journey, your interaction with your peers, the mentorship from your teachers, the grooming from extra-curricular activities, your relationship with your parents, your self-awareness- all will come together to define the person you are and will impact your professional outlook and attitude in the life ahead. As you get ready to embark on this new journey in your life, remember it as the commencement of your true education and learning.

The youth of our nation are witnessing an era of plenty. As the country goes through a phase of reaping the demographic dividend, you- the youth are scripting the story of the nation. May you continue your pursuit of excellence. It is said, “Excellence is the result of caring more than others think is wise, risking more than others think is safe, dreaming more than others think is practical, and expecting more than others think is possible.” Of all the years you have already lived and of those that are yet to come, make the most of it, for yourselves and your families, and for the communities for which you are a part.

My Very Best Wishes!

S.Y. Siddiqui
Whatever be the phase of life, the two keys to a happy life are: stay inspired and stay organized. Whether teaching or learning, both need discipline and character. Ambition is the driving force; patience and determination are the tools.

A story from Paulo Coelho in *The Alchemist* has left an indelible mark on me. In an intimate exchange, the grandmother tells the grandson about five qualities of an inanimate object which if one manages to hang on, peace and greatness in life can be achieved together. The messages of the pencil are:

'First, you are capable of great things, but you must never forget that there is a hand guiding your steps. We call that hand God, and He always guides us according to His will.'

'Second: now and then, I have to stop writing and use a sharpener. That makes the pencil suffer a little, but only to be sharper. So you too must learn to bear certain pains and sorrows, because they will make you a better person.'

'Third: the pencil always allows us to use an eraser to rub out any mistakes. This means that correcting something we did is not necessarily a bad thing; it helps to keep us on the right path.'

'Fourth: what really matters in a pencil is not its wooden exterior, but the graphite inside. So always pay attention to what is happening inside you.'

'Finally, the pencil's fifth quality: it always leaves a mark; in just the same way, you should know that everything you do in life will leave a mark, so try to be conscious of that in your every action.'

As a teacher, leave your mark, be a role model teacher. As a student, leave your mark; be a role model pupil. Take the things as they are. Having seen the difficult phase of Corona, we all know that we may not be able to control the Corona but we can certainly change ourselves and learn to live the best way as we can with Corona too. A virtual world is something we are living in. Those who have strength of character, live a disciplined life and are full of ambitions have not been scarred much less defeated by Corona.

Hope you remain safe and healthy in these extraordinarily demanding and stressful times.

Best wishes

(R.C. Lahoti)
ADVISORY BOARD
Manav Rachna School of Law (MRSol) has an Advisory Board which boasts of Former Chief Justice of India, Former Supreme and High Court Judges, ASG, Former Law Secretary to Ministry of Law and Justice, Senior Advocates, IAS officers and other legal luminaries as its eminent members.

YOU’RE GETTING READY TO EMBARK ON YOUR BIGGEST ADVENTURE YET. AND YOU’RE LOOKING FOR THE RIGHT PLACE TO MAKE IT HAPPEN. A PLACE WHERE YOUR CURIOSITY MEETS WORLD-CLASS PROFESSORS. WHERE YOUR THIRST FOR EXPERIENCE MEETS ONE OF NORTH INDIA’S REMARKABLE EDUCATIONAL HUBS. WHERE YOUR BIG IDEAS MEET AN ECOSYSTEM OF CREATORS INSIDE OUR INNOVATION CORRIDOR. AND WHERE YOUR LIMITLESS POTENTIAL MEETS COMMUNITIES THAT ENABLE YOUR BRIGHT FUTURE.
MANAV RACHNA EDUCATIONAL INSTITUTIONS (MREI) FOUNDED IN 1997 HAS GROWN TO BECOME ONE OF THE BEST EDUCATIONAL ENTITIES IN THE COUNTRY AND IS RECOGNIZED FOR EXCELLENCE IN PROFESSIONAL EDUCATION AND RESEARCH. A BRAINCHILD OF THE FOUNDER VISIONARY DR. O. P. BHALLA, A RENOWNED EDUCATIONIST AND PHILANTHROPIST, MREI NOW ENCOMPASSES A GROUP OF THE MANY VIBRANT, WORLD CLASS INSTITUTIONS.

THE INSTITUTIONS AND THE PROGRAMS OFFERED BY THEM ARE GIVEN IN SUCCEEDING PARAGRAPHS.

MANAV RACHNA INTERNATIONAL INSTITUTE OF RESEARCH AND STUDIES

Manav Rachna International Institute of Research and Studies (MRRIS), a NAAC accredited ‘A’ grade Institution, is a continuum of excellence from the Career Institute of Technology & Management (CITM), & was granted ‘Deemed-to-be-University’ Status under section 3 of the UGC Act 1956. The institution is among the select few QS 4-star (overall) rated universities of India & has been rated QS 5 Star for TEACHING, EMPLOYABILITY, ACADEMIC DEVELOPMENT, FACILITIES, SOCIAL RESPONSIBILITY, & INCLUSIVENESS. The university has also been accorded a QS 4-Star rating for the Program Strength of its Computer Science & Engineering degree courses. MRRIS is AICTE approved for Engineering, Management, Architecture and MCA programs. B.Tech., CSE, ECE, ME & Biotechnology courses at MRRIS have been accredited by National Board of Accreditation (NBA). It is a visible symbol of knowledge & experience providing high quality education in the fields of Engineering & Technology, Health & Applied Sciences, Management, Computer Applications, Hotel Management, International Programmes, Commerce, Humanities, Media, Architecture, Design and many more.
FACULTY OF ENGINEERING AND TECHNOLOGY (FET)

- B.Tech. (4 year): Civil Engg. (See Note 1) Under this programme, the students can get B.Tech. Civil Engg. (Hons.) with specializations in Smart Cities/ Green Technology & Sustainability Engg. by earning additional 18-20 credits in the given particular domain as per provision prescribed in the APH of AICTE.

- Computer Science and Engg. (See Note 2) Under this programme, the students can get the B.Tech. (Hons.) in Computer Science & Engg. with specializations in Cloud Computing/ Gaming Technology by earning additional 18-20 credits in the given particular domain as per provision prescribed by the AICTE. At MRIIRS, the courses under the said domain of Cloud Computing shall be offered in association with Microsoft.

- Computer Science and Engg. (Artificial Intelligence and Machine Learning) Under these programmes of B.Tech.-Computer Science & Engg. (Artificial Intelligence and Machine Learning), the students can get the B.Tech. (Hons.) by earning additional 18-20 credits and the courses under this domain shall be offered in association with Microsoft at MRIIRS.

- Computer Science and Engg. (Digital Forensics and Cyber Security) Under these programmes of B.Tech.-Computer Science & Engg. (Digital Forensics & Cyber Security), the students can get the B.Tech. (Hons.) by earning additional 18-20 credits.

Electronics & Communication Engg. (See Note 3) Under this programme, the students can get B.Tech. Electronics & Communication Engg. (Hons.) with specialization in Artificial Intelligence and Internet of Things (IoT) by earning additional 18-20 credits in the given particular domain as per provision prescribed by the AICTE. At MRIIRS, the courses under the said domain of Artificial Intelligence and Internet of Things (IoT) shall be offered in association with Intel Corporation.

- Mechanical Engg.: Under this programme, the students can get B.Tech. Mechanical Engineering (Hons.) with specialization in Electric Vehicles by earning additional 18-20 credits in the given particular domain as per provision prescribed in the APH of AICTE.

Biotechnology

- B.Sc. (Hons.): Microbiology (See Note 4)

- B.Tech.-Lateral Entry (3 year): Civil Engg., Under this programme, the students can get B.Tech. Civil Engg. (Hons.) with specializations in Smart Cities/ Green Technology & Sustainability Engg. by earning additional 18-20 credits in the given particular domain as per provision prescribed in the APH of AICTE.

- Computer Science and Engg., Under this programme, the students can get the B.Tech. in Computer Science & Engg. with specialization in Cloud Computing/ AI & ML by earning additional 18-20 credits in the given particular domain as per provision prescribed by the AICTE. At MRIIRS, the courses under the said domain of Cloud Computing/ AI & ML shall be offered in association with Microsoft.

- Computer Science and Engg. -Digital Forensics & Cyber Security and Gaming Technology, Under this programme, the students can get the B.Tech. in Computer Science & Engg. (Digital Forensics and Cyber Security) or B.Tech. in Computer Science & Engg. (Gaming Technology) by earning additional 18-20 credits in the given particular domain as per provision prescribed by the AICTE. At MRIIRS, the courses under the said domain of Digital Forensics & Cyber Security and Gaming Technology shall be offered in association with IBM.

Electronics & Communication Engg., Under this programme, the students can get the B.Tech. in Electronics and Communication Engg. with specialization in Internet of Things (IoT) by earning additional 18-20 credits in the given particular domain as per provision prescribed in the APH of AICTE.

- Electrical & Electronics Engg., Under this programme, the students can get the B.Tech. in Electrical and Electronics Engg. with specialization in Microgrid Technology by earning additional 18-20 credits in the given particular domain as per provision prescribed in the APH of AICTE.

- Mechanical Engg., Under this programme, the students admitted through Lateral Entry can get B.Tech. in Mechanical Engg. with specialization in Mechatronics by earning additional 18-20 credits in the given particular domain as per provision prescribed in the APH of AICTE.

- Biotechnology

- M.Tech. Programmes (2 years):
  - Mechanical Engg., Electronics, and Communication Engg. (This programme is offered with specializations in Communication Systems / VLSI Design and Embedded Systems based on the courses opted by the students out of the basket of offered elective courses), Computer Engg. & Networking, Civil Engg. (This programme is offered with specialization in Structural Engg. / Construction Management / Transportation Engg. based on the courses opted by the students out of the basket of offered elective courses. Further, the student shall be given the choice to complete the programme in 2 years or 3 years), Biotechnology, M.Sc.-Biotechnology (2 Year), M.Tech.-Automation and Robotics (See Note 5), M.Sc.-Microbiology (See Note 6).

NOTES:

- Note 1: The students articulating into the AUT programme will be required to take the specifically stated courses through MRIIRS over the first 2 years of study of B.Tech. Civil Engg., equivalent to 240 NZ points. Entry into the AUT programme will be dependent on the CGPA attained by the MRIIRS student, at one of three entry points as described below.

Total study points in AUT will be 240, 300 or 360 depending on entry CGPA.

- If CGPA at MRIIRS is > 8, then entry at AUT will be at Level 7 - Direct into start of 3rd year. This will be a genuine 2+2 articulation and student will have to earn another 240 points at AUT.
- If CGPA at MRIRS is between 7 and 7.9, then entry at AUT will at Level 6 - Direct into second semester of second year of AUT. This will be a 2:1+2.5 articulation and student will have to earn another 300 (240-60) points at AUT.

- If CGPA at MRIRS is between 6 and 6.9, then entry at AUT will at Level 5 - Direct into start of second year of AUT. This will be a 2:1 articulation and student will have to earn another 360 points at AUT.

Note-2: The eligible students under this programme shall have a provision to proceed to Purdue University North West (PUNW) USA in 2nd year or in 3rd year directly with transfer of credits of all courses/subjects studied at MRIRS as per mapping of the courses and thereafter can complete rest of their programme of B.Tech at (PUNW) with award of degree of PUNW, USA.

Note-3: With Intel, this programme provides an opportunity to the students to learn the insights to the most important technologies driving industry 4.0, AI and IoT development. Curriculum designed in consultation with INTEL experts will provide the students to acquire the latest skills in these cutting edge technologies using Intel Intelligent Systems Lab through INTEL experts. Students will get an opportunity to work on INTEL Xeon Processors, INTEL Parallel Studio Software, Intel System Studio Software, INTEL AI development Tools, INTEL AI Software Libraries, INTEL Frame Work Optimization, Movidius Neural Compute Stick and INTEL FPGA Boards. In the IoT Space, the students will get to learn about INTEL Galileo, INTEL Edison Boards along with popular boards like Raspberry Pi and Arduino for designing IoT Systems. Students will get certified on successful completion of the course which caters to the need of Industry 4.0, theory and lab Courses related to Artificial Intelligence, Machine Learning, Internet of Things and detailed coverage of Electronics hardware that is driving these technologies.

This programme opens up Job opportunities for the Students in various Electronics and IT industry and various sectors like Health Care, Core Electronics, driverless cars and various other areas where AI and IoT are playing an important role.

Note-4: 65% or above (equivalent to UK 2:2 classification). Overall minimum CGPA: 6.5 out of 10 at the end of their 3-year programme to progress to Asan Program.

Note-5: This programme is offered in association with Mitsubishi Electric India Ltd. as a knowledge Partner. Mitsubishi Electric India has set-up an Advanced Factory Automation Lab and its Centre of Excellence. The center has world class infrastructure with latest IQR set up including: Q series Programmable logic Controller (PLC), Servo, Variable Frequency Drive (VFD), Graphical Operational Terminal (GOT) 2000, XY Platter, FX Kits, Robot Simulator setup with six axis joint and 240 degree in either direction which is the First Robotics Lab set up by MEI in the north India and SCADA Software for monitoring and analysis. M.Tech Automation & Robotics will enable students to serve the industry requirement for implementation of new and smart technologies covering methods of synthesis, analysis & optimization of newer robots and mechanisms. The initial job functions in the field include - Robotics Engineer, Robotics Wielding, Mobile Robotics, 3D Robotics, and Robotics Engineer at E-commerce Giants amongst others. Immediate & Long term employment opportunities exist in the fields: industrial automation, manufacturing, agriculture, mining, aerospace, healthcare and defense. This field also finds applications in the regular streams like mechanical systems/design Engg., electronics systems Engg. and control systems Engg.

The programme includes: Hands-on Experience on Robotics and Automation by Theory & Practice, Development of analytical skills, modeling and simulation skills to identify and analyze problems, propose and execute solutions in well equipped labs and Training on latest lab equipments, CNC machining, 3-D printers and CAD design software.

Note-6: Students to have achieved first year of MSc average at MR grade point (CGPA) of 6.5 out of 10 (65% or above) to progress to the Asan programme. The programmes namely B.Tech - Computer Science and Engg., Electronics & Communication Engg., Mechanical Engg. and Biotechnology are accredited by National Board of Accreditation (NBA) under Tier-1 Category.

FACULTY OF COMPUTER APPLICATIONS (FCA)

- Bachelor of Computer Applications (BCA) (See Note 7). Under this programme, the students can get Bachelor of Computer Applications with specializations in Cyber Security / Data Science and Big Data Analytics/Al & ML by earning additional 15-18 credits in the given particular domain. At MRIRS, the courses under the said domain of Cyber Security/ Data Science and Big Data Analytics/Al & ML shall be offered in association with Microsoft.

- Bachelor of Science - Information Technology. Under this programme, the students can get B.Sc IT in association with AIS, New Zealand with additional 4 week internship at AIS, New Zealand

- Master of Computer Applications (MCA) (2 Year)

Note 7: Specialization under Cyber Security focuses on providing students with industrial exposure and case studies for a practical outlook. The professionals from the company themselves conduct the lecture and teach students what is actually practiced in the global industry. The course will cover the Design of Secure Networked Systems, Develop Secure Programs with Basic Cryptography and Crypto API, Hacking and Patching Web Applications, Perform Penetration Testing, and Secure Networked Systems with Firewall and IDS, which will prepare the students to perform tasks as Cyber Security Engineer, IT Security Analyst, and Cyber Security Analyst Data Science and Big Data Analytics gives exposure to smart automated data testbed solutions for Hadoop, Data lakes & No SQL data stores. Work on data products for future Businesses with Cloudera Data science environment. AI & ML is an Industry-aligned programme for learning in-demand skills such as deep learning, NLP, Reinforcement Learning, work on many industry projects & multiple programming tools. Engage in collaborative real-life projects, dedicated mentorship, & access to up Grad's career assistance resources by experts.

FACULTY OF ALLIED HEALTH SCIENCES (FAHS)

- Bachelor of Physiotherapy (BPT) (4½ Year) including 6 month compulsory internship.

- Master of Physiotherapy (MPT) (2 Year) with specialization in Musculoskeletal, Cardiopulmonary, Sports, Neurology.

- B.Sc. - Nutrition & Dietetics (3 Year) including 2 month clinical/industrial training.

- M.Sc. - Nutrition & Dietetics (2 Year)

- B.Sc. Hons. - Food Science & Technology (3 Year)

FACULTY OF ARCHITECTURE AND DESIGN (FAD)

- Bachelor of Design (B. Design) (This programme is offered with specializations in Interior design/ Animation and Visual Effects (VFX)/ Communication Design based on the courses opted by the students out of the basket of offered elective courses).

- B.Sc. Interior Design (3 Year)

- M.Sc. Interior Design
FACULTY OF BEHAVIOURAL & SOCIAL SCIENCES (FBSS)

- BA (Hons) - Applied Psychology (3/4 Year)
  with specializations in Clinical Psychology, Counseling Psychology, Industrial and Organizational Psychology, Educational Psychology, Consumer Psychology, Health Psychology, Sports Psychology, Testing & Assessment, Personality & Social Psychology, Developmental Psychology (See Note: 11)

- BA (Hons) - Economics (3/4 Year)

- B.A. Liberal Arts (3/4 Year) - The student seeking admission in B.A. Liberal Arts shall have the option to go for Sociology as Major and others as Minor courses based on the chosen basket of courses by the students out of courses offered by the University.

- B.A. (Hons) Political Science (3/4 Year)

- MA - Applied Psychology with specializations in following areas: Clinical, Counseling, Industrial and Organizational, Educational, Health, Sports, Psychological Assessment and Psychometric Testing, Personality Assessment, Social, Cognitive & Perceptual, Community, Consumer, Developmental, Engg., Environmental, Evolutionary Experimental Forensic & Criminal, Neuropsychology, Rehabilitation & School Psychology (2 Yr) (See Note: 11a)

- M.A. - Economics (2 Year) (See Note: 12)

- M.A. - Public Policy and Public Administration (2 Year)

  The eligible student with 7.5 CGPA in the programmes can go for 4th year of programme in the respective domain and pursue for 4 year Degree programme (Honours/Research) by earning additional 44 credits in 4th year of his/her 4 year programme. Such students shall be at par with level 8 as per NER 2020 and can further pursue one year of his/her Master's programme.

Note-11: 75% or above (equivalent to UK 2:1 classification). Overall minimum CGPA: 7.5 out of 10 at the end of their 3-year programme to progress to the Aston programme

Note-11a: students to have achieved 1st year M.Sc. average at MR grade point (CGPA) of 7.5 out of 10 (75% or above) to progress to the Aston Program

Note-12: The students who have successfully completed their bachelor's of Economics at MRRIS may be eligible to do their masters from University of Winnipeg, Canada as per the following:
To enter the first year of the program, students must have achieved a minimum CGPA (Cumulative Grade Point Average) of 3.0 out of a possible 4.0, equivalent to "B" on a letter grade scale in the Economics (Honours) program at MRRIRS. c. To progress to the second year of the program, students must achieve a minimum B-average and a minimum grade of C in their courses for the qualifying year.

FACULTY OF MANAGEMENT STUDIES (FMS)
Department of UG Management Studies
- Bachelor of Business Administration (BBA) General (3Yr) (See Note: 9)
- Bachelor of Business Administration (Banking & Financial Markets) in association with Bombay Stock Exchange (BSE) (3 Year) (See Note: 9a)
- Bachelor of Business Administration (Global) - International Business (in association with AIS, New Zealand) (3 Yr) (See Note: 9d & 9e)
- Bachelor of Business Administration (BBA) - Digital Marketing in association with Talent Edge (See Note: 9b)
- Bachelor of Business Administration (BBA) - Retail & Sales Management in association with Retailers Association’s Skill Council of India (RASCI) + Spencer’s under Apprenticeship programme (See Note: 9c)

Note 9: The eligible students of this programme who successfully completes the 1 year of MRRIRS BBA programme the specified stream will receive credit towards Bachelor of Business Programme offered by Waikato Management School of University of Waikato, New Zealand.

Note 9a: BBA (Banking & Financial Markets) is conducted in association with Bombay Stock Exchange (BSE). One course in every semester is delivered by BSE experts.

Note 9b: Bachelor of Business Administration (BBA) - Digital Marketing in association with Talent Edge, Industry professional from Talent Edge will be imparting teaching of total six courses during entire 3-year program with internship facility and assistance for placement and obtaining professional certifications.

Note 9c: Apprenticeship embedded 3-year BBA in Retail & Sales Management program is in collaboration with Retailers Association’s Skill Council of India (RASCI) & with Spencer - a retail industry, on job training will be provided by Spencer Retail Pvt. Ltd for which student can expect stipend as well. Opportunity to avail Certification of Retail Team Leader from sector council and Certificate of Apprenticeship from Government.

Note 9d: Auckland Institute of Studies, New Zealand provide curriculum and accreditation support for BSc IT and BBA (Global) International Business of MRRIRS. The students admitted in these programmes shall undergo 4-week study abroad programme/internship at AIS Auckland, New Zealand as a part of their programme.

Note 9e: The eligible students under this programme shall have a provision to proceed Nottingham Trent University (NTU), UK in 2nd year directly with transfer of credits of all courses/subjects studied at MRRIRS and complete the rest of their programme of Bachelor of Business at NTU with award of their degree of Bachelors of Business. And we have 3 + 1 progression route also, upon successful completion of NTU course, applicant may progress to 1 year master program Department of PG Management Studies.

Note 10:
- MBA Admissions shall be based on All India Entrance Tests (CAT/ MAT/ XAT/ any other equivalent test) and GD/ PI
- Candidates can apply on the prescribed form on the basis of valid score of above tests.

FACULTY OF DENTAL SCIENCES (FDS) Manav Rachna Dental College (MRDC)
MRDC was established in 2006 & is recognized for BDS Degree and MDS Degree by Ministry of Health & Family Welfare, Govt. of India and Dental Council of India and is affiliated to Manav Rachna International Institute of Research and Studies Faridabad (MRRIRS). The primary aim of this College is to produce competent dentists, specialists, & super specialists. It has endeavoured to create all facilities conducive to learning and furtherance of knowledge by contributing towards national health care delivery system, providing efficient and expert medical services through the associated hospitals. Besides, the College has incessantly been organizing a large number of conferences / symposia / colloquia to foster research & community dental health awareness. The College offers the following programmes:

- Bachelor of Dental Surgery (4 Year) (with provision of one month exchange programme with University of Malaya, Malaysia)
- Master of Dental Surgery (3 Year) Prosthodontics and crown & Bridge, Pediatric and Preventive Dentistry, Orthodontics & Dentofacial Orthopedics, Periodontology, Conservative Dentistry & Endodontics
- Certificate Course in Oral Implantology (1 Year)
- Certificate Course in Laser Dentistry certified by WCCLI & MRDC (1 Year)
- Certificate Programme in Dental Aligners (1 Year)

NOTE: 1. Candidates belonging to SC/ST category shall be eligible for relaxation of 5% in the eligibility criteria for Admission to all UG, PG and Ph.D. programmes.

2. Candidates belonging to OBC category shall be eligible for relaxation of 3% in the eligibility criteria for Admission to all UG & PG programmes.

3. Candidates belonging to category of Single Girl Child, Sports, Wards of Defense Personnel and Paramilitary forces shall be considered for relaxation up to 5% in the eligibility criteria for Admission to all UG & PG programmes on case to case basis.

Note: The eligibility criteria for the candidates qualified from IB Board or Cambridge International Examinations (IGCSE) shall be considered as specified below:

For IB Board: Student should have secured a minimum of 24 points/credits with minimum of three subjects passed at Higher Level (HL) and three of Standard Level (SL).

For Cambridge International Examinations (IGCSE): Minimum % shall be same as that for CBSE candidates. Candidate must be passed in minimum 5 subjects at ’O’ level and minimum 2 subjects at ’A’ level. These are mandatory to obtain equivalence certificate from AIU.
MANAV RACHNA UNIVERSITY

Manav Rachna University is a State Private University (established by Haryana State Legislature Act No 26 of 2014 & under section 2(f) of UGC Act 1956). The University has evolved from Manav Rachna College of Engineering (MRCE, established in 2004, a NAAC Accredited 'A' Grade Institution). MRU has been ranked among the top 3 Emerging Engineering Institutes of the country as per The Times Engineering Survey 2021.

Manav Rachna University is a QS l-Gauge Gold Rated Institution. The accreditations of erstwhile MRCE are testimonial to the trust of accrediting bodies in the quality of education being offered, a well-established teaching and learning process guided by the global best practices, a culture of academic excellence promoting research, innovation and entrepreneurship.

NAAC ('A' Grade) is testimonial to the institutional strengths in the area of teaching & learning process, R&D, infrastructure, student quality and progressive path to excellence. It provides parents, students and potential recruiters reliable information on quality of education being offered by the Institute and acts as key differentiators of the Institute’s standard of excellence.

With MRCE transforming into MRU, all the best practices get strengthened along with academic freedom to follow globally recognized and professionally relevant systems and processes.

SCHOOL OF ENGINEERING

- B.Tech. Robotics & Artificial Engineering* *subject to AICTE Approval

Note: 1. The Department of CST has collaborations with various Industries. Testimonial to this is the association with Infosys since 2009 for training the students and faculty members under the purview of the Infosys Campus Connect Programme. Under this programme, Infosys certified faculty members conduct special modules for grooming technical skills and soft skills of graduates, as per industry demand.
Students get hands-on in manual/automated testing by working on live projects.

*B.Tech in Electronics & Communication may change subject to collaboration with Truechip.

Electronics & Communication Engineering (In association with Truechip):

Department of Electronics & Communication is in process of associating with Truechip for B.Tech ECE specialized program* in VLSI technology, IP testing, and verification. True chip, the Verification IP specialist, is a leading provider of Design and Verification solutions. Training Areas include verification and description languages along with, Perl, C, C++, Unix shell scripting and automation. It includes both Front and back EDA Tools like Cadence, Synopsys, Mentor - Questa, Modelsim, FPGA Synthesis.

Take-aways by students

i. Hands-on training from industry experts on industry-leading tools from Mentor Graphics/ Cadence/ Synopsys Tools with Verification System Verilog and UVM based Training

ii. Confirmed Employment Program for VLSI Design, with average Package: 4 Lakh per annum.

SCHOOL OF APPLIED SCIENCES

- B.Sc. (Hons.) (3 year): Physics, Chemistry and Mathematics
- M.Sc. (2 year): Physics, Chemistry and Mathematics

Note: The University of Winnipeg and Manav Rachna University (MRU) have signed an articulation agreement for the B.Sc. (H) Mathematics program. MRU-UW students admitted to the Mathematics program shall complete their first year of studies at MRU and the latter two years at the University of Winnipeg. This International exposure shall provide a platform to the students for a global connect.

SCHOOL OF LAW

- B.A. LLB (Hons.) (5 year)
- BBA LLB (Hons.) (5 year)
- LLB* (3 year)
- LLM (1 Year)

(i) Commercial Arbitration
(ii) Constitutional Law
(iii) Corporate Law
(iv) Criminal Law

*Subject to BCI approval.

SCHOOL OF MANAGEMENT & COMMERCE

- BBA (Health Care Management) (3 year) (See Note-2)
- BBA (Finance & Accounts) (3 year)
- BBA (Entrepreneurship & Family Business) (3 year) (See Note -3)
- BBA (Global Operations Management with specialization in Supply Chain Management, Logistics & Projects Management)

Note: 2. BBA Health Care Management Supported by leading hospitals of Delhi NCR.

Note: 3. In Association with NIESBUD, NEN, MSME

SCHOOL OF EDUCATION & HUMANITIES

- B.Ed. (2 year) (See Note-4)
- B.Ed Special Education in Learning Disability (2 Year)
- B.Sc. B.Ed. Integrated (4 year) (See Note-4)
- B.A. B.Ed. Integrated (4 year) (See Note-4)

Note: 4. With opportunities for teaching practice, internship and preferred placements in various Manav Rachna International & Kunskapskolans schools.
MANAV RACHNA INTERNATIONAL SCHOOLS

MANAV RACHNA INTERNATIONAL SCHOOLS - Schools for the future with Indian mind and soul

"Excellence does not happen; it is the result of our sincere, consistent and mindful efforts."

This is the underlying belief that is clearly reflected in all Manav Rachna International Schools, be it the state-of-the-art infrastructure or a rigorous blend of curriculum. We help the child to identify his own potential, nurture his innate abilities and thus create a happy individual by providing a safe and conducive environment which optimizes both, the 'development' and 'delight' quotients. Being a futuristic and progressive school, Manav Rachna has adopted many innovative practices that help the child in addressing the current and future challenges.

We create self-directed, independent learners who are equipped with global values, beliefs and life skills to grow into responsible and responsive human beings.

INSPIRING FUTURE@ MRIS - A COMMITMENT

Dedicated to create high quality, accessible and relevant learning opportunities, Manav Rachna International Schools (MRIS) enable students to connect theory with practice and apply fresh perspectives to solve day to day problems. Guided by innovative spirit and ahead-of-the-curve thinking, MRIS stands tall in its relentless quest for academic excellence & holistic development. Located in the lap of nature, the MR school campuses are picturesque and serene, with avant-garde architecture, and are equipped with the finest technologies to catalyze the experiential learning process. Aided by scientifically designed pedagogies and advanced curricula, the graduating students continue to push the boundaries of conventional learning, while honing their skill-set and emerge as sincere, diligent leaders team workers.

MANAV RACHNA SCHOOLS - AN INTEGRATED EDUCATIONAL PARADIGM

Manav Rachna International Schools (MRIS) set the standard for school learning. Our unwavering commitment to innovation, quality and safety has earned us the trust of the most respected organisations, bodies, students and parents. We foster a nurturing, embracing learning environment that helps every student to flourish through academic collaboration with CREST and Future Skills & Sustainability. MRIS has expanded to a network of eight schools across Faridabad, Gurgaon, Noida, Ludhiana and Mohali.

EDUCATION 2.0 AT MRIS

Ease of Virtual Learning

The Pandemic took us off-guard and brought about unprecedented changes in all spheres of our lives. April 2020 catapulted us into virtual space big time. While schools were shut down, learning had to continue. The transition from offline to online schooling in Manav Rachna International Schools, though sudden, was smooth because technology and its usage had always been an integral part of our teaching learning process. Overnight shift was demanding - it called for greater planning, online infrastructure (platform to run classes) was required to be put in place and teachers trained. Manav Rachna International Schools rose to the occasion and could master the obstacles in no time. From the brick and mortar school we shifted to Microsoft Teams school with support from all our stakeholders - students, parents and faculty. Teething problems, wherever and whenever they cropped were handled together. Role reversal was also seen at times when students taught their teachers troubleshooting technical glitches.

Today we have come a long way and are an year older and wiser in technical usage. Learning apps and digital tools are an important feature of our pedagogy and intricately blended with concepts across subjects. Navigating the Google Earth, or the Math Geoboard, collecting student responses through apps like quizzes, Kahoot, Answergarten or Mentimeter or polls or videos on Flipgrid or monitoring classroom behavior through apps, or exploring book publishing apps, learning at MRIS (online or offline) is always active, reflective and engaging.

MRIS schools are affiliated to CBSE and accredited with AdvancEd, a US-based non-profit and non-partisan global organisation. Following are the AdvancEd Performance Standards followed at our schools that lay the foundation for improvement in planning and implementation at the Leadership Capacity Domain, Learning Capacity Domain, and Resource Capacity Domain.

FUTURISTIC, INTEGRATED, CHALLENGING, FLEXIBLE, & COMPREHENSIVE CURRICULUM

Manav Rachna International Schools have a challenging, comprehensive curriculum with global dimensions that accommodates diverse learning needs of students and makes teaching learning a joyful experience for students and teachers. Age appropriate learning opportunities supported with curricular activities and the most modern infrastructure lays the foundation of quality teaching learning in all the schools.

- SOCIAL INITIATIVES
- ACTIVE PARENT INVOLVEMENT
- CAREER COUNSELLING
- APTITUDE ASSESSMENT

- STEM INTEGRATION
- DEVELOPMENT OF COMPUTATIONAL THINKING SKILLS
- ADVOCACY OF SUSTAINABLE DEVELOPMENT GOALS
- GLOBAL APPROACH WHILE STILL VALUING INDIAN ROOTS

- SECURED ONLINE CLASSES ENSURED
- SECURED OFFLINE PREMISES ENSURED
- MEDICAL SAFETY ENSURED BY SCHOOL INFIRMARY
- PSYCHOLOGICAL SAFETY (CYBER & OFFLINE) ENSURED BY SCHOOL COUNSELLORS

- CONTINUOUS ASSESSMENT & FEEDBACK
- ACADEMIC WORKSHOPS, ACTIVE USE OF LEARNING APPS & FLIPPED CLASS ROOMS
- PEER LEARNING, PROJECT BASED EXPERIENTIAL LEARNING
- INTEGRATED CURRICULUM
- DIFFERENTIATED LEARNING
INCLUSIVE EDUCATION
We believe in addressing the specific learning needs of every student. The Special Educators work closely with educators and offer to bridge the gap between classroom learning and the student’s challenges by offering I.E.P (Individualized Education Programmes) for each individual student to be monitored by the special educators. The specially-trained educators & counselors work towards students’ abilities and needs. Hence, at MRIS we take each student by the hand to further his skills and soar into the horizon of seamless possibilities.

SPORTS AND WELL BEING
Sports are an inherent part of the curriculum at MRIS and meet the psychological, and sports training needs of students. The Manav Rachna Sports Academy and Manav Rachna Shooting Range nurture students’ sporting talents. There are facilities for indoor (Shooting, Chess, Carrom, Gymnastics, Badminton, Table Tennis) and outdoor (Swimming, Taekwondo, Skating, Archery, Tennis, Basketball, Soccer) games facilities. Specialised coaching via International/ National coaches is also provided.

RANKINGS

INVITING ALL GAME CHANGERS

Why MREI?
INDIAS PATH BREAKING EDUCATIONAL ENTITY

FROM ARTIFICIAL INTELLIGENCE TO SUSTAINABILITY TO SOCIAL PROGRESS, THE FUTURE IS FULL OF POSSIBILITIES - AND UNCERTAINTY. AS A GRADUATE HERE, YOU’RE UNIQUELY POSITIONED TO RISE TO THE CHALLENGE: DEEPLY CURIOUS, ALWAYS ENGAGED, AND BOLDLY DRIVEN TO MAKE THE WORLD BETTER. JOIN THE THOUGHT LEADERS AND EDUCATIONAL INNOVATORS, INVESTED IN THE FUTURE OF SOCIETY. THE PROGRAMME AND CLASS DESIGNS BRIDGE THEORY TO PRACTICE, PROVIDING A POWERFUL EDUCATIONAL EXPERIENCE. REALISE IT HERE AT MREI.
Microsoft Corporation (MS) is an American multinational technology company. It is involved in development, manufacturing, licenses, supports and sells computer software, consumer electronics, personal computers, and related services. Its best-known software products are the Microsoft Windows line of operating systems, the Microsoft Office suite, and the Internet Explorer & Edge web browsers.

MRRU and Microsoft have joined hands to introduce a new course(s) B.Tech. in CSE (Hons) with specialization in Artificial Intelligence and Machine Learning, Cloud Computing which are specialization program designed to better equip students with the next generation of technologies like building intelligent machines, domain knowledge in cloud architecture and IoT environments, software and applications with a cutting-edge combination of machine learning, cloud computing, analytics & visualization technologies.

As per the partnership Microsoft will provide the university with knowledge expertise and training resources on cutting edge technologies leveraging on its decades of expertise in the field of computing. MRRU students will be provided learning opportunities in real world work situations that will keep them abreast of the latest skills and knowledge of using Microsoft tools and resources. To adequately prepare themselves for the Industry qualifying students will be given the chance to participate in the technical activities, competition, internship and placements. The company’s long-standing commitment towards a better-informed generation of talented workforce will be the basis of this collaboration.

SofCle Lab: The Computer Science & Technology Department, MRRU collaborated with Sofacle Labs in the areas of enablement of Blockchain Learning and Ecosystem Development. A Blockchain Center of Excellence (CoE) will be set up at MRRU campus with a vision to create Blockchain HUB in North India, acting as a center for deep & industry-focused learning, an incubator for new ideas. Sofacle will offer Blockchain courses for students and certification. Students will have access to remote Blockchain Lab and code repositories. Sofacle Labs will host Blockchain events, conferences, and Hackathons.

Atmel: India University program for sponsoring labs & organizing FDPs, events, workshops on ATMEGA 168P and SAM D21 Microcontrollers.
IBM, a well-known multinational conglomerate having a turnover of more than US $100 billion with Headquarters at New York, US, has tied up with MRIRS to jointly offer B.Tech. Computer Science & Engg. (Hons) with specialization in Digital Forensics & Cyber Security. IBM primarily having worldwide business in Computer Hardware/Software, IT Services and IT Consulting shall provide LMS, Train the Teacher Programme, Student Projects, Expert Lectures, Industry connectivity for students and teachers to enable them to experience the live IT Environment. The arrangement shall help students to acquire domain skills in the most advanced areas of IT and preferential placements by IT companies. Students enrolled in this programme shall have access to an online Eco-system Platform namely Innovation Center for Open Standards enabling them to access course material, discussion forums, student projects, industry mentors and news-clips. IBM shall also issue certificates for various modules after their successful completion.

Xebia is a specialized global IT Consultancy and Services company focusing on Enterprise development, Agile development, DevOps, and Outsourcing services. The passion for in-depth technology in combination with Lean, Agile and Scrum practices are Xebia’s driving factors and competitive edge. The curriculum and coursework for specific course modules of the specialized programs has been developed by Xebia. Xebia organizes tech talks, seminars and technical webinars by Industry experts to connect students’ learning with industry trends. Xebia also provides Internship support and Placement opportunities for students within Xebia and Client-Partner network.

Truechip, the Verification IP specialist, is a leading provider of Design and Verification solutions-which help you, accelerate your design, lowering the cost and the risks associated with the development of your ASIC, FPGA and SOC. Truechip is a privately held company, with a global footprint and sales coverage across North America, Europe & Asia. Truechip has been serving customers since the last 10 years in VLSI with a strong and experienced leadership. Truechip provides industry’s first 24x5 support model with specialization in VIP integration, customization & SOC Verification. True Chip has tied up with the Department of Electronics and Communication Manav Rachna University to jointly offer B.Tech. Electronics & Communication Engineering with specialization in VLSI Design & Verification. The company is also providing the Letter of Intent at the time of admission, Confirmed Employment Program for VLSI Design.

Sahai Research Labs is involved in promoting research and development of low cost and affordable healthcare devices and technologies. SAHAI RESEARCH LABS is a research focused organization committed to develop low cost healthcare products and technologies aimed at transforming lives of poor & needy people across the globe. They work across the industry verticals in areas like IoT, FPGAs, Embedded Systems, High Level Synthesis etc.

Sahai Research Labs has collaborated with the Department of Electronics and Communication, Manav Rachna University to jointly offer Tech Electronics and Communication Engineering Hons. with Specialization in Healthcare Technology (developing medical electronic devices for healthcare support using AI/ML) etc. The company will offer Entrepreneurship support through Patent and Startups, Stipend during prototype development, Certified industry internship, industry driven projects and many more
Computer Science & Technology Department, MRU collaborated with Coding Ninjas to establish the Coding Ninjas Center of Excellence for achieving organizational excellence in the field of Placement Preparation for Product-Based Companies. Center of Excellence is to increase awareness about the importance of Coding and Technical skills amongst the students. Students will get access to Videos, Notes, MCQ based and coding questions on LMS. Regular assessment will test the students’ learning and 1-1 mentor support to clear their doubts and will also receive industry recognized certificates of completion and excellence after the completion of their course.

Infineon: A Memorandum of Understanding (MoU) was signed between Manav Rachna International Institute of Research and Studies (MRIIRS) and Infineon Technologies Asia Pacific Pte. Ltd. to establish an ‘Infineon Centre of Excellence’ at the MRIIRS campus. The purpose of this collaboration is to work on multiple joint projects to nurture India’s future generation of power electronics engineers and to enhance academic and industry co-operation.

This Centre will ensure hands-on practical exposure for the students and help them acquire the new technologies being practiced in the semiconductor industry. Infineon is a world leader in semiconductor solutions that make life easier, safer and greener. This initiative shall provide a platform to students to enhance their skills and get access to world-class training. Selected students will be offered internships by Infineon Technologies. Students will be empowered through regular workshops and expert lectures on the semiconductor industry.

Altair Centre of Excellence is a joint venture of Manav Rachna University, Design Tech and Altair. The centre aims to carry out R & D work by providing a software and cloud solutions in the areas of product development, high performance computing (HPC) and data intelligence. Altair Engineering Inc. global technology company that provides product design and engineering solutions, enterprise services and cloud computing. The centre provides exposure to both faculty members and students of MRU campus on latest developments in the field of simulation and optimisation of product design and structural analysis. The centre provides a lot of opportunities for students to carry out various projects and to flourish that, product design courses have been incorporated in the Undergraduate and Post Graduate curriculum of students.

INTEL Internet of Things (IOT) Manav Rachna International Institute of Research and Studies is collaborating with Intel® Corporation for launching a B.Tech Program in Electronics and Communication Engg. (Hons) with specialization in Artificial Intelligence and Internet of Things. This Course provides an opportunity to the students to learn the insights to the most important technologies driving the modern world namely Artificial Intelligence and Internet of Things. Students will be given 360 degree exposure to various Intel Hardware and Software platforms that are used in Industry for AI and IoT development. In the IoT Space the students will get to learn about Intel Galileo, Intel Edison Boards along with other popular boards like Raspberry Pi and Arduino for designing IoT Systems.

DAIKIN. MREI has recently collaborated with Daikin Air Conditioning India Pvt. Ltd. to set up a Centre of Excellence in Refrigeration & Air Conditioning. COE aims to provide requisite and skilled manpower to the Air Conditioning Sector. It will ensure hands on practical exposure for students & help them acquire the new technologies.
BSE: In pursuit of bringing the best education to its students, MREI have initiated a tie-up with BSE Institute, the education & training wing of Bombay Stock Exchange which is the oldest and the largest (in terms of companies listed & fastest stock exchange in the world) to offer both short term and medium term courses in the Finance space which are both skill as well as employment oriented. This will give the students of Manav Rachna an opportunity to gain from their invaluable wealth of knowledge and experience. BSE Institute also plans to invest not only in class room education but also in creating a lab with semi-liv data which will help students gain practical knowledge of the markets & online trading.

Infosys: Manav Rachna has been associated with Infosys since 2009 for training the students & faculty members under the purview of the Infosys Campus Connect Programme. Under this programme, Infosys certified faculty members conduct special modules for grooming and soft skills of graduates, as per the industry demand. Manav Rachna International University is offering a number of elective courses under the same flagship. Infosys has also sponsored faculty members for participation in international conferences.

HMSI: The department of Automobile Engineering of Manav Rachna International Institute of Research and Studies in association with Honda Motorcycle and Scooter India Private Limited (HMSI) has opened centre for Automotive Training & Research. In this association HMSI will provide technology support to MIRIS for setting up training and research infrastructure for MIRIS students. This association provides a platform to students of Mechanical/ Automobile/ Electronics & Electrical branches to take up research projects in emerging areas in association with HMSI. This Automotive Training & Research will offer short-term courses for two-wheeler technicians and high-end courses for executives of HMSI. The offered courses will provide hands on training on servicing of two wheelers with their fault diagnosis and rectification. This will also update the frequently changing technological advancement in the auto sector of senior executives of HMSI and their associates. Research areas will be focused on improving efficiency of engines, alternative sources of energy with improved design features of vehicle and its components.

Inter Continental Hotels Group (Crowne Plaza Hotels) Manav Rachna International Institute of Research and Studies and Inter Continental Hotels Group (Crowne Plaza Hotels) have entered into an Academic Partnership to provide opportunities to the Hotel & Hospitality Administration students to build their hospitality skills and improve their employability. The MoU will open up exciting avenues for the students of B.Sc HHA for acquiring rare skills and finesse from senior professionals in a truly International Chain, IHG. Also the hotel brand is sure to benefit from creation of a talent pool possessing skills of exacting standards of this thriving industry.

R-Systems: MREI have signed a MoU with R Systems International Ltd., Noida for enriching the technical education process by providing industrial training to the students and jointly work on research based industrial projects. R Systems, is a specialized IT Services & Solutions and IT-enabled Services provider catering to a wide range of global customers. The company provides software development and maintenance support to many of its prestigious clients & medium sized businesses.
EdGate Technologies Pvt. Ltd. has signed an MoU with MIIIRS for setting up a joint Lab entitled “Texas Instruments Embedded System/Microcontrollers” at MIIIRS premises. EdGate Technologies Pvt. Ltd. provide equipment and training material to set up the lab based on TI platform and to provide initial training and learning material to begin the instructions. EdGate Technologies Pvt. Ltd., will help the university to organize training programmes/tutorials, workshops & faculty development programmes in its premises for faculty members of MIIIRS (formerly MRLU) & other Engineering Institutions to teach topics related to TI platform.

Trans Neuron Technologies, The Mechanical Engineering Department, Manav Rachna University has signed MoU with Trans Neuron Technologies for the Industrial Automation certification program for B. Tech Smart Manufacturing & automation students. Trans Neuron is a Learn to Launch (L2L) Company, which aims to transform students & jobseekers into industry-ready professionals by providing them with adequate backing to take that journey. It helps the youth to obtain industry-relevant certifications, by giving them an opportunity to try a hand at industry projects and internships. It provides 120 hrs modules of classroom session, lab sessions, webinar/seminar to smart manufacturing and automation students.

Mitsubishi Electric India (MEI)- MEI set up an Advanced Automation (Factory Automation) Lab in the campus. Through this lab, the students will get the opportunity to work on advanced IQR setup which is used for Automation in the Industries. Consequently, they will have better employability prospects & hence better career.

Several workshops and FDPs on “Advanced Modular PLC”, Servomotors & VFD, Process Control & SCADA systems have been organized in collaboration with Mitsubishi Electric India. So far, more than 500 students & faculty members have been benefited from these activities. Industrial training in Factory Automation Lab (Centre of Excellence established by Mitsubishi) is also being conducted for final year students to enhance their employability prospects.

Our students actively participate in “Mitsubishi Electric Cup”, a National level project competition held by Mitsubishi every year. The students and faculty members of MIIIRS have access to webinars conducted by Mitsubishi Electric India.

SIDBI Small Industries Development Bank of India (SIDBI) is an independent financial institution which aims to aid the growth and development of micro, small and medium-scale enterprises in India. In order to promote entrepreneurship among the post graduate students of management Manav Rachna University, SIDBI organized various events such as essay writing competition, debate & elocution competition.

National Institute for Entrepreneurship and Small Business Development (NIESBUD) is a premier organization of the Ministry of Skill Development and Entrepreneurship, engaged in training, consultancy, research, etc. in order to promote entrepreneurship. The Department of Management & Commerce, Manav Rachna University has undergone various events for its faculty members and students, under the major activities of the NIESBUD which are Training of Trainers, Management Development Programmes, Entrepreneurship-cum-Skill Development Programmes & Entrepreneurship Development Programmes.
Motherson Sumi Infotech, Manav Rachna University has linkages with Motherson Sumi Infotech Ltd. to work in the area of Business Process Management and Business intelligence.

NSDC: Manav Rachna Educational Institutions (MREI) has played a crucial linking role between NSDC, Swedish Industries and other Indian Private Universities. To make vocational education more effective, Kunskapskolalan Education Sweden (KED) and MREI are jointly implementing the unique KED program after necessary adaptation in State Government run schools in India. A pilot project to be run in the State of Haryana has been formalized. NSDC will facilitate and manage the implementation of this pilot through Haryana Schools Education Department.

All India Management Association (AIMA)
MR Institutions are closely linked with AIMA and its Faridabad chapter (FMA). Faculty members attend various seminars, symposiums, conclaves and development programmes organized under the aegis of AIMA.

NEN: National Entrepreneurship Network (NEN) has collaboration for mentoring and guiding students for establishing startup companies. They conduct webinars, workshops and guest lectures for sensitizing and developing entrepreneurial attitude among students and select e-leaders. NEN conducts faculty development programs for enhancing the capacity of faculty members in this area and trains them to become NEN certified mentors.

ASDC: An MoU has been signed between Manav Rachna Skill Development Centre & Automotive Skills Development Council (ASDC) to offer skill development training program for employment in Automotive Sector.

NHRDN: MBA students participate in various inter-college competitions and faculty members attend various workshops conducted by NHRDN. Executive committee members of NHRDN visit the campus and interact with MBA students.

IPSC: MREI has signed an MoU with the Indian Plumbing Skills Council (IPSC) to develop skilled manpower in the plumbing sector.

SPEFL-SC, Sports, Physical Education, Fitness Leisure Skills Council (SPEFL-SC), a skill development council for the Sports, Physical Education, Fitness & Leisure Sector, promoted by the Federation of Indian Chambers of Commerce & Industry (FICCI) and funded by the Government of India through National Skill Development Corporation (NSDC), enter into the agreement with FAS (MRIRS) to offer skill development training programs for employment in Sports, Physical Education, Fitness & Leisure Industry Sector, for which both SPEFL-SC and MRIRS shall deploy their core competencies. MRIRS shall be Training Partner for conducting training programs, organizing the assessment & certification of Trainers and trainees from SPEFL-SC. Sports Skill Council has declared MRIRS as its stand-alone centre in view of the facilities available for training.

AWS: Computer Science & Technology Department, MRU has adopted Cloud Computing curricula from the Amazon Web Services (AWS) Educate global initiative into its mainstream university syllabus to help develop the next generation of cloud professionals. The cloud computing content from AWS Educate has been offered as part of Bachelor of Technology (B.Tech.) in Computer Science and Engineering program, since 2020.
Green Chemistry Network Centre MRU has launched the Green Chemistry Network Centre (GCNC). The programmes of GCNC emphasize the role of engineering professionals in the progression of Green Chemistry thereby offering reduction of waste materials and energy, which in turn will lead to cost reduction and improvement in profit margins. CSIO Chandigarh - Aspherical Optics Lab. Manav Rachna has research based collaboration for Design and development of Aspherical lenses for studying of interference phenomenon.

CYPE MEP: The Mechanical Engineering Department, Manav Rachna University has signed MoU with CYPE MEP (Mechanical, Electrical and Plumbing). CYPE CAD MEP is a program for the design of the envelope, distribution and services of the building using an integrated 3D model with the various elements of the building. They are offering free license of Software for students and faculties and organize webinars in the areas of HVAC, green building etc.

LSAC-Global Law School Alliance: Faculty of Law has collaborated with the Law School Admission Council through LSAC-Global Law School Alliance, as a founding member.

The objectives of the alliance is to enhance academic quality right at the level of admissions & to forge academic partnership with renowned international law schools and affiliates. The academic partnership is directed to building capacity and enhance the learning experience of the students.

Asian Institute of Medical Sciences: Manav Rachna University has collaborated with Asian Institute of Medical Sciences to provide scholarship and job opportunities to students of BBA Healthcare Management. The arrangement shall help students to acquire hands on learning and skills in quality control, patient service, marketing, Materials & Inventory control, Human Resource, IT, Finance, Front Office, pharmacy management etc of Hospitals. Students enrolled in this programme get practical exposure & real life learning in the hospital environment. Industry faculty experts provide support in review and upgradation of course curriculum and support in course delivery of specialization subjects. Students have access to course material, discussion forums, student projects, internship certification and support from industry mentors during internship. This collaboration results in students being industry ready which is the need of the hour, thereby adding value to students & the healthcare industry.

Srijan Sanchar: Department of Electronics and Communication, Manav Rachna University & Srijan Sanchar have collaborated for research and industrial live projects in several domains of Electronics and communication. A Memorandum of Understanding was signed to offer the projects and Center of excellence at Manav Rachna University.

Srijan Sanchar provide support MANAV RACHNA UNIVERSITY to connect with Industries, entrepreneurs, Industry associations, and other institutions of learning's to collaborate on research projects and in setting up of Centers of Excellence and incubator. The objective of this association is to leverage the potential of research and design inputs to enable industry to move up the value chain through industry academia collaboration. A framework for facilitating industry academia interface for the department has been outlined with various research projects by Central Electronics Limited. Central Electronics Limited is a Govt. of India Enterprise under the Department of Scientific and Industrial Research (DSIR), Ministry of Science & Technology. CEL has developed several products for the first time in the country through its own R&D efforts and in close association with the premier National & International Laboratories including Defense Laboratories.
National Council for Cement and Building Materials (NCCBM), Ballabgarh, NCCBM is the premier body under the administrative control of the Ministry of Commerce and Industry, Govt. of India, for technology development, transfer, continuing education & industrial services for cement & construction industries. Collaboration covers submission of collaborative research projects, students training, FDPs, availability of Instrumentation facilities, Laboratory and Library facilities and other aspects of capacity building in order to bridge Industry-Academia gap.

NCCBM's areas of work span over the entire spectrum of cement manufacturing and usage - starting with geological exploration of raw materials through the processes, the machinery, the manufacturing aspects, energy and environmental considerations to the final utilization of materials in actual construction, condition monitoring & rehabilitation of buildings and structures.

Quick Heal: Computer Science & Technology Department, MRU offers B.Tech. Computer Science & Engineering with specialization in Cyber Security & Threat Intelligence, in collaboration with Quick Heal. Quick Heal is a leading provider of Security Software Products and Solutions, under the widely-recognized brand names 'Quick Heal' and 'SEQRITE' across various operating systems and devices. With the growing use of computer and information technology in various aspects of daily life and at a point when there are growing concerns about cyber security, it is paramount that we wake up and take steps to protect cyber infrastructure and this is only possible through training in various domains of Cyber Security. The curriculum for specialization courses has been designed by Quick Heal. Cyber security experts from Quick Heal train the students on these courses, giving the exposure to real case studies in this domain. Quick Heal also supports students in Internship and Placement.

IPRA: Manav Rachna Centre for Peace and Sustainability has collaborated with Institute of Peace Research and Action (IPRA). IPRA is the organization that is engaged in peace activities since last five decades. IPRA contributes in dissemination of knowledge in the area of peace, and has completed many successful projects and published books in the area of Sensitizing society on Peace. The have conducted seminars and organized peace lecture series involving faculty and staff of reputed organizations. The collaboration of MRU and IPRA will be for collaborative research and developmental projects National/International Conferences/Seminars jointly.

ICT Academy: Manav Rachna University has entered into Partnerships with ICT academy to enhance value and learning experiences for students and enrichment of faculty. ICT Academy is an initiative of the Government of India in collaboration with the state Governments and Industries. ICT Academy is a not-for-profit society, the first of its kind pioneer venture under the Public-Private-Partnership (PPP) model that endeavours to train the higher education teachers and students thereby exercises on developing the next generation teachers and industry ready students. ICT Academy has been working through a seven pillar program in the areas of Faculty Development, Student Skill Development, Entrepreneurship Development, Youth Empowerment, Industry-Institute Interaction, Digital Empowerment and Research & Publications.

Industry Bodies & Major Companies: Besides the above Corporates/Institutions, MREI has strong linkages with various Industry Bodies like the Federation of Indian Chambers of Commerce (FICCI) and Software Giant TCS & many other renowned names. Various departments of MREI conduct a variety of Seminars, Conferences in association with these Organizations. This association results in huge value addition to our academic programmes.
BEGIN YOUR CAREER

Be future ready and prepared to step into your dream job when you graduate.

INDUSTRY - ACADEMIA GAP REMAINS TO BE ONE OF THE MOST TALKED ABOUT FACTORS IN THE EMPLOYABILITY SCENARIO IN THE COUNTRY. MANAVRACHNA EDUCATIONAL INSTITUTIONS (MREI) NOT ONLY PROVIDES A WORLD OF OPPORTUNITIES TO STUDENTS, BUT ALSO AIDS AT EQUIPPING THEM WITH THE RIGHT BLEND OF SKILLS, TO ENCASH EVERY OPPORTUNITY THAT COMES THEIR WAY. CAREER DEVELOPMENT CENTRE AT MREI, ENGAGES WITH THE INDUSTRY AND CONSTANTLY STRIVES FOR EXPANDING THE INDUSTRY - ACADEMIA INTERFACE.
Office of International Affairs

OIA is a constituent facilitation unit of Manav Rachna Educational Institutions (MREI) which primarily looks after all matters relating to initiation, development, establishment and sustenance of relationships and tie-ups with Foreign Education providers and their representatives in India and abroad. OIA provides a single window service facility to all its international students through the Office of International Affairs, OIE. With its global outlook and reach, MREI have much to offer in the way of learning opportunities both inside and outside the classroom at Doctoral, Post Graduate and Under Graduate level in a truly international environment. It aims to develop and sustain viable, strong and long term International relations in the field of education that will benefit the students. The major role of OIE is to enhance MREI’s International image on a local and International Platform, explore new relationships, establish communications with International Educational organizations and providers and also explore avenues to attract students from abroad so as to truly live up to the Institution’s international image.

AT MREI, THE AREAS OF INTERNATIONAL COOPERATION INCLUDE:

- Student and Faculty Exchange,
- Online Classes, webinars, FDP’s and online training by Eminent Professors of International universities
- Joint Research activities and consultancy Projects,
- Cooperation in Curriculum Development
- Twinning Programmes,
- International Training for students and faculty of MREI,
- Recruitment of International students,
- International Accreditations of MREI,
- Promotion and Branding of MREI at international level & other academic related activities.

The Office of International Affairs also endeavors to explore and develop potential Partners for joint ventures in India and Abroad. Besides, it arranges Foreign Faculty for Guest Lectures at MREI and tie ups for International Accreditations and Recognition. MREI has entered into partnerships and tie ups with various foreign universities and institutes across globe including USA, UK, Australia, Canada, Finland, New Zealand, Mexico, Turkey and many more.

We at MREI, realize it as our additional responsibility towards our International students as large numbers of foreign students join our University every year.

Keeping in view our responsibility and commitment towards International students, the International Students Welfare Committee has been set up. It is run by experienced professionals with a well-rounded global exposure to attend to foreign student’s personal, administrative and academic matters/issues/problems in the University Campuses be it at the time of their induction, joining or thereafter during their stay at MREI.

The MREI authorities leave no stone unturned in developing and coordinating activities to create and enhance a globally aware & culturally diverse educational environment especially for the foreign students.

Community Radio Station: Radio Manav Rachna 107.8 FM - “Feel good Feel live”, is a 24X7 Community Radio Station powered by Manav Rachna Vidyantariksha. Radio Manav Rachna (RMR) is dedicated to community service and is the voice of the community that serves with thoughtful and insightful programming. The programming of the radio station is sensitive to the needs and problems of the Community.

Being the first and only Radio Station in Faridabad covering approximately 25 kms aerial (Faridabad and Ballabgarh). Radio Manav Rachna 107.8 has a reach of mix population of Faridabad comprising of Urban, Semi urban and Rural population. Radio engages with the community on a daily basis, creating an emotional and imaginative bond with Listeners. Now after completing more than a decade (established in 2009) Radio Manav Rachna 107.8 FM, has made a prominent place in the heart of listeners with choicest content rich programs which are socially relevant and believes in bringing a positive change in the lives of the listeners.

Health awareness is one of the prime focus areas. Doctors, Gynecologists and various para medical experts are invited for health-related programmes. Being a Community Radio a lot of emphasis is also given on social issues like Drug addiction, Anti-tobacco, Road safety, Environment, Sanitation, Women Empowerment, judiciary, Mental health, Counseling, Water Conservation, Blood donation, Education, Skill development, Smart city and many more. Presently during the time of pandemic Covid 19 various awareness programmes to fight against corona, Plasma...
donation, Corona Warriors have been taken up to sensitize the community. RMR is also a media partner for plasma donation with district administration. Various community development programs and projects have been taken up to spread awareness in Association with local administration Government and International organizations like Ministry of Central Health, Ministry of Ayush, Commonwealth Educational Media Centre for Asia and UNICEF to address community at large.

Radio Manav Rachna also strikes a unique chord with the youth and senior citizens as RMR understand their aspirations, dilemmas, challenges; they are often part of the bustling radio station and are interviewed on topics which are relevant and important to them. Many spiritually awakened community members are invited to discuss elements of divine awareness and better life. Working on a format of infotainment different programs on career counseling, parenting, culture and heritage, research and innovation, spirituality, sports, fitness, relationships etc are regular features of RMR broadcast. Every year a campaign is taken up by RMR on its foundation day which is carried the whole year to spread awareness. Many concerns have been addressed by such campaigns like Cancer Awareness, Tobacco Eradication, Women's health & Sanitation, Save Energy, Pollution, Swachhta Abhiyan, Literacy for all, celebrating the work of unsung heroes of society and many more. Radio Manav Rachna 107.8 FM is also working very closely with various Government organizations in disseminating information to the local masses through their promos/jingles. Radio receives the information to be disseminated and as per the protocol information is broadcast in its various verticals of programs like Education, Industry, Technology, Innovation, Administration, Life Skills, Culture and Heritage, Travel, Women Empowerment Counseling and many more during the day for public welfare. For example programmes with

1. Vikaspedia and Centre for Development of Advanced Computing, a premier R&D Organization under Ministry of Electronics and Information Technology (MeitY), Govt of India on Atam Nirbhar Bharat.
2. Community Radio Association, Ministry of Information and Broadcasting on Girl Education, a Room to Read Programme
3. National Small Industries Corporation (NSIC) on Business Hour,
4. Corporation Bank on Finance Mantra
5. NGO - REACH on T.B. Jaanewa nahi, Jaankaari hai bachao & Sahi Poshan, Desh Rashan,
6. NSCTC, Department of Science and Technology, Govt. of India on Nai Zindagi Nayi Dishayein (Women Health).
7. DAVP advertisements regarding Government Programme and Policies
8. Niti Aayog for awareness programme on Corona, Dengue, Malaria
9. FICCI movement for promoting Healthy Life
10. Regional Weather Forecasting Centre, Meteorological Department, India for Weather Forecasting
11. Faridabad Education Council for Teachers on Call Programme
12. Faridabad Administration regarding Plasma donation during COVID-19
13. BBC for various community programmes
15. Cancer Awareness programmes with Indian Cancer Society
16. SME schemes for Small, medium and micro enterprise

With a state of the art, energy enthusing colorful interiors and studios, RMR has spread its wings on the digital platform also by its YouTube channel "MR Infoline". This Channel further provides an added advantage to reach all seamlessly 24/7 on the web.
CAREER DEVELOPMENT CENTRE
Industry - Academia gap remains to be one of the most talked about factors in the employability scenario in the country. Manav Rachna Educational Institutions (MREI) not only provides a world of opportunities to students, but also aims at equipping them with the right blend of skills, to encash every opportunity that comes their way. Career Development Centre at MREI, engages with the industry and constantly strives for expanding the industry-academia interface. MREI is accorded with the profound responsibility of enhancing employability skills of the students - an aspect that in today’s world has taken as much prominence as the technical knowledge. Through a robust mechanism we impart training in Personality Development, Communication & Soft Skills, Verbal Ability, Quantitative & Reasoning Aptitude, spread across semesters, as an embedded part of every course available at MREI.

At MREI, living by the philosophy of “Nurturing Young Minds”, we firmly believe that it is both our duty and privilege to humble the unleashed potential of our youth capital to enable them to discover and foster their talent.

INTERNSHIIP AND PLACEMENTS AUTOMATION PLATFORM - SUPERSET
Superset platform is designed specifically to cater to sophisticated placement needs. It helps:
- Streamline Internship and Placements end-to-end: collect error-free/verified student data, automate SMS-email mobile communication, automate eligibility criteria, easy student applications, manage shortlists, track attendance, policy enforcement, offer management, surveys, calendar, Android + iOS app

ASSESSMENTS & PREPARATION FOR PLACEMENT
CDC has also tied up with leading skills assessment platforms to foster detailed Training Need Analysis of the students. These assessments evaluate students on various

EMPLOYABILITY TRAINING
employability skills. Crash courses and industry specific trainings are conducted before the start of the placement season so that the students are better equipped to handle placement opportunities.

CORPORATE RESOURCE CENTRE
CRC facilitates all the campus placement activities through its robust placement automation platform Superset. Superset platform is designed specifically to cater to sophisticated placement needs. It helps:
- Streamline Placements end-to-end: collect error-free/verified student data, automate SMS-email-mobile communication, automate eligibility criteria, easy student applications, manage shortlists, track attendance, policy enforcement, offer management, surveys, calendar, Android + iOS app

With the help of the superset portal, CRC maintains the students’ records of Higher Studies, Internship, Value addition certification and Entrepreneurship.

Trade, migration, technology & urbanization have completely changed the global employment scenario. The macro - economic environment continues to be challenged due to technological disruption. Today’s skills are becoming history in no time. Hence the issue of employability in this country has become a national epidemic and gained gigantic proportions. While 250 million youth shall join the job market in the next decade demanding very different skill sets.

Corporate Resource Centre at MREI engages with Corporates and enables students in fulfilling their dream to get a job offer through campus placements. The centre offers excellent infrastructure supports at every stage of the placement processes in arranging pre-placement talks, written test, group discussion, interviews etc.

CRC manages ongoing relationships with leading Corporates to provide guidance on latest trends and employment & training opportunities through Industrial visits, Industrial training & corporate lectures etc.
- 600+ patrons from reputed MNCs and Indian corporate
- 900+ offers have been made to Manav Rachna students of 2017-21 batch

MRRIS Student Testimonials (2021 Batch)

Dikshank Malhtra
B.Tech. ME - MRRIS
Placed in: Cognizant
I am grateful to both the faculty and the Training & Placement Department. They've made efforts ensuring maximum number of placed students. The university started grooming us for placements in the first few months, including courses such as Professional Excellence Program and Professional Skills Enhancement. I was completely confident & cracked the aptitude and technical tests and interview rounds due to the mock tests & interviews conducted by the Training & Placement Department and our faculty members. Manav Rachna International University provides a great platform for skills enhancement and to get a great learning experience.

Umesh Kaushik
B.Tech. CSE-MRRIS
Placed in: Cognizant AND TCS
Testimony and Experience with MRRIS: Manav Rachna International University is a place where you can find an amalgamation of learning. I feel great studying at Manav Rachna International University as it gives great opportunity as well as support from faculties and placement officers. The entire faculty and department leave no stone unturned to shape one's future. My four years at Manav Rachna have been a wonderful experience of learning with prolific exposure to outside. Huge respect, love and devotion for entire faculty members and department. Overall it was a great experience and lifetime memory at Manava Rachna.

Lakshay Gupta
B.Tech. ME-MRRIS
Placed In: Sonalika International Tractors Limited
[It was my immense luck and fortune to be the part of Manav Rachna International Institute of Research and Studies where I can grow. The entire faculty and department leaves no stone unturned to shape one’s future. My four years of B-Tech. at MRRIS have been a wonderful experience of holding lot of Unforgettable Memories of my life. Huge respect, love and devotion for entire faculty members and department. It’s their efforts that make me to count myself into better professionals.

*Hardwork = never vain*

Harsh Verma
B.Tech. CSE- MRRIS
Placed In - Coforge
The faculty is very cooperative making the campus environment very positive. The CRC and the placement coordinators continuously provide assistance regarding the placement. The CRC has made the best efforts to provide all the facilities for their students that could help them in achieving their dreams. I thank CRC for bringing me such a wonderful opportunity.

Dheeraj Kashyap
B.Tech. Automobile - MRRIS
Placed In - TCS
I feel blessed to have such a good offer even in this pandemic situation. Thanks to faculty of the university who always motivated me and CRC team for preparing us with aptitude and mock interviews.

Sankalp
B.Tech. CSE - MRRIS
Placed In - Coforge
My experience with CRC as a whole has been great. With regard to helpful mentorship that assisted me at every point. Its amazing to apply for jobs in many industry leading firms just from one place. And we can’t even fathom the amount of leg work goes into it behind the scenes that were made possible by our CRC department. So thank you for guiding me through this.

Sachin Kumar
B.Tech. ECE- MRRIS
Placed in : Cognizant
Testimony: I am very much happy with my offer. The Placement Cell has really helped me throughout the placement process. They were very much supportive of the students and even provided us with very effective study materials to prepare us for the placements. It is because of my Parents, amazing support from my Department and the Placement Cell that I am successfully placed today.

Jitesh Chauha
B.Tech. ECE-MRRIS
Placed in: Coforge
4 years at Manav Rachna have given me memories to cherish for lifetime. It gives me great pleasure to have experienced one of the finest sources of learning & opportunities. I am thankful to all my faculty members, my mentors and entire team of CRC to have backed me while I face the world.

Rishabh Monga (FET, CSE-MRRIS (BCSF))
B.Tech. CSE-MRRIS
Placed in: (Coforge (NIIT Technologies))
Good evening mam!
It’s been an honour to be a part of manav rachna institute. Each faculty is very supportive and placement cell is remarkable, we are provided with different opportunities during this lockdown process and I am very proud to be a part of this institution.

Thank you to each and every faculty for their support and guidance.

Subham
B.Tech. CSE- MRRIS
Placed In: Coforge Limited
With respect, I want to say that the experience with the CRC department is nice. They always provide valuable information to the students. So, personally, I’m satisfied with the CRC department’s functionality.

Aadarsh Kumar
B.Tech. CSE-MRRIS
Placed in- Cappgemini
It was a great time with Manav Rachna with some unforgettable memories.

I would like to thank Manav Rachna Placement Cell which has helped me to achieve the job I deserve and for their continuous support.

My sincere thanks to all the Faculty members of FET for their guidance without which it wouldn’t be possible for me to achieve this job. They have endured me with a lifelong career excellence. Thanks once again for placing me well in Cappgemini.

Prince

Placed in: Lido Learning
My experience with CRC has been great and they provided with multiple opportunities even in these tough times. Finally, I landed a job in Lido Learning with a great package all thanks to CRC.
Gauri Bhedula  
B.Tech, ECE - MIRIRS  
Placed In: Lido Learning  
I would like to give the  
credit of my placement  
to MIRIRS and CRC  
department, as it is  
through their various  
year-long dedicated efforts that I have been  
placed at the LIDO with a good package,  
even during the time of global pandemic  
where many qualified individuals got fired.

Varun Danwani  
B.Tech, CSE-MIRIRS  
Placed In: Coforge  
My experience with  
CRC Manav Rachna  
proved to be amazing.  
Teachers and mentors  
were helpful and warm which made the  
tense process of placement so fluid and  
led me to be placed at Coforge.  
I would like to thank the CRC department  
and all its members for such a great well  
managed placement drive.

Aniket  
B.Tech, CSE-MIRIRS  
Placed in: Craterzone Pvt. Ltd. - Noida, Delhi  
I am placed at  
Craterzone, a great  
experience from the  
placement department  
who have helped me to reach at this stage.  
Please find the attached photograph for  
your reference.

Avnish Sharma  
B.Tech, CSE-MIRIRS  
Placed In: TCS  
Testimony: CRC has  
helped the students  
during this pandemic  
by bringing in many  
renowned companies  
to the campus placement and they have  
helped the students with preparation with  
regards to how to crack the placement tests  
and interviews.

Nilofer Bano  
B.Tech, (Biotechnology)  
Company Placed: Healthians  
I would like to thank  
Manav Rachna and all  
faculties of  
Biotechnology  
Department for their constant support and  
guidance. I am highly thankful to the college  
for providing me the opportunity to show  
my talent and boost my confidence. I would  
like to thank Manav Rachna CRC placement  
department for giving me this wonderful  
opportunity. I am very grateful to them for  
effectively and sincerely helping me to grab  
first ever opportunity. Finally I have just got  
a placement in Healthians.

Drishti  
B.Tech, (Biotechnology)  
Company Placed: Healthians  
Manav Rachna has  
played very crucial role  
in developing me as a  
person. I have grown  
professionally and personally here. CRC  
team has been very helpful in achieving  
our goals, I got placed in Jaro earlier this  
year and this is my second placement.

Anoushka  
B.Tech, (Biotechnology)  
Company Placed: Healthians  
It is an immense  
pleasure and fortune to  
be a part of this  
institution where one  
can find amalgamation of learning. I feel  
great studying in Manav Rachna  
International Institute of Research and  
Studies as it gives great opportunities to  
young minds. I personally want to thank  
my Biotechnology faculty for inculcating  
knowledge and skills and making me  
capable for this opportunity.

Muskan Kumar  
B.Tech, (Biotechnology)  
Company Placed: Healthians  
Manav Rachna is the  
best university in every  
aspect

I am absolutely satisfied  
with each resource of university because  
of faculty members as all the faculty is very  
supportive and give their 100% in every  
aspect so that we can learn new things.

Good placements are offered to everyone.  
Infrastructure and everything of manav  
rachna is very good and has all types of  
sports and extracurricular activities.

Our Department of biotechnology has a  
wide range of laboratories namely Cell  
Biology Lab, Microbiology Lab, Fermentation  
Technology Lab, Molecular Biology Lab,  
Environment Biotechnology Lab,  
Bioinformatics equipped with world class  
instrument facilities like HPLC, Atomic  
Absorption Spectroscopy, IR Spectroscopy,  
Fermenters, Gel Doc System, PCR, etc. A  
state-of-art research level laboratory has  
been recently established as ‘Molecular  
Biosciences Research Lab’. Major instruments  
such as CO2 incubator, fluorescence  
microscope, deep freezer, fume hood etc.

Kanika Mittal  
B.Tech, (Biotechnology)  
Company Placed: Healthians  
It was My immense luck  
and fortune to be a part of manav rachna.  
It helped me a lot to grow  
in these 4 years. The entire faculty and  
department is so supportive that they help  
students a lot to achieve their goals. It has  
been a wonderful experience of learning  
With prolific expansion.

Zimsha  
B.Tech, (Biotechnology)  
Company Placed: Healthians  
Manav Rachna made  
me a better person  
aacademically as well as  
culturally. My sincere gratitude towards the  
placement cell as they gave me numerous  
opportunities I got placed earlier in Lido  
and now in Healthians I would like to thank  
Manav Rachna and CRC for giving me such  
opportunities and helping in the  
betterment of my career.

Devyanshi Agrawal  
M.Sc, N&D  
Company Placed: Healthians  
I am happy to say that  
I got placed at  
“Healthians” as a  
Health Adviser. It happened by the most  
valuable support from the placement cell  
of MIRIRS, and from my faculty member. I  
am thankful to placement team. My 2 years  
of masters in Nutrition and Dietetics at  
MIRIRS is one of the best experiences ever.

Riya Nandra  
M.Sc, N&D  
Company Placed: Healthians  
It is my immense luck  
and fortune to be the  
part of manav rachna  
international university where I can grow.  
The entire faculty and department leaves  
no stone unturned to shape one’s future.  
My four years at manav rachna  
international university have been a  
wonderful experience of learning with  
prolific exposure. I have established my  
leadership, time management and team  
skills and have also been able to advance  
these skills to the whole new augment level  
and also a great contributor to the  
development of my personality.

Garima Bansal  
M.Sc, N&D  
Company Placed: Healthians  
It was my immense luck  
and fortune to be part of  
Manav Rachna  
where I can grow. The entire faculty and  
department leaves no stone unturned to  
shape One’s future. My 5 years at Manav  
Rachna have been a wonderful experience  
of learning. The infrastructure of Manav  
Rachna is one of the finest in the NCR. I  
am thankful to all the members of Faculty,  
Mentors for their help to enhance my  
aademic & Interpersonal skills. I am also  
thankful to placement team for their support  
and encouragement.
Rachit Chug
My four years at Manav Rachna institute of research and studies have been excellent and a memory to cherish for a lifetime. Regular classes held at our college to help us with our aptitude and technical skills were of great help. I would like to appreciate the placement cell at Manav Rachna for the efforts they made for providing a fair and ample amount of chances to us students. Due to the efforts made by the faculty and placement cell at Manav Rachna institute of research and studies, I was able to get a job. Our placement officers also guided and encouraged us at each step thereby helping me secure my placement at such a reputed company.

Nikhil Wadhwa
Placed In: INFOGAIN & WIPRO
Starting my degree at MRRIS was a wise decision I made. My 4 years at the institute were filled with lifelong memories to cherish and in every aspect to improve me in person. With the support of the professors and faculty members, I built a great knowledge in technical ability and the exposure provided in technical and non-technical events reinforced my skills and helped me grow as a person. So I think I made a good decision on joining the institute. I would be very thankful to the mentors and faculty who helped me get placed in the brand company.

It was an awesome experience with CRC. CRC team stood with us in all the ups and downs during pandemic.
It was the great support provided by the CRC and had major role in our placement. Thank you CRC.

Abhishek Pandey
B.Tech ME: MRU
Placed In: Jaro Education
It was a wonderful experience, we got great opportunities. We were given proper guidelines and learning. Time to time reminders were given. Overall it was a smooth and successful journey for me.

Ridhi Sethi
B.Tech, CSE - MRU
Placed In: Tata Consultancy Service
It was nice being guided by our CRC team. Every teacher was giving proper updates. The CRC team played a very important role in placing me in such a big firm. They guided me on each step and gave counselling too. I got great support from the CRC Team. In short it was a great experience for me.

Parth Sethi
B.Tech CSE, MRU
Placed In: Navisite
A hearty thanks to all my teachers, HOD mal'm and CDC Department For supporting me throughout this journey, the whole process of placements was a huge roller coaster and there were rejections which taught me a lot and helped me to excel placements.
Thank You Manav Rachna

Vikas Pandey
B.Tech CSE, MRU
Placed In: Navisite
With an immense pleasure, I would like to thank the whole CRC team for continuous support during the placement season. With their best wishes and guidance, I successfully achieved an offer from Navisite. It would not have been possible, if it weren't for CRC department who got the companies to conduct a virtual placement drive for the students of our college.
The CRC department left no stone unturned in helping the students prepare for placements and interviews. The Online Pre-Placement Training (OPPT) was really helpful and it motivated me prepare even harder. Mock interviews were the best part. Those interviews really helped in improving my soft skills and boosting my confidence to face real interviews. I know that it was not only for this interview, rather it would help me a lot in upcoming challenges in my career.

Shubham Kumar Jha
Placed In: Coforge

My last four years in Manav Rachna were amazing. I learnt a lot in my four years span apart from academics too. The faculty were always very supportive and guided me throughout my journey, they even supported my emotionally.
The CRC staff was very helpful and cooperative it helped whenever I was stuck. Its regular technical, soft skills and aptitude exams, trainings, assessment helped me in cracking my placement exams.
Shubham Budhiraja

Please find attached my photograph along with the testimony as requested.

"It was a great learning experience for me at Manav Rachna University. The faculty is so humble and helping. I would like to appreciate the placement cell at Manav Rachna for the efforts they made for providing a fair and ample amount of chances to us students. Due to the efforts made by the faculty and placement cell at Manav Rachna institute of research and studies, I was able to bag a job in the second company that I applied for.

All thanks to my mentors, faculty members, and Faculty of Computer Science & Engineering."

I have emerged as a new individual. All thanks to my mentors, faculty members, and Faculty of management studies.

Sarika Gaid
MRU

My four years at Manav Rachna University have been very wonderful. The support from the faculty throughout has been outstanding. The career development classes included in our curriculum were very helpful as they strengthened my aptitude skills and also helped me enhance my personality. The guidance from the placement cell has been very spontaneous. And because of various placement opportunities I am successfully placed with a renowned company.

Life here has been a breathtaking experience. As a hosteller, I would say it is actually a "Home away from Home". All the faculty members, mentors and everyone in the MREI family have been a great help and a strong support. This place has immensely added to my persona and I will always cherish the memories of this wonderful campus and place.

My heartiest thanks to all the faculty members of the university as well as the CRC department.

Deepanshi Bhardwaj
Placed In: Capgemini, Wipro, Cloudsufi.

My last four years in Manav Rachna were amazing. I learned a lot in my four years span apart from academics too. The faculty were always very supportive and guided me throughout my journey, they even supported me emotionally.

I cannot even fathom the complete implications of what MREI has gifted me! What more could a student ask for? This has been the best decision I proclaim to have made. Surprisingly, the campus radiates warmth and liveliness like nowhere else. Here, time breezed with joy and productivity.

The CRC staff was very helpful and cooperative. It helped whenever I was stuck. Its regular technical, soft skills and aptitude exams, training, assessments helped me in cracking my placement exams.

Thank you.
GO PLACES WITH REAL-WORLD SKILLS

Real world experience/Industry exposure

WITH ACCESS TO MREI’S INFRASTRUCTURE, YOU CAN TEST DRIVE EXCITING CAREERS AND BUILD A PROFESSIONAL NETWORK. DEVELOP EXPERT SKILLS, EXPLORE CAREER OPTIONS, AND LEARN HOW TO MARKET YOURSELF. LEARN THE SKILLS THAT WILL HELP YOU LAND JOBS AND QUICKLY CLIMB THE CORPORATE LADDER. EXPAND YOUR WORLD VIEW AND KNOWLEDGE OF GLOBAL ISSUES. To the students, Academic Institution is their world, life and dreams. It is the place where they learn to live and grow as individuals, ready to take on the challenges of the future. The Admission process is often considered to be bewildering and complicated. High School seniors, fresh out of school, are often caught at the crossroads, faced with the challenges of navigating the admission process which often confounds them, unless systems are in place to help them make a smooth transition to college. At Manav Rachna, every effort is made to make this process smooth and expeditious with the Facilitation Centre helping in the selection and admission process.

Our dedicated team of qualified counselors and counseling staff play a pivotal role in guiding students to choose the correct program and are available at the Manav Rachna campus to address any admission related query, since it concerns the 'course' of their life and careers. The Facilitation Centre tries to transform the tedious process of admission into a pleasurable experience. The counselors in the Facilitation Centre are geared towards helping students and their parents in applying for admission in the course that best suits the student's interest, aptitude and goals. The counseling services are in fact tailored to meet the needs and dreams of each student and give them a sense of purpose and clarity. The Admissions Facilitation Centre also organizes campus tours to acquaint the parents & prospective students with the facilities offered at Manav Rachna. Various faculty members are also available to guide and explain the highlights to the visitors.

The support provided by the Centre to the students continues “Post admission Phase”. The Centre is available for support throughout the campus life of a student. Come, see for yourself & join Manav Rachna to embark upon your chosen career!

For any issues and concerns you can reach out to us at sfc@manavrachna.edu.in

**SALENT FEATURES OF MREI ADMISSION POLICY:**

- **Submission of Application:** Online Application form filling by logging into apply.manavrachna.edu.in wherein the candidate is required to fill in all required details including choice of programmes he/she wishes to opt for.
- **Uploading of Merit Criteria Documents (e.g. JEE/ SAT/ MRMAT/ GATE/ NATA/ XII/ GRADUATION/ Diploma Scores/ Pearson Scores)**
- **Selection of Candidates & Offer of Admission Letter**
- **Acceptance of Admission Offer & Payment of Fee**
- **Physical Verification of Documents/ Enrollment Process**
- **Admitted students can then opt for Hostels and transport.**
- **Admitted students report to Institutions as per dates specified in the Admission Calendar.**
- **Classes commence with the orientation program.**
- **Admission Calendars in respect of MRJEEs and MRU are annexed at Page No. 153.**
- **Candidates are advised to minutely go through the calendar to see applicability of test for the programme opted for.**
- **For further guidance/queries, prospective applicants may contact Admission Helpline 0129-4239000 (30 Lines) or log onto apply.manavrachna.edu.in**

**IMPORANT STEPS FOR TAKING ADMISSION IN MREI**
The Manav Rachna Student Facilitation Center or SFC compliments the services available on the campus and is the first point of contact for prospective as well as admitted students and the Manav Rachna alumni for most of their general queries during and subsequent to their academic life. Here, the students can procure facilities from a host of amenities including but not limited to academic and financial concerns, alumni assistance and various skill enhancement programs to optimize their holistic dexterity. The SFC provides advice and support to every concern that the students posit while at the same time making sure that they are groomed to a degree of outshining the expectations of the contemporary professional & social arena.

**Areas of Assistance:**
Following are the primary domains for which SFC provides assistance:
1. Academic Queries
2. Financial Requests
3. Examination Aids
4. Housing Facilities
5. General Services
6. Assistance for international students to help them integrate into campus life.

**PROCEDURE FOR REDRESSAL OF GRIEVANCES**
In case a student wants to file a grievance, they need to send an application to the Head of the Student Facilitation centre for redressal. If the student is not satisfied with the verdict of the SFC, they can submit an appeal before the Upper Management Committee. The Committee would then consider the appeal of the student and make appropriate recommendations that shall be communicated to the student within a reasonable time.

During the entire process, the student is expected to observe the law of natural justice & have faith in the verdict provided by the Centre.

**Academic and Professional Programs Offered by SFC:**
In the wide gamut of services provided by SFC, the following are the key skill enhancement programs:
1. Career Counseling
2. Live your Dream Career for a Day
3. Rush Programs
4. Connect With Our Experts
5. Skill Enhancement Workshops
6. Psychometric Testing

**Parallel Programs:**
Being a community building platform, SFC organizes several events throughout the year to augment its services to the Manav Rachna Community. In line with that, it conducts various initiatives under three primary wings:
1. Parent Fraternity: An event held in collaboration between our organization and exclusively selected parents of our students to support and improve the learning, development, and health of Students and develops stronger student-organization-parent ties.
2. Manav Rachna Alumni Association: An enterprise to create a strong global alumni network and professional value addition to the alumni along with Alumni Support and query/grievance handling.
3. Student Connect: A student care and supervision endeavour that serves as a liaison between the students and administration and closely works with students to provide leadership, social, extracurricular and academic counseling programmes; along with student workshops, industry connections, international outreach & student grievance handling.

With a global outlook, strategic vision, passion for enterprise and institution building, SFC makes inroads with joint collaborative efforts to ensure that the students have a prodigiously pleasant experience during and after their journey at Manav Rachna.

DIRECTORATE OF SPORTS

Cricket Level 4 Coach, Chief Coach of the Winning Indian Jr. World Cup Cricket team in England (1995-2003). Lifetime Dronacharya Awardee, Received Bhim (Haryana State Best Player Award) and Awarded Lifetime Performance Achievement Award by BCCI. Country's Best bowler award by BCCI 1985-86.

Sports is a parallel medium of instruction at MREI which focuses on a sports-centric philosophy to create healthy minds in healthy bodies. The World-Class infrastructure provides for total sports management which nurtures sports talent of the students at all levels from pre-primary to the college level.

World class sports facilities for outdoor and indoor games (which include basketball, volley ball, cricket, shooting, table tennis, badminton, squash, billiards, soccer, chess, carom to name a few) offers infrastructure which caters for budding sports learners. There is a 25m/50m Shooting Range and 10m air conditioned Indoor Shooting Range operated on SBJS Ascor electronics targets of Olympics standards. Manav Rachna also has an indoor badminton and table tennis stadium with synthetic courts in association with Yonex and Stag respectively. These offer the best facilities in Haryana. A Sports Fitness Centre to meet psychological, physiotherapy and other health related issues is also available. Besides, Manav Rachna boasts of a Soccer Academy and a Semi Olympic sized swimming pool.

High level coaching is provided under the guidance of well known coaches, Mr Russell Mark, Mr. Ralf Schumann, Mr. Peter Karlson and Mr. Jaspal Rana to name a few.

Sports competitions in various Institutions of Manav Rachna are a regular feature. Manav Rachna also has the distinction of hosting the Manav Rachna Cricket Corporate Cup for the last over a decade. Some of the MR star players and students/Alumni who have consistently excelled in their respective sports include Gagan Narang and Shweta Chaudhary in shooting, Ms Ankita Das, Soumyajit Ghosh and Abhishek Yadav in Table Tennis.

Notable sports luminaries who have graced the occasions at Manav Rachna include Gagan Narang, Bishen Singh Bedi, Kapil Dev, Kirti Azad, Vijay Kumar, Virender Sehwag, Mohd. Azharuddin, Ranjan Sondhi, Mohammad Kaif, Palela Gopichand, P.V. Sindhu, Angad Bajwa, Shreyasi Singh and Ankur Mittal amongst others. Manav Rachna students are frequent participants in various tournaments abroad as well as in India.

Lifetime Dronacharya Awardee
Sarkar Talwar,
Director Sports

SHOOTING RANGE

Manav Rachna is home to 4 state of the art shooting ranges - one of 25mtr. & 2 of 10 mtrs each. Shooting Range No. 1-25 meters range with 2 Bays of SIUS ASCOR electronic targets, each Bay consists of 5 Targets with Monitors. This range is located near staff quarters. Shooting Range No-2 & 3 - Newly constructed sports arena in Q Block Basement houses two 10 mtr. fully A.C Shooting Ranges; one is having 13 Manual targets and second range has 8 SIUS electronics targets with Monitors. Both the ranges have all the modern facilities for shooters as well as for spectators, including locker rooms, modern wash rooms, exercise area amongst others.

At Manav Rachna Shooting Range, Pali, we conduct shotgun competition with experience of Night shooting.

CRICKET GROUND

The Cricket Ground in Campus is located in front of K and L Block. This 40 x 40 meters lush green ground is equipped with flood lights and has 2 well maintained turf pitches.
MREI STUDENTS REACH THERE FASTER. WITH CLASSROOM LEARNING, INDUSTRY EXPERIENCE, AND CAREER SUPPORT WOVEN THROUGHOUT YOUR DEGREE, YOU GRADUATE IMPACT-READY. PLUS, YOU’LL BE IN GOOD COMPANY - WITH ALL-STAR ALUMNI MAKING WAVES IN THEIR INDUSTRY, COMMUNITIES, AND THE WORLD AT LARGE. YOUR FUTURE STARTS RIGHT HERE, RIGHT NOW. DIVE INTO LEADING-EDGE ACADEMIC PROGRAMS, WORK EXPERIENCES, AND EXCITING OPPORTUNITIES. GRADUATE WITH THE SKILLS, KNOWLEDGE, AND MINDSET TO MAKE MEANINGFUL CHANGE IN A COMPLEX WORLD.
SQUASH COURT
The Squash Court has been recently re-laid by Syncolls International with Maple Wood Flooring and is located at A Block 2nd Floor. This is equipped with lights & A.C facilities. There are other sports facilities are also available as carom & chess boards.

VOLLEYBALL COURTS
Manav Rachna Campus has a Volleyball Court in front of B Block that is available to all the Manav Rachna Students and Hostellers from morning to evening.

SOCCER GROUND
This is the newest addition to the existing sports facilities. With work in high speed progress, the ground would be of International Standards and would be available for use in near future.

BASKETBALL COURTS
There are 2 standard size Basketball Courts in MRRU Campus—one each in front of E/ F Block, B Block and in front of International Boys Hostel. Like all other sports facilities, these are also available for all the Manav Rachna Students and Hostellers from morning to evening.

OPEN GYM FOR WOMEN HOSTELLERS
A special facility of an open Gym has been made available only for all women hostellers. It is located near the Staff Quarters of the Manav Rachna Campus. The gym is equipped with all necessary training gadgets.

OTHER SPORTS FACILITIES IN MANAV RACHNA
- SWIMMING POOL OF HALF OLYMPIC SIZE
- LAWN TENNIS COURTS WITH FLOOD LIGHTS
- TABLE TENNIS ACADEMY

MANAV RACHNA CENTRE OF SPORTS EXCELLENCE FOR BADMINTON
Manav Rachna Sports Academy is a modern faculty catering to Residential Training Programmes. It is equipped with six fully Air Conditioned indoor synthetic badminton courts and a separate boys’ and girls’ locker room for resting in between the sessions. We have a number of renowned coaches and we specialize in providing training to various players from outside and within NCR and focus on giving the best expertise and guidance to our trainees, under the guidance of renowned International and National coaches. Manav Rachna has collaboration with Yonex, World no. 1 in Badminton related equipments.

Good players can’t be groomed in a day & hence our players have to adhere to a tight schedule and training. This includes a proper regimen of court training, physical, yoga, proper diet to take care of nutritional needs, physiotherapy, swimming, and nutrition. The training is focused as per the current level of player and he/she has to undergo intensive sessions for Physical/ skills/ speed and agility, tactics development and mental toughening. We have designated physiotherapists who observe the players movements and developments round the clock to make sure that no injury is there to hinder their career in badminton.

Manav Rachna Centre of Badminton Excellence conducts well planned programmes in which 15-20 players from different states are undergoing the training to hone their badminton skills and attain international level standards. The players are getting trained under the watchful eyes of extremely good coaches, including Mr. Hendra Setyo Nugroho from Indonesia & Mr. Rashleen Misbah Ansari, amongst others.

MANAV RACHNA CENTRE OF SPORTS EXCELLENCE FOR SHOOTING
Manav Rachna truly believes in shaping up the sports in the right manner. Shooting is another sport in which Manav Rachna has set up its centre of excellence. Manav Rachna has two shooting ranges in which current and budding players are getting trained. We conduct various shooting camps & clinics to help the shooting players in India to practice and do well at International Level.

A large number of renowned players of International fame are associated with Manav Rachna. These include, Rajiv Gandhi Khel Ratna Awardee, Mr. Ranjan Sadhi, Olympic Medalist, Mr. Abhinav Bindra, Gagan Narang and Vijay Kumar and Legendary Shooter Mr. Jaspal Rana to name a few.

We organize many shooting programmes with coaches of International Level from time to time in which shooters from all around the country come and train themselves with these stars.
MANAV RACHNA SPORTS SCIENCE CENTRE
To take the Indian Sports to the next higher level, Manav Rachna Educational Institutions have taken a one of its kind singular initiative, by initiating the Manav Rachna Sports Science Centre. The targeted activities at Sports Science and Rehabilitation Center are:
- To provide a specialist area for the delivery of Strength & Conditioning & Maintenance of fitness of the sportspersons.
- To devise individual, periodised programmes to maximise performance for major competitions.
- Rehabilitation-directed towards injury prevention & optimizing performance of sportsperson and also Prevention of Injury strategies.
- Biomechanical analysis of sportspersons.
- Sports and Rehab centre will also work for performance enhancement in sports at Manav Rachna Sports Academy, Sports Rehab Center & Dr. Karni Singh Shooting Range and will collaborate with Federations, state associations, Sports Authority of India and support them for Olympic preparation.

To achieve the above objectives, Manav Rachna Sports Science Centre was established, where the centre has a variety of expert health professionals and academics with three decades of industry experience. The team consists of academics and applied sports rehabilitators, physiotherapists, sports physiologists, sports nutritionists and allied health professionals who have worked in top positions in a variety of professional and Olympic sports including shooting, badminton, athletics, wrestling, boxing, rugby, football and a variety of other sports. The centre also provides lifestyle management, fitness training and health and well-being support for all types of individuals. The professionals carry out various activities that would enhance the sports person's performance and reduce the risk of injury. Some of these activities are Biomechanical analysis & sports training, Physiotherapy and Exercise Rehabilitation, Clinical Sports and Remedial massage, Psychological & Mental, Sports Nutrition, and Physiological Testing.

It is fervently hoped that this centre will be able to cater to the needs of sports persons, under one roof so that they can shine bright and make India proud.

ARSENAI SOCCER ACADEMY
Manav Rachna has tied up with the renowned Arsenal Soccer Academy to promote Soccer. This is to transform player development and provide authentic opportunities by helping players take their game to the next level. All this through top notch training, professional training, competitive matches, expert methodology, home away from home environment.

Tie-ups exist with the following international brands:

[Brand Logos]
SPORTS PERSONALITIES IN MREI
Dr. B.K. Sinha, IPS (DG Civil/ Defence & Bhondsi Complex) was the chief guest of Closing ceremony of 12th Manav Rachna Corporate Cricket Challenge 2019.

2. Heena Sidhu - Arjuna Awardee & Legend Air Pistol Shooter

3. Mr. Anil Vij - Haryana Cabinet Minister (Sports & Health)

Mr. Gautam Gambhir, Former Indian Test cricketer & Captain of Kolkata Knight Riders. He visited MRIIRS (formerly MRIU) on 11.03.2017.

The legendary cricketer Mr. Kapil Dev visited MRIIRS (formerly MRIU) and addressed the students about Sports Management on 29.03.2009. He also distributed the prizes to teams in the final match of 2nd Manav Rachna Corporate Cricket Challenge 2009.

The Legendry Cricketer, Mr. Virender Sehwag inaugurated Manav Rachna Cricket Academy at Manav Rachna International School Charmwood Village, Faridabad on 11th June, 2012.

Mr. Madan Lal, Former Test Cricketer (Mrs. MRIU) and addressed the students of Manav Rachna on 24.03.2012. He also distributed the prizes to the teams in the final match of the 4th Manav Rachna Corporate Cricket Challenge 2012.

Manav Rachna Organized Table Tennis Clinic by Mr. Peter Karlsson, 5 Times World Champion and 6 Times European Champion, from 8 to 10 July, 2012 in collaboration with Stag International.

Mr Sanjiv Sachdeva, 'Chief Indian Coach Junior Badminton' imparted professional coaching to budding badminton players in the winter coaching camp in November 2011.

Former Test cricketer Mohd. Azharuddin visited Manav Rachna Campus and addressed the students of Manav Rachna on 30.03.2013. He also distributed prizes to the teams in the final match of 6th Manav Rachna Corporate Cricket Challenge 2013.

The Former Test cricketer, Mr. Bishan Singh Bedi visited Manav Rachna Campus on 21st March, 2010 and addressed the students. He also distributed prizes to the teams in the final match of 3rd Manav Rachna Corporate Cricket Challenge 2010.

The MRSA organized One Day Badminton Clinic by Ms. P.V. Sindh, then Asian Badminton Champion and now Olympic Silver Medalist and Mr. Sanjiv Sachdeva, Chief Indian Jr. Badminton Coach, on 20th August 2012 in collaboration with Yanex Sunrise.

Mr. Gagan Narang International Shooter with Dr. O.P. Bhallo, Dr. Prashant Bhallo and Dr. Amit Bhallo at MRIIRS (formerly MRIU), Faridabad on 16.08.2012.

Manav Rachna started a Golf Academy in MRIIRS -14, Faridabad in collaboration with Taylor made Adidas a well-known company and biggest brand in golf equipments. The academy was inaugurated by Mr. Nikhil Chopra, Former Test Cricketer and Professional Golfer, on 4th March 2010 in presence of Han'tle chief patron, Dr. O.P. Bhallo Chairman, Dr. Prashant Bhallo and Dr. Amit Bhallo Vice President MRIIRS.

Mr. Ronjan Sodhi, International Shooter with Dr. O.P. Bhallo, Founder Visionary, MREI.

Former Test Cricketer and Han'tle MP Mr. Kirti Azad visited MRIIRS and addressed the students of Manav Rachna on 02.04.2016. He also distributed prizes to the teams in the final match of 9th Manav Rachna Corporate Cricket Challenge 2016.

The Former Test cricketer, Mr. Chetan Sharma and Sports Minister of Haryana Mr. Sukhbir Singh Kataria, visited MRIIRS and addressed the students of Manav Rachna on 26.03.2011. He also distributed the prizes to teams in the final match of the 4th Manav Rachna Corporate Cricket Challenge 2011 Mr. Pullela Gopichand, Former All England Badminton Champion and National Badminton coach visited Manav Rachna Sports FACILIES.

The London Olympian Shooting Silver Medallist, Mr. Vijay Kumar Visited Manav Rachna on 30.11.2012.

Former Test Cricketer, Mr. Yashpal Sharma visited MRIIRS and addressed the students of Manav Rachna on 29.03.2014. He also distributed prizes to the teams in the final match of 7th Manav Rachna Corporate Cricket Challenge 2014.
SPORTS LAURELS
BY SPORTS ACHIEVERS @ MREI

Gagan Narang, MBA, is an Indian shooter, supported by the Olympic Gold Quest. He was the first Indian to qualify for the London Olympics. He won the Bronze Medal in the Men’s 10 m Air Rifle Event at the 2012 Summer Olympics in London with a final score of 701.1 on 30 July 2012.

Angadvir Singh Bajwa, student of BBA (O), MRIIRS brought laurence to the University and Nation by getting another Gold at ISSF World Cup 2021 held in Karni Singh Shooting Range. Bronze Medal (Skeet) Shooting in World University Games 2019 at Napoli, Italy.

Somyajit Ghosh, global table tennis ace, student of BBA (O), MRIIRS International Table Tennis Player, India No. 1 in Table Tennis, represented India in London Olympics 2012. Winner Brazil Grand Prix, also took part in Commonwealth Games 2014 at Glasgow.

Vijay Kumar, student of MRIIRS (BBA 1st Year) and international shooter Renowned Shooter, Olympic Silver Medalist in 2014 Commonwealth Games Indian contingent, he was torch bearer.

Shweta Chaudhary, alumnus of FMS, MRIU Indian shooter who has won gold, silver and bronze medals in various national & international events

Ankita Das, alumnus of FMS, MRIU
Famed Indian table tennis player. Represented India at the 2012 Summer Olympics in the Women’s singles event. Has won championships at the 75th senior National table tennis championships (2014). Winner Brazil Grand Prix, also took part in Commonwealth Games 2014, Glasgow.

Shagun Chaudhary, alumnus of FMS, MRIU
First Indian woman to qualify for the Olympic trap shooting event at the Belgrade World Championships. Impressive lineup of medals to her credit

Anish Bhanwala, ISSF Shooting World Cup 2022. Silver Medal for India in 25m Rapid Fire Pistol Men’s Team and Gold Medal in 25m Rapid Fire Pistol Mixed Team.

Shreyasi Singh, shooter, student of FMS, MRIU Indian shooter in the double trap event. Won silver medal in the 2014 Commonwealth Games in Glasgow, Scotland. Part of the Indian team at the 2013 Trap Shooting World Cup held in Acapulco, Mexico.

Ria Rajeshwari Kumari, student of Faculty of Commerce & Business Studies, MRIU Trap shooter at the senior national squad for the ISSF Shotgun World Championship in Italy & World Cup in Azerbaijan.

Somyajit Ghosh, global table tennis ace, student of BBA (O), MRIIRS International Table Tennis Player, India No. 1 in Table Tennis, represented India in London Olympics 2012. Winner Brazil Grand Prix, also took part in Commonwealth Games 2014 at Glasgow. Part of the Indian Table Tennis team to represent and participate in Rio Olympic Games, Brazil.

Shahbaz Ahmed-IPL Player, 2020, 2021 and 2022 from Royal Challengers Bangalore Class of 2015 / Civil, MRIIRS
Lakesh Rawat, Body Building, student of FAS (Bsc. N and D), MRIRS
Won Silver Medal in World Championship IBFF 2016 at Slovenia Kuper

Shreyasi Singh & Ankur Mittal, shooters, students at MRIRS
Won Gold Medals in All India University Shotgun Shooting Championship 2016-17

S Rahul, student of B.Com (H), MRIRS
Bronze Medal in All India Inter University Kick Boxing Championship 2018-19 at Andhra University, Visakhapatnam

Silver Medal in All India Inter University Kick Boxing Championship 2017-18 at Punjabi University, Patiala

Abhishek Yadav, International Table Tennis Player, student of BBA (G), MRIRS
Junior Indian and Asian Table Tennis Champion

Kuldeep Kumar, international Kick Boxing player, student of Aeronautical, PET, MRIRS
Participated in the World Kick Boxing Championship 2016 at Korea. Won Bronze Medal in Wako Asian Kick Boxing Championship 2015, Pune, India
Bronze medalist at World Championship Kick Boxing 2011 at Moscow and Bronze Medalist at World championship 2012

Bhavesh Shewkawat, shooter, student of MRIRS
Selected as part of the Indian University shooting team to participate in the World University Shooting Championship 2016, Bydgoszcz Poland.
Won Gold Medal & in individual event he bagged the Bronze Medal

Jatin Singh Rathore, Shooter, student of BBA (G), MRIRS
Selected in 27th Meeting of the shooting hopes 2017 at Czech Republic & won silver Medal in 50 meters free pistol. Selected in world shooting championship as a part of the Indian team at Suhl, Germany. Got 5th Position in 50 Meter pistol shooting event

MAJOR ACHIEVEMENTS
Participants in Asian Games 2018 at Jakarta, Indonesia:
Bhavesh Shewkawat & Angad Vir Singh Bajwa won 2 Gold Medal & 1 Bronze Medal in 25 Mtr. Rapid & Standard Pistol & Skeet Shooting event in AllU Shooting (M&W) Championship 2017-18, Jaipur, Bhavesh was selected for World University Games 2018 at Malaysia in the month of March 2018
Bhavesh Shewkawat & Angad Vir Singh Bajwa participated in World University Games 2018 at Malaysia in the month of March 2018
Shreyasi Singh won gold medal & Ankur Mittal won Bronze medal in Double trap shooting in commonwealth games held in Australia
Gaurav Solanki, Gold Medalist in Boxing in Commonwealth Games 2018 at Gold Coast, Australia, student in BBA (G) at Manav Rachna. Gold medalist in youth Asian Championship at Bangkok, Thailand
Presented with University Colour by Dr. Amit Bhatta, Vice President, MREI
INFRASTRUCTURE & SUPPORT SERVICE

INFORMATION AND COMMUNICATION TECHNOLOGY

MREI has a dedicated Information and Communication Technology (ICT) Cell which provides IT and Communication support to all the Students, Faculties and Staff. The Cell plans organizes & maintains all ICT equipment and campus wide networks for all Manav Rachna Educational Institutions. An in-house repair facility ensures that downtime is kept to the minimum. Indirectly, it contributes to optimal teaching learning process, besides ensuring a very high satisfaction level for the students. Manav Rachna has subscribed to a comprehensive Cloud based ERP from M/s JCloud EMS, Pune which provides integrated solution to enhance and digitize the processes like Admissions, Transport, Hostel and student's academic life cycle management operations in the Institutions. Students attendance has been integrated with SMS and Email system to inform parents/ guardians about any default in attendance system of the pupil. A blended Learning Management System ensures comprehensive academic support to the students in the form of study material consisting of lesson plans, class notes, assignments, stimulations, animations, assessment exercises etc. In the current year MREI emphasizes on Swayam and Mooocs.

The Institution deploys excellent IT Infrastructure in carrying out activities like academic delivery, administration and services. The concept of Green Computing has been piloted with Central Library backed by high speed internet connectivity from multiple sources to avoid single point failures.

MR campus at Sector 43 is covered under an agreement with Microsoft for campus agreement for compliance of the licenses to avoid any Software piracy. Prominent Applications software include IBM Rational Seed, STADD PRO, Digilent, RTOS, VLSI Design Tanner Tool Pro, Xilinx ISE 13.1, OR-CAD Engg. Suite, MATLAB, Simulink with various tool boxes, Lab View, Catia, Pro-E, Quark Express, Adobe Creative, Corel Draw, Sony Sound Forge, Prolog, MX roads, Microsoft Project & Primavera amongst others.

MR-ICT department is very serious about software piracy & network security from unauthorized access, virus, malware, ransomware etc. The external security threat is controlled by highly sophisticated Unified Threat Management systems. All the traffic is monitored by devices for any malicious content before finally it either leaves the organization or gets delivered to users inside the campus.

All the student, staff & faculty are allotted with free email IDs to communicate electronically as a step ahead for paperless smart university. ERP provides enhanced interaction with Management, Teachers, Parents & other students through web & mobile based application. It permits online Course Registration, Credit Registration and Exam Registration, access to Attendance, Time Table, Examination Schedule, Grade & Marks and Report Card and advance information about various events and holidays. It also provides easy access to Session Plan, Teaching Notes, Digital Content and evaluation methods for the courses they are undergoing; online Payment of fees and other charges including examinations, hostel, mess and transportation & submission of grievances.

It also incorporates online facility to provide feedback & rating of various faculties who are teaching them. The facilities offered to students can also be accessed by the Parents.

HEALTH CARE FACILITIES.

A wide range of health and welfare services are available at MREI campus. It has a well-equipped dispensary for first aid and minor medical services, with a qualified Doctor and nursing staff to take care of the medical emergencies. MREI also has two well equipped ambulances to cater to any exigencies thus ensuring highest medical safety. Besides having the First-Aid room in the campus and a separate sick bay for boys and girls, there is a state-of-the-art, Dental and Physiotherapy OPD. Medical Consultant also is available during the specified hours on all working days.

MREI has tie-ups with renowned hospitals in Faridabad like Asian Hospital, Metro Hospital and Sarvaday Hospital. These hospitals provide OPD and other medical service to Manav Rachna staff and their families/dependents, at discounted rates.

TRANSPORT

Manav Rachna Education Institutions have a fleet of luxury A/C buses to provide transport to the students for Delhi-NCR covering various locations of Delhi, Noida and Gurgaon. It has also fleet of Non-AC Delux buses for the Faridabad, Ballabhgarh and Palwal students. MREI buses are equipped with all safety devices like Fire Extinguisher, First-aid Kit etc. These are also equipped with GPS to track the bus location, route, speed etc. and speed governor to restrict the speed of the buses (as per the guidelines of the Supreme Court). Buses of MREI board & de-board the students inside the campus premises only at the scheduled time at arrival and departure.

As a facility to M.R. campus students, MREI provides free Shuttle Service to & from Manav Rachna Bahadur Metro Station in the morning and afternoon.

During end semester exam days, apart from regular routes, MREI provides shuttle service for Tughlakabad Metro Station, Delhi, Mathura Road (Bahadur Chowk) Faridabad & Pali Chowk from the campus.

Seat numbers are allotted to all transport users on the basis of first come first serve. Transport Fee is collected one time in advance for the whole academic session at the time of availing transport facility. Transport ID Cards are given to the users for academic session every year. MREI provides free transport facility for the off campus hostlers. The complete transport information such as routes, fee structure, transport refund policy, guidelines etc. is also available at the website of MREI.
CANTEEN & CAFETERIAS

Sumptuous multi-cuisine food options, the world’s largest fast food chain SUBWAY, Nescafe, Chaigaram, a well-established food court providing varied options to the students (Café Woody’s, 34 Chowringhee Lane, a Juice Lounge, a Dosa Plaza, Momo Box, Sugar Shacks (Waffles)) among others.

HOSTELS

MREI provides both on-campus and off-campus hostel accommodation for boys and girls with single, double and triple rooms. The hostel rooms are well furnished with essential modern facilities like TV, PCs, Wi-fi, Telephone, RO Drinking water, newspapers as well as games like Table Tennis etc. It has a well managed and hygienic mess, where nutritional needs and taste of students are taken care of. An ergonomically and aesthetically designed hostel basically meant for International students, is available with all state-of-the-art facilities. There are many categories of rooms in hostels-Air Conditioned, Non Air Conditioned, single seater, two seater, three seater and five seater rooms with attached/common bathrooms. Hostel fee is charged according to the room category chosen by the student, through DD or by cash. Medical facilities, medical insurance, library facilities and laundry facilities are also provided within the hostel fee charges. For more details, kindly login www.manavrachna.edu.in/hostels/ and go through hostel rules booklet.

BANK LOAN ASSISTANCE

MREI aims to support deserving/meritorious students in availing financial assistance for pursuing their higher education. In order to encourage students to take up higher education despite their financial shortcomings, nowadays, most banks are providing attractive loan facility to students. Details of such loans and procedure/documentation needed by various banks are given on respective bank websites. However to assist the students in obtaining the bank loans a separate cell has been set-up at Manav Rachna.

The cell endeavors to:
1. Assist the students/parents to know more about the eligibility criteria, documents required by bank.
2. Assist them to fill the loan application form.
3. Provide them with the University documents required by bank.

Manav Rachna Group has tied up with Credence to help students avail education loans easily from a number of banks and NBFCs. The education loans are offered based on the credit history of the applicant and academic performance of the applicant. However students are free to avail loan from any bank. Representatives of some banks remain available in campus during Physical Counseling days.

Manav Rachna has also partnered with Financepeer to help those candidates who require some financial assistance to pay their course fee (new admissions as well as existing students). During the counseling process, the candidates may be told about this facility in case they seek any financial assistance.

CAMPUSS WIDE SURVEILLANCE

Manav Rachna Campus is fully under CCTV surveillance at all the times of the day. This provides a better degree of security especially for the female students.

WOMEN SAFETY- MANAV RACHNA LEADS THE WAY

Manav Rachna always stresses on the safety of its students and employees with a special emphasis on the safety of female students and staff. MRE has always been working on the CSR activities by providing support to “Beti Bachao Beti Padhao Campaign” and “Gender Sensitization” among others. As a latest initiative, a workshop was conducted by the MRA Academic Staff College with the help of YEPZON India Ltd. A training by KRAV MAGA team on Self-defense for women was organized, which was attended by over 350 female students and faculty.

GOING GREEN WILL SAVE THE GREENS

MREI is not only working to make students smarter, but also its campuses smarter, more energy efficient and sustainable. Solar power is a big way in which it is accomplishing its goals, while reducing its carbon footprints. These include Solar Installations, Organic Composter & Golf carts to name a few. The system will generate approx. 1400 units per day, and has been designed in such a manner that first solar power will be tapped, then the grid or generator. The 308 KW grid connected roof top solar system under OPEX model is complemented by panels on the parking shed roof with a 10 KW connected grid, installed under CAPEX model. The beautiful and impressive open spaces and artistic positioning of the solar hardware will produce a sculpture like feel, emphasizing the installation’s magnitude. Indeed, going green will save the greens, reaching out for the most important star, our shared sun.
MRRIIS IS COMMITTED TO RESEARCH AND INNOVATION AS A CENTRAL PART OF ITS MISSION. ALL SUBCENTRES AND CORRELATED ACTIVITIES ENABLES THE STUDENTS TO IMPROVE THEIR SKILLS AND DO QUALITY RESEARCH EVEN AT UNDERGRADUATE LEVEL IN COLLABORATION WITH ACADEMIC PARTNERS AND INDUSTRIES FOR THE BENEFIT OF SOCIETY. THESE ARE UNDERTAKEN AT MRRIIS UNDER THE AEGIS OF MANAV RACHNA RESEARCH INNOVATION & INCUBATION CENTRE (MRRIIC), COMPRISING FOLLOWING UNITS:

Manav Rachna Research, Innovation & Incubation Centre

Research & Innovation Clusters (RICs)-
Mechanical, Automobile & Aerospace Cluster, Electronics & Electrical Cluster, Molecular Biosciences Cluster, Health Sciences & Nutrition Cluster and Civil, Architecture & Design Cluster

Centres of Excellence (CEs)
- Mitsubishi Electric Centre
- Intel Intelligent Systems Lab
- Automotive Training & Research Centre (Honda Motors)
- Sport Science Centre
- Advanced Water Technology & Management Centre
- IBM Centre o Research Incubator (RI)
- Business Incubator (BI)
- IPR Cell

MRRIIS is a seminal initiative, dedicated to Founder Visionary Dr. O.P. Bhattia whose dream was to encourage research, innovation and entrepreneurship to help students to develop professional entrepreneurial ability and mindset to set up their own enterprises. Since inception, the institution has been striving for excellence in education and research in consonance with India’s contemporary and future needs. In addition to offering formal Undergraduate and Post-graduate Programs, MRRIIS encourages faculty and students to undertake in-house and sponsored research and consultancy projects to strengthen the research and innovation profile. These comprise Research & Innovation Clusters, IPR cell & Business Incubator and Centres of Excellence. MRRIIS has carved its indomitable position as a research-driven institution and conferred with awards, over the years.

Research and Innovation Clusters (RICs)
Research plays a significant role in the process of conceptual thinking, learning and innovation. The Clusters provide technology and innovation support whereas Incubation helps the students to develop practical business models as startups or spin-offs to become student entrepreneurs for working towards Government of India policy of “Make in India”. With establishment of innovation labs in Mechanical and Electronics and preparing policies, strategizing the systematic approach to research innovation, and testing a pilot run, the Centre was officially inaugurated on January 01, 2014.

Across its 20-year journey with many milestones to its credit, MRRIIS has taken on the challenge of yielding applicable knowledge and dedicating itself towards several path breaking Research and Development initiatives. A ‘Research and Innovation’ culture has been initiated at the UG and PG levels.

The Institutions have thirty academic departments, one Research Incubator (RI), eight Research & Innovation Clusters (RICs), one Business Incubator (BI), one dedicated IPR Cell and six Centres of Excellence (CEs). The Institutions have to their credit, over 7800+ research publications in International Journals, National Journals, International Conferences and National Conferences, as also books.

Recently, Aarkaya Solar Solutions Pvt. Ltd. received top-up startup grant of Rs. 10 lakh from NIDHI-DST Scheme under the aegis of National Science & Technology Entrepreneurship Development Board (NSTEDB), DST. MRRIIS has submitted research and developmental projects worth Rs. 100 crore to Atal Incubation Centre (AIC), Central Pollution Control Board (CPCB) and Department of Science and Technology (DST). The Institutions have tie-ups with more than 63 Global collaborations, with more than 500 MNCs & Indian Corporates who patronize in one way or other. Other prominent collaborations are IOCL Faridabad, THSTI, Faridabad, Kisan Sanchar and NII, New Delhi.
Presently, the Centre is actively engaged in research projects by adopting an interdisciplinary approach to add in to other activities like Competitions & Projects, Publishing, Sponsored R&D projects, Training, in Advanced Areas or future technologies, Product Development, Collaboration, and Consultancy and Patents & IPR. Some of the notable innovative projects developed by students at Research and Innovation Clusters of MRIC are shared here.

1. PULSE: This Project is the combination of Electro-cardiography, heart rate monitoring, and activity tracker that works together to analyze the heart parameters so as to find out any abnormality related to the Heart. This unique device utilizes Machine Learning and artificial intelligence services to analyze heart data & detect possible future complications in patients.

2. TITCHY: This project is a non-invasive technique for the detection of Tuberculosis using Image Processing. It is a portable gadget and designed along with an application and is used in Microsoft Azure Cloud Services for storing the image samples collected from the patients.

3. TECH_KINS: These have been designed to a unique & innovative life-saving device of people in the Electrical Industry, minimizing the chances of being electrocuted.

4. SMART HEALERS: Pressure ulcers, also known as pressure sores, bed sores, and ulcers, usually occur over a bony prominence as a result of pressure, or pressure in combination with shear and/or friction. SMART HEALERS is an app, where the patient selects the areas where he/she is affected. After the person lies down, the body is mapped on the sides and the back. The machine learning module determines the most suitable posture. Then, the bed inflates and deflates itself and the person is relieved.

5. HELIX: This project is a digital notebook that replaces your stack of stationary and overcomes those limitations of traditional paper. It is specially designed to make reading, writing, and sharing of work a wonderful experience. It is a perfect tool for students, artists, professionals, journalists, writers, and everyone whose life revolves around paper.

6. E 2.0: BIVIDA is a black chain and AI powered Open Data Platform for tenders that open public contracting through disclosure, data and engagement providing transparency, accountability and improved efficiency in the process of tendering and procurement.

7. CAELI: It is the world’s first smart automated drug delivery and anti-pollution mask specifically designed for asthmatics and other chronic respiratory patients. It is highly portable and just fits inside the pocket easily.

8. App Development: Students have developed Digital Web Development Media and alongside Android App for Umeed NGO, New Delhi with support of Umeed Organization and Swachh Green App under the mentorship of PIA.

Besides, these prototype projects the students have also developed a large number of projects including Swastika, IRRI-BOT, www.queryjunction.com, the smart pollution sensor, Plant-Q-Bot, Driving Simulator, RFID Entry System, Biometric Bus Attendance Machine, Enviro, Project Shwao, Dental Posture Correction System, Project GRINWAD: Solar Driven Car Award Winning Project, Smart Extension Board, Schedulable Extension Board, Universal Remote (Android App Based), IOT Based Home Automation System, Smart Dust Bin, Real Time Weather Monitoring System, Electric Wheel Chair, Biometric Access System, Black Box for Vehicles and many more.

Year on Year, students have been sweeping away the top honours’ at the most prestigious innovation challenges. Following league, MR students have bagged the "Jury Choice Award" of the Accenture Innovation Challenge 2018 held at Bengaluru. Sixteen teams were selected from all over the country for this grand event from among 13,000 projects. The competition was tough and standard set were very high. Despite phenomenal competition from the best brains across the nations, our project VET (# Virtual Exposure Therapy) which is a Therapy to treat patients of Phobia, Depression and Mental Trauma won the hearts and the award. The team was awarded with prizes worth Rs. 15,000 each and an Apple iPad (128GB), for every Team member.

Virtual reality exposure therapy (VRET): This solution can provide an alternative treatment that is more efficient (faster results) and does not require the help of a psychologist. Making this treatment accessible in many health centers or hospitals can allow faster access to treatment to improve the mental health of patients. The main target is to make this platform available at home and improve the VR platform to recreate different stress scenarios. Making available to larger audiences a treatment that allows the patient to immerse into the stressful scenario is a unique way to face the fear stimuli and build resilience to the PTSD effects. Completing sessions of treatment in VR environments will require less frequent consultation with a psychologist and can be moderated by regular medical personnel. This allows a greater number of patients to have frequent therapy sessions that guarantee therapeutic results and it is a more affordable option due to its digital nature.
MITSUBISHI ELECTRIC CUP 2019: Project OTRMark developed by the students of MRIIRS has made it to top 35 projects selected for the national finals of Mitsubishi Electric Cup. OTRMark is a one-of-a-kind, cloud-based authentication engine that uses state-of-the-art Artificial Intelligence & decentralized blockchain database to detect and reject fake goods. The invented solution has already been accepted for provisional patent application.

AICTE-CHHATRA VISHWAKARMA AWARDS 2018:

RENESAS GR LYCHEE DESIGN CONTEST 2018:

IESA MAKEATHON-VISIONSUMMIT 2018

Students took part in the India Electronics & Semiconductor Association Vision Summit 2018, held from 27th-28th Feb 2018 at Hotel Leela Palace, Bengaluru. The theme of the event was “Resurgent India: Electronics, Entrepreneurship and Economy”. Student team “TECH KINS” from MRIIC was selected for the Makeathon where students had to convert a prototype into a product in 24 hour time span. Around 100 teams from various prestigious institutions of the country applied for this event and 29 teams were selected for the final round of IESA-Makeathon 2018. Team TECH KINS, developed an intelligent system that aimed at minimizing the chances of workers being electrocuted at industries. Students were awarded US$ 500 worth of Amazon Web Services coupon & US$ 500 worth of Digital Ocean credits.

SAE E-BAJA

Society of Automobile Engineering (SAE) conducts various competitions where students have to design and manufacture a running vehicle. E-BAJA is one of the events conducted by SAE, the team of students are involved in designing an All-terrain vehicle (ATV)/ Off-road vehicle whose source of power will be Motor and Battery. The event which took place in Indore in January 2019 saw the participation of Team Cool Runnings.

CONSULTANCY

In recent past, MRIIRS has provided consultancy services to numerous organizations and some of the areas of consultancy rendered are GST Regime & implementation, engineering solutions to Orient Electric, design and development of Prototype BMI Machine, Smart Bar Machine - Adelantos Technologies Pvt. Ltd., Cultivation of Safed Musli for sustainable land use, Revival of Barakhal Lake, Faridabad, Rainwater Harvesting for managing water logging prone areas in Faridabad, Decision Support System for adaptation to climate change for Budia catchment area, State Action Plan on Climate Change of Haryana, Establishment of WASH Innovative Lab under tri-partite agreement amongst MRIIRS erstwhile (MRIIL), MCF and National Institute of Urban Affairs, Creation of Green Barrier under the Delhi Metro Rail Corporation (DMRC) metro tracks etc. During last one year, the institutions have received / have been sanctioned grant of more than Rs 25 lakh.

RESEARCH INCUBATOR

As an integral part of student’s growth in research and development, MRIIRS proudly conducts student driven research programme at BTech level from the past few years. Since launch in 2016, the Research Incubator programme remains thoroughly focused and dedicated towards yielding several path breaking research and innovation activities. More than 280 research papers are already published/communicated in Scopus, WOS, SCI, SCIE databases and presented in conferences, of which 92 papers got published / accepted and 123 papers communicated in reputed and related national and international journals; all indexed in last few years only from this initiative apart from several faculty and research cluster driven work going in the campus.

The framed objective has been achieved through a series of process and curriculum building over the foundation of current trends of research where students have been nourished through impregnating courses like RIC, Project Internship Seminars in third semester onward in the curriculum which is guiding them for developing research and technology driven projects during their final year. This is a unique accomplishment rarely heard from UG level students even in the premier institutions which has been successfully flaunted in the direction of Excellence in Research and Innovation.

BUSINESS INCUBATOR

Manav Rachna Business Incubator (MRBI) is nurturing and overseeing innovation and entrepreneurship at Manav Rachna Campus. With a rich tradition of incubation through bodies such as the NewGen Innovation and Entrepreneurship Development Centre has also pioneered innovation with groups such as the E-cell, MRBI will leverage these experiences and give entrepreneurship a stronger push as well as serve to coordinate and promote innovation-driven activities at the institute.

MRIIRS has been granted financial support of Rs. 2.87 crore from DST-NESTEDB, Govt. of India for setting up of a Manav Rachna New Generation Innovation and Entrepreneurship Development Centre (MRNGen-IEDC) in the campus to nurture student-entrepreneurial ventures. Its physical working space is more than 5000 sq. feet area with latest amenities including internet, Wi-Fi, conference rooms, multimedia projector, pantry, and recreational area. Each startup will receive funding of Rs. 2.5 Lakh for the development work along with recurring grant. Total 85 startups will be incubated in next five years times. 16 startups are
incubated/ being incubated, out of which 04 Startups - TechnoPlanet Lab Pvt. Ltd, HyFn Games Pvt. Ltd, Tricho Agronica Pvt. Ltd. and Parimukh Innovations Pvt. Ltd. are already incubated in support of Manav Rachna & IOCL Faridabad and 12 startups under NewGen IEDC-DST sponsored projects are in progress. More than 76 alumni started their ventures out of 23 are successfully running their ventures.

Some of the notable incubated startups of Manav Rachna students under the banner of MRSI, MRIIC are given below:

1. Techno Planet Lab Pvt. Ltd - A company working in education space to develop new age tools, technologies and programs to create engaging K-12 learning experiences with an ultimate objective to revolutionizing education. In 21st century, technological advancements are rapidly disrupting industries with new trends evolving like self-driving cars; digital shopping; virtual worlds; life on mars.

2. HyFnGames Pvt. Ltd - The mission of HyFn games is to create games of science fiction genre. Besides the obvious entertainment that games provide, they also create the base for young people to learn. They plan to work in the field of Artificial Intelligence and Augmented Reality in upcoming future.

3. Tricho Agronica Pvt. Ltd - Tricho Agronica Pvt Ltd, the Start-Up has received a grant of Rs 172 lakh under Indian Oil Startup Scheme (IOSUS), a "Start-Up India" initiative announced by Prime Minister Shri Narendra Modi. The vision of the company is to provide Lab to Land-an eco-friendly approach. It aims to promote, develop & provide eco-friendly products and technologies in safer, cost effective and sustainable manner.

4. Parimukh Innovations Pvt. Ltd - A team of engineers from various background and expertise took the problem of Air Pollution and other environmental problem to be tackled with engineering products. Team Parimukh is caters this, with their knowledge and experience from different sector they have already developed and offering PARUYANTRA Air filtration system & working on different technologies as well.

Startups @ NewGen IEDC

1. Aarkaya Solar Solutions Pvt. Ltd - Aarkaya designs, innovates and upgrades the existing solar solutions to suit domestic, corporate and commercial needs. We have indigenously developed Smart Self-sustainable Solar Products that caters the need of Smart and Secure India. We have a unique development approach with research and innovative proprietary processes that enable us to deliver leading edge performance and innovations for the nation and its development. With the total revenue generation of 16 Lacs +, they have successfully completed 12+ installation projects and they are now ready with their prototype of solar product. Their concept of smart solar products is highly appreciated and endorsed by the Scientist Dr. BNI Sarkar (DSIR) and PCS officer and Chief Project officer UPNEDA Mr. Alak Kumar, Aarkaya Solar Solutions Pvt. Ltd. received top-up startup grant of Rs.10 lakh from NIDHI-DST Scheme under the aegis of National Science & Technology Entrepreneurship Development Board (NSTEDB), Department of Science and Technology, Govt. of India.

PAXCURA: Restore your peace- It brings to you a 24X7 counseling facility for keeping better mental health thereby leading to positivity and growth in life. Pandemics like the current Corona virus (COVID-19) can be scary and can affect our mental health. The outbreak of COVID-19 may be stressful for people. Fear and anxiety about a disease can be overwhelming and cause strong emotions in adults and children.

UNDER INCUBATION

Tokyon Motor Sports Private Limited - The aim is to redesign electric vehicles so they stand out from the crowd of the huge two wheelers available in the market and to never neglect their performance abilities. The team has an electric scooter custom made from scratch, which is well tested in all weather conditions. Also, surveys have been conducted in well established markets related to their products.

Nature’s Drop- The idea of the startup is to create 100% natural range of health drinks with no added preservatives initially focusing on the youth of nation by introducing it in schools and colleges. These are immunity boosters, antioxidant rich, high energy nutritional drinks with a completely different taste and combination of ingredients. The startup has successfully developed 2 drinks and is currently into certification and testing phase for both the drinks. Several kiosks have been setup for market response.

Greenity- The startup’s product ‘Smart Chair’ is an innovative step towards generation of electricity from non-polluting sources rather than from conventional sources of energy.
Campus Dock- Our product is highly dynamic, can grow and change as the organization changes. Our product follows the industry standards for design and technical guidelines. Our target market is untapped and with new steps towards digitalization creates emergence of such services. Dynamic nature allows us to easily scale and extend our product to various sectors.

GeAr (Smart Watch)- The idea revolutionizes the communications world by redefining how people communicate. It provides complete physical freedom to the user when the user is on a call by using a smart watch integrated with a novel technology which allows users to communicate with their hands. In the era of approximately 2-3 billion smartphone users it has huge potential to give privacy aimed physical freedom to the world.

ThapKrida- The idea is to create simple, addictive games for casual games on iOS and android platform.

Naturoplasts- It is an initiative to create biodegradable plastics from underutilized natural resources. The newspapers and TV channels are flooded with the harms/problems the environment is facing. One of the causes is pollution due to plastics usage. Nano wrap is such a product made from banana flour, also cheap, biodegradable and soluble.

TFT Innovations- This is a new, highly dynamic, scalable and innovative product that caters to both industrial & residential market. It works as a surface protector to walls, floors, glasses, worktop surfaces etc both inside and outside your home, offices or any industrial use undergoing renovation, new construction or any other modifications. It is an affordable product which requires less effort, saves time, easy to use & dispose, beneficial during rainy season & during paint. It is stain & dust resistant.

Med Life Care- This is a service based startup. The service is basically for patients and healthcare professionals. It targets to improve relations between patients and healthcare providers through data sharing. The medical data management in hospitals would be improved via digitalizing. This venture supports Digital India mission and Right to Information.

Night Labs (Hel-tech)- Night lab aims to develop products and services using advanced technologies in order to ensure good quality of life and safer surroundings for mankind. We focus on making machine smart and intelligent so that one can increase their efficiency and productivity. Hel-tech is an advanced form of traditional helmets, loaded not only with high tech features but also ensures that you are having a comfortable and secure journey.

Intellectual Property Rights (IPR) Cell- In an Institution, Intellectual Property (IP) can be considered as the outcome of research projects, collaborations, consultancies and other activities. It is imperative that an IPR cell must be established for any self-sufficient university to meet the needs of the academic fraternity. After its establishment in February 2017, many workshops have been organized for creating IPR awareness program. IPR Cell also organized patent drafting training for the inventors. The IPR Cell has been conferred with awards too.

Centres of Excellence (CEs)

Under the aegis of MURIC, a few Centres of Excellence (CEs) are established in collaboration with reputed industries, to enhance the training & research skills of MR students:

1. Mitsubishi Centre of Excellence- Manav Rachna has always believed in imparting education that is customized to suit industry’s demands and provide high quality trained manpower to the industry. In pursuance of this aim, Mitsubishi Electric India (MEI) and MURIC have joined hands to establish Mitsubishi Factory Automation Lab. The Lab is a new addition in EEE department of FET and has been set up to provide training/seminars/demonstration to students/faculty of FET, MEI to develop their skills in automation technology. MEI has signed an MOU with MURIC under its CSR initiative for spreading awareness about automation amongst young Indian engineers & contribute to the Indian market via its products & technologies. This set up is based on the latest technology utilised by Honda & Suzuki. Soon, more companies are likely to adopt the same technology.

2. Intel Intelligent Systems Lab- Under this lab Students training programs and faculty development programs will be held to provide the students with knowledge of what’s going on latest in the Industry. Students will get an opportunity to work on IntelXeon® Processors, Intel Parallel Studio Software, Intel System Studio Software, Intel AI development Tools, Intel AI Software Libraries, Intel® Frame Work Optimization, Mavdivus™ Neural Compute Stick & Intel FPGA Boards. In the IoT Space the students will get to learn about Intel Galileo, Intel® Edison Boards along with other popular boards like Raspberry Pi & Arduino for designing IoT Systems.
3. Automotive Training & Research Centre (Honda Motors)- The Department of Automobile Engineering in association with Honda Motorcycle and Scooter India Private Limited (HMSI) has opened a centre for Automotive Training & Research. In this association HMSI has provided technology support for setting up training and research infrastructure for students. This association provided a platform to students of Mechanical/ Automobile/ Electronics & Electrical branches to take up research projects in emerging areas in association with HMSI. This Automotive Training & Research will also offer short-term courses for two-wheeler technicians & high-end courses for executives of HMSI.

4. Sports Science Centre (MRSSC)- The vision is to establish a Flagship centre of excellence in India that will provide Sports Science and Rehabilitation facilities to support elite level athletes, in professional sport, at the international level, and grass root youth elite level, while enhancing India’s sporting performance and yield of medals at the Commonwealth and Olympic levels, the International World and the Asian Games. MRSSC has a variety of expert health professionals and academicians. The team consisting of academicians, sports medicine specialists and allied health professionals provides an array of in-depth support and services to both high performance athletes as well as aspiring ones who wish to improve their performance. The institute also provides lifestyle management, fitness training and health and well-being support for all individuals. Renowned Olympians associated with CSSR work directly with ISSR team to ensure that the strategic plan is perfect for supporting both Olympic standard & junior athletes as they develop from the grass root level. Many have brought laurels to their alma mater.

5. Advanced Water Technology & Management Centre of Excellence- As cities around the world expand, the need to ensure their sustainable expansion, efficient operations, while maintaining a high quality of resident life becomes greater than it is today. This is where smart cities come into the picture. A critical factor for the growth and sustenance of a smart city is its water system. The term ‘smart water’ points to water and waste water infrastructure that ensures this precious resource and the energy used to transport it is managed well. The report submitted on Badhkal revival to Haryana CM, Haryana is being implemented for revival of the lake by Smart City Pvt. Ltd. Faridabad.

With this background, Centre for Advanced Water Technology & Management (CAWTM) has been setup at MR Campus, comprising scientists, technocrats, professionals, academicians, RWA members, etc. as the Manav Rachna consortium. The Centre has been bestowed with numerous awards, allocated international grants and support, bagged assignments & consultancies from corporates.

6. IBM Centre of Excellence- IBM Centre of Excellence has been created in the campus in collaboration with IBM. Here, programmes offered are B. Tech.- Computer Science & Engg. Programmes with specialization in Cloud Computing, Business Analytics & Optimization, IT Infrastructure Management and Cyber Security & Forensics. IBM provides LMS, Train the Teacher Programme, Student Projects, Expert Lectures, Industry connectivtly for students and teachers to enable them to experience the live IT Environment. Students acquire domain skills in the most advanced areas of IT and preferential placements by IT companies and their skills are strengthened with understanding of big data and analytics to create tomorrow’s highly skilled analytics professionals.

Other research related milestones
The deteriorating air quality in and around Delhi-NCR is of grave concern with contaminants in the atmosphere affecting people’s health. To compare the air quality of indoor and outdoor air environment and provide a good learning research environment to students, the ‘Air Quality Monitoring Lab’ has been set up at Manav Rachna Campus by Department of Civil Engineering, Faculty of Engineering and Technology (FET), Manav Rachna International Institute of Research and Studies (MRIIRS). The Air Quality Monitoring Lab supported by DST, Govt Mins has been established to understand the aerosol chemistry in Delhi-NCR region.

MRRI-C Annual Technical Events Celebrating the spirit of innovation and research amongst the future leaders of tomorrow, INNOSKILL offered a platform to the young tech-geeks to showcase their creativity and ingenuity in a battery of intriguing and challenging. Venturing out-of-the-box and competing head to head in a bid to unfurl their passion and interests in aero-modeling, engineering, Lego race championships and more.

INNOSKILL 2019
Award Winning Projects of MRRI Research & Innovation Clusters:
Manav Rachna students have won many prizes at different platforms but some of their achievements are highlighted below:

- Team Caeli won the People’s Choice Award in the Cisco Global Problem Solver Challenge in 2020.
- Team Caeli were the National Finalist in the Lexus Design Awards held in 2020.
- Team Caeli were the National Runner-Up in the James Dyson Awards held in 2019.
- Team Caeli were the Silver Award Winners in Aarohan Social Innovation awards organized by Infosys Foundation held in 2019.
- Team Caeli bagged the 1st Position in the Asia Finals of Microsoft Imagine Cup held in 2019.
- Team Caeli won the 2nd Place in the World Finals of Microsoft Imagine World Cup Championship held at Seattle USA in 2019.
- Mr. Akash Bhada was the awardee of TCC Rex Karamveer Global Young Leaders Fellowship in the year 2019.
SUCCESS COMES EASIER WHEN YOU HAVE A COMMUNITY OF PEOPLE CHEERING YOU ON IN THE CAMPUS. THROUGH CLUBS, EVENTS, ACTIVITIES, AND MORE, YOU’LL FORM COMMUNITIES THAT CONNECT YOU TO EXCITEMENT, NEW EXPERIENCES, AND ALL-AROUND SUPPORT AND CARE. BUILD YOUR COMMUNITY ON CAMPUS. GET INVOLVED IN CLUBS, STUDENT SERVICES AND VOLUNTEERING. HIT THE CLUBS. WHATEVER YOUR INTEREST OR HOBBY, THERE’S A CLUB FOR THAT. OUR SOCIETIES, AND ASSOCIATIONS HELP YOU MAKE FRIENDS, FUEL YOUR PASSIONS, AND LEARN NEW SKILLS. GET YOUR VOICE.
Research plays a significant role in the process of conceptual thinking, learning and innovation. Since its inception, the Institution has been striving to achieve excellence in education and research in consonance with the contemporary and future needs of India through meaningful education, original research and leadership in technological innovation for the industrial growth of the Country. With the path-breaking innovations in both its curriculum & research, the Institution is rapidly gaining a legendary reputation globally. Innovation Clusters and Centre of Excellence are providing technology driven support which helps them in incubating business models as startups or spin-offs to become student entrepreneurs for working towards Government of India policy of “Make in India”, “Stand Up India”, “Startup India” and “Self Reliant Bharat”.

Innovation journey of University started when a team from MRU won the national finals of Microsoft Imagine Cup 2015 for developing balance, a multi-utility wearable haptic device for the blind and bagged the prestigious honour of representing India at the world finals of the competition in Seattle, USA. The innovation culture was started in 2011 by establishing innovation labs in the area of engineering disciplines. At present, University has many specialized labs/centres of excellence for experimental research/ product development activities, established in collaboration with industries and knowledge partners and are following National Innovation & Startup Policy (NISP)-2019 guidelines for promotion of innovation activities to a large extent, which include:

1. Manav Rachna Centre of Excellence for
   i. Air Conditioning (Daikin India Pvt. Ltd.)
   ii. Product Design & Development (Airlift and DesignTech.)
   iii. Energy
   iv. Alternative Dispute Resolution
   v. Peace and Sustainability (Institute of Peace Research & Action)
   vi. Legislative Studies & Research
   vii. Block Chain Technology

2. Research & Innovation Clusters
   i. Research Computing
   ii. Material for Environmental Sustainability

3. Institute Innovation Council (IIC) established in support of Ministry of Innovation Cell (MIC), MHRD-AICTE as Pre-incubation facility

4. Intellectual Property Rights Support (IPR)

5. Entrepreneurship Cell (E-Cell)

6. Tinkering and Fabrication Innovation Centre

Under MRU-IIC, students are encouraged to participate in Competitions & Hackathons, work on industry projects as consultancy and patent filing. Some of the major achievements of research and innovation activities of the University faculty members and students are summarized below:

University believes in partnerships through research and innovation collaborations with 46 foreign universities, industries and research organizations are essential in delivering its overall strategic aims. At present, University has a strong industry institute interaction with Altair and DesignTech Pvt. Ltd., Daikin India Pvt. Ltd., Xebia, Quick Heal Technologies, Infosys Pvt. Ltd. Central Electronics Limited, Srijan Sanchar, Truechip, BMTECH, Sahai Research Labs, ICT Academy, Trans Neuron Technology, Hitachi Vantara, Safocle Innovations Labs Pvt. Ltd. and many more. Students use various laboratories and Centres for their innovation-oriented projects based on their interest in product design, development, Communication VLSI, Embedded System, RF design, FPGA, Solar, IOT, Robotics, software development, etc. Some of the innovations developed by the students like Landslide monitoring through drones, Use of AI based Chatbots for providing health related information, PurAir, D'scene, Streekhs. It has resulted into placements of our students in renowned companies like LinkedIn, Amazon, Google, Apple, Jaro Education, Life learning, True Chip, Samsung R&D, Blue Star, Maruti, Daikin, Tata Motors, JBM to name a few.
Research & Innovation Clusters (RICs)
Research and Innovation Clusters provide technology & innovation support whereas Incubation helps the students to develop practical business models as startups or spin offs to become student entrepreneurs for working towards Government of India policy of “Make in India”.

The Innovation and Incubation Centre has three Research & Innovation Clusters (RICs), three Centres of Excellence (CoEs), one IPR Cell and one Business Incubator (BI) which is supported by nine departments of the University. These units are actively engaged in research projects by adopting interdisciplinary approach in addition to other activities like Competitions & Projects, Publishing, Sponsored R&D projects, Training in Advanced Areas or future technologies, Product Development, Collaboration & Consultancy etc.

To facilitate the quality research, research clusters in the area of Material Science, Environmental, Atmospheric, Mechanical and Computer Science have been established. These are the core research groups who are active in research fields of common interest & also associate interested students to work on various problems.

Research Computing Cluster (RCC)
Research Cluster of Computing (RCC) has been established in 2017 with its foundation based on Ideation-Innovation-Incubation-Impact. RCC has been formed to foster research and innovation among students and faculty teams, and applying them for solving real time problems in Computing Science and inter-disciplinary areas. The cluster would cultivate a community based on principles of team building, socially responsible, technically capable youth that can transform industrial and research based problems into opportunities. The core objectives of the research cluster are:

- Hands-on practical experience through live industry projects
- Funded research projects and publications
- Training students on advanced technologies
- Quality patents and encouraging students towards Competitive platforms.

Verticals:
1. Cyber Security
2. Data Analytics (Machine Learning and Deep Learning)
3. Block chain Technology
4. Internet of Things (IoT)
5. Web and Mobile Application Development

The following projects are undergoing in the cluster:

**Material for Environmental Sustainability Cluster**
Material for Environmental sustainability cluster is to be a centre for knowledge generation through research in the frontier areas of new, economical and environmentally safe materials. The cluster will establish itself at National and International level, and will publish the research work relevant for societal needs and sustainable development.

Some of the research activities going under different verticals of cluster are summarized below:

<table>
<thead>
<tr>
<th>Area</th>
<th>Project Title</th>
<th>Brief Summary of Project</th>
</tr>
</thead>
<tbody>
<tr>
<td>Sustainable Water</td>
<td>Biological treatment of Industrial wastewater</td>
<td>This project aims to identify suitable biological agent for industrial wastewater treatment.</td>

<tr>
<td>Sustainable Energy</td>
<td>Synthesis of Biodiesel using waste cooking oil and biomass feedstock</td>
<td>This project aims to explore utility of waste cooking oil/ tree borne oil/ algal oil for biodiesel production</td>
</tr>
<tr>
<td>Sustainable Material</td>
<td>Green synthesis of Super adsorbent polymer for different applications</td>
<td>This project aims to explore greener pathway for synthesis of super adsorbent polymer and its application in industrial sector as well as ecological restoration.</td>
</tr>
<tr>
<td></td>
<td>Extraction of metals from E waste using biological agents</td>
<td>This project deals with the investigation on potential of microbial strains for uptake of metals from E-waste.</td>
</tr>
</tbody>
</table>
Sahai Research Labs
This cluster aims towards development of innovative projects which are multidisciplinary in nature. Sahai Research Labs has been voluntarily organizing expert talks from industry experts and currently following two projects are open.

1) ML/AI based Virus detection using X-ray Imaging
   Idea is to build a classifier based on X-Ray imaging for positive and negative cases and use it to detect COVID-19 on test subjects.

2) Data Analytics prediction for travel restriction areas affected by COVID-19
   Depending on the data available from free sources on the number of positive cases per area, predictor to help plan travel to an unknown area.

IPR Support
Intellectual property (IP) encompasses the expression of ideas, information and knowledge. IP includes not only discoveries and inventions but also music, literature and other artistic works, as well as words, phrases, symbols and designs.

Intellectual Property Rights (IPR) are the legal rights protecting the owners of IP. The first owner of IP is normally either the person who invents, authors or designs the IP, or his/her employer (depending on the contractual arrangements governing his/her work). Commercial exploitation of the IP can occur directly by the owner of the IP, or by licensing the IP to be used by other companies.

Academic and Research Institutions are concerned with successfully managing projects and research initiatives and the protection of their IP Rights which will benefit all stakeholders. Manav Rachna IPR Cell is governed by the University Intellectual Property Rights Policy.

Entrepreneurship Cell
Entrepreneurship in India is yet to reveal its true potential. Manav Rachna University’s Entrepreneurship Cell is a student-driven body, focused on providing a platform to students to achieve their goals and enrich the entrepreneurial eco-system. The MRU Entrepreneurship Cell has constantly been providing a helping hand in encouraging and motivating all the budding entrepreneurs. It is an established platform that strives to mould vibrant and enthusiastic students into successful entrepreneurs. Besides kindling the latent entrepreneurial skills in young minds, they are provided with ample opportunities to fine-tune themselves, so that they could make a change for the betterment of our society.

We at MRU E-Cell aim to spread awareness about entrepreneurship and motivate students of MRU to become entrepreneurs and build their personality. Our positioning statement “Passion Meets Opportunities” guides us to our mission.

Few activities organized by E-cell:
- E Quiz on Vocal for Local: The Self Reliance Mantra
- Workshop on Idea Generation
- Idea Pitching Workshop by MRU E-Cell
- MANAV RACHNA UNIVERSITY ENTREPRENEURSHIP CELL ORGANIZED A WEEK “TE Rachna”

Tinkering and Fabrication Innovation Centre
A workspace where young minds can learn innovation skills, sculpt ideas through hands-on activities, work and learn in a flexible environment and to utilize it for the Vocational training program which is offered to all students of Engineering program. The Centre will help in promoting creativity, Innovation and entrepreneurship skills within the students. It will also motivate the students to take up the challenge of innovation and skills through the use of the lab which would go a long way in shaping their minds and careers.

Students of all branches will make a team and develop various types of projects as per the requirement of various National/International competition organized by such as SAE BAZA, Mitsubishi, Altair, Design contest, Hackathon by applying the knowledge of app development and controlling hardware through the created applications.

Manav Rachna Business Incubator Support (MRBI)
Manav Rachna Business Incubator is an initiative towards nurturing the innovative instinct of the students, alumni and faculty of MREI. With an objective to cater to the needs of students and faculty members who are inclined towards research, innovation, novel ideas and to encourage research and entrepreneurship, MRBI is equipped with all types of design, fabrication, manufacturing facilities to facilitate the growth and success of startup and early stage companies. We at MRBI, also provide a good path to capital from angel investors, state governments, economic-development coalitions and other investors. At MRBI, business not only gets access to a potential buffet of capital choices, but also host of intangible benefits including mentorship, expertise and networking.

MRBI offers integrated, customized Innovation-Based Incubation support services. It scours for ideas for development of business concepts and works for inculcating skills and competencies through capacity building/training programs for evolving enterprises. Regulatory, financial and administrative help form part of the services, and networking opportunities with potential investors, practitioners and collaborators are endless.

110
Startups supported @ Manav Rachna Business Incubator (MRBI)

Manav Rachna Business Incubator (MRBI) is nurturing and overseeing innovation and entrepreneurship at Manav Rachna Campus. With a rich tradition of incubation through bodies such as the ‘NewGen Innovation and Entrepreneurship Development Centre’ MRBI has pioneered innovation among its young members of under graduate student community. Some of the projects that are under the various stages of incubation or have incubated from the University and are now established as Pvt. Ltd. Company are:

Startups Graduated

Techno Planet Lab Pvt. Ltd.- Technoplanet is a company working in education space to develop new age tools, technologies and programs to create engaging K-12 learning experiences with an ultimate objective to revolutionizing education. In 21st century, technological advancements are rapidly disrupting industries with new trends evolving like self-driving cars; digital shopping; virtual worlds; life on Mars. Envisioning how these disruptions will play out in our children’s lives opens up a whole lot of new questions, and necessitates paradigm shifts in how we are thinking about education today. They also offer equipments and solutions to setup the Atal Tinkering Labs as envisioned by NITI Aayog. [www.technoplanetlab.com](http://technoplanetlab.com)

Aarkaya Solar Solutions Pvt. Ltd.

An idea to provide modern, smart and self-sustainable way of using renewable energy. Prototype ready and installation of setup at domestic and commercial level. Received Rs. 10 Lac Grant from NIDHI-DSST, Government of India for acceleration purpose. Startup mentored by MRU faculty member.

Coating Vala Solutions (TNT Innovations): The team developed an extremely affordable surfacaprotection machine for coating of floors and important equipment to protect them from dust and paints.

Thap Krida: The team started in January, 2018 and developed 5 games namely Blast, Topple, Tile surf, Hop shot, Monster Yard and published them on google playstore and apple appstore. The startup aim is to make hyper casual games that can be played by a 6 year old kid and his 60 year old grandfather. Presently, they are working for a Canada based gaming company to gain some knowledge that can help us monetize our games.

Startups supported @ NewGen IEDC, Manav Rachna and under incubation

Vagabond Brains: Vagabond Brains offers a solution to companies to stand out of the crowd through digital marketing services. Vagabond Brains, incorporate all the digital marketing techniques such as SEO, SEM, content management to help the company experience the tactics of online business in terms of more visibility on the net and footfall. Unable to proceed further due to unavoidable reasons.

Greenity: The startup’s product ‘Smart Chair’ is an innovative step towards generation of electricity from non-polluting sources rather than from conventional sources of energy. Unable to proceed further due to unavoidable reasons.

Ferrox Technologies: An innovative ideology that aims at revolutionizing commercial and agricultural EV marketplace with development in FAUV [electric agricultural utility vehicle] and battery pack development for high voltage drivetrains. Unable to proceed further due to unavoidable reasons.

Travel Gram: A mobile application based community built for travelers and explorers to connect, share and explore co-travelers. Application would be available for android and apple users.

Smart Water Sprinkler: An automatic water sprinkler to make watering and maintaining plants/ gardens easier for domestic and commercial places.

JanNeer-NanoMaterial Water Treatment- Nanomaterial based water treatment executed to synthesize air stable biocompatible porous nano-composite material for advance absorption of pollutants from contaminated water.

F.A.C.T.S. IRIS scan- The startup product is a first iris scanner. Even when the face is covered with mask it can scan through iris with minimum time gap and can be utilized in monitoring areas and it can also scan and match when someone is in disguise.

Auto Shine Care- Car washing Machine. The product is a low cost car washing machine. There has been optimization in the resources that are used for washing car so that it also reduces the running cost of system for market penetration.
Manav Rachna Center for Socio-Economic Research and Consulting is envisaged to promote Research, Consulting and training with the thrust on Socio-Economic relevance in the society. The center's activities are focused on:

- Undertaking research studies, market surveys, feasibility studies, management consultancy and human resource development and training.
- Finding strategic alliances with various chambers and industry association for undertaking industry relevance training, applied research & building network to solve industry specific socio-economic issues.
- Providing consultancy and take up research studies for Central and State government.
- Undertaking employability skill gap surveys for Delhi NCR & for Haryana state industries and bridging it by recommending requisite specific new age courses to be imbibed in our current education system.

**Constitution of Team:**

**Advisory Board**

It consists of officials from University, dignitaries from Industries, NGO, Bankers and faculty having Industry exposure. Broad role of Advisory board is to lay down policy guidelines, fix up physical and financial targets, effective utilization of facilities and connect with expertise available in the Industry in the region.

**Organizational Operational Structure**

Operational team been constituted headed by Vice Chancellor, Director, and Head of Socio Economic Center with two coordinators and pool of consultants/experts in their respective fields.

**Strategic Action Plan:**

Prime Strategic focus of center is to provide Consultancy and training to industry and to take up research projects from Industry and Government organization. To build strong industry connect and networking. To undertake workshops in emerging new areas to sensitize faculty for getting abreast with the requirement of industry/society.
The Centre of Excellence on Alternative Dispute Resolution (CADR) is a unit under the aegis of Faculty of Law, MRU. The Centre has been established with the purpose of conducting and promoting research, generating and disseminating knowledge in the field of alternative dispute resolution mechanisms. The CADR not only conducts training programs and workshops, but also runs simulation exercises to settle disputes through arbitration, mediation and other allied mechanisms. The training workshops are designed and curated to suit the requirements of the participants, interested in practicing ADR mechanism. The CADR is committed to advance the objectives for which it is constituted, in the interest of the University and requirements of the legal system of the country.

**Vision**
To establish a research and clinical facility on various aspects of ADR that will undertake cutting edge in ADR research, skill building sessions, and provide professional services.

**Mission**
- Research - Undertakes institutional research, consultancy and advisory projects.
- Training - Training Programs, meticulously designed and developed by experts.
- Skill Development - Promotes ADR skill development among students of Manav Rachna University in general and law students in particular through short term courses.
- Collaborations - Tie-ups and professional linkages with industry, professionals and government agencies, within and outside India.
- Information Creation - building database relating to ADR Law & Policy and Tools & Techniques.
- Exchange of Information - Effective forum for exchange of information and knowledge among various stakeholders through conferences, seminars and expert talks.

**Objectives**
- To train, develop and cultivate core group of ADR experts in India, capable of employing alternative resolution mechanisms, to the disputes of national and international nature;
- To provide an effective forum for exchange and analysis of ideas and information between industry, professionals, trade associations, government agencies and academia;
- To support the academic pursuits of the Faculty of Law, with research and practical training;
- To explore and enter into collaborations and tie-ups with national and international organizations & agencies, such as International Court of Arbitration as part of ICC, Paris, SIAC, SIMC KOLC, to name but few, in furtherance of the objectives of the Center.

**Functions**
- To conduct research in identified areas and publish papers
- To undertake institutional Research Projects
- To take up external consultancy and advisory projects
- To conduct outreach programmes for Awareness and Sensitization in the form of Workshops, seminars, Guest lectures, Roundtables, Conferences etc.
- To conduct Executive Development programs, Diploma and Certificate courses & other training sessions
- To enter into Tie ups and collaborations with domestic and international partners.
- To build functional and professional linkages with Industry, professionals, government agencies and other organizations within and outside India.
- To facilitate PG and UG students into ADR mechanisms, with the help of research and practical training through live proceedings and simulation exercises
- To create knowledge data base, focusing, inter alia, on Law and Policy, decided cases and case studies etc.

The MRCPS is the epicenter of academic endeavors like: training, research, community awareness programmes in all spheres of peace and sustainability. The centre is the embryo for promotion new approaches towards ensuring sustainable development and peace at local, national and global level.

The Centre of MRCPS is presently focusing on six SDGs i.e. Quality Education, Gender Equality, Affordable and Clean Energy, Descent Work and Economic Growth, Climate Action and Peace, Justice through vehicles SahRita, Parashakti, Prakarsh, Sadbhav and Samriddha which are run by the students and for the students through Peace and Sustainability club.

Through its Manav Rachna Peace and Sustainability Club (MRPSC), Centre carries out webinars, competitions, campaign, Pledge campaign, Social Media Campaign, community work in the area of Peace and Sustainability. Students are being molded to be responsible, peace loving citizens with Sustainable competencies through collective efforts. MRCPS has been successful in making deliberate and purposeful efforts in creating culture of peace by creating Peace Zone and regular meditation practices. MRCPS conducted series of webinars on various topics by eminent personalities like Dr Shivan from Brahmakumaris, Dr Karon Singh, Swami Vidyadharji from Art of Living, Dr Rajendra Shende, Mr Sohail Madan, BNHS, Asola-Bhatti Wildlife Sanctuary and many more. Meditation trainings and different workshops are being carried out and supported by the centre. Many students have undertaken research projects on various aspects of SDGs. The Centre offers a course on Peace and Sustainability that is being offered as Elective course to graduates and post-graduates of all disciplines.

At Manav Rachna, we are making deliberate attempt to create brigade of Gender champions, Peace champions and Green warriors who we believe, would be influential and leading citizens of Peaceful and Sustainable New India.
DISCOVER THE PROSPECTS

WELCOME TO A PLACE WHERE GOOD IDEAS GROW INTO GAME-CHANGING SOLUTIONS. IF YOU’RE BREWING UP SOMETHING BIG, WE’VE GOT THE CREATOR COMMUNITY AND ENTREPRENEURIAL ECOSYSTEM TO BRING IT TO LIFE. WHETHER YOU WANT AN OUTLET FOR YOUR INGENUITY OR THE SPACE TO CREATE COOL STUFF, OPPORTUNITIES TO INNOVATE ARE AS DIVERSE AS MREI.
The Manav Rachna Centre for Advance Water Technology, Management (MCAWTM) was established in April 2017 under the leadership of founder Chair professor Late Dr. D K Chadha, former Chairman CGWB, GOI to pursue teaching, research, consultancy and impart training programmes in hydrogeology, water resources engineering and management, water quality and collateral environment and ecology issues. The Centre forms a pool of professionals and researchers from the field of hydrology, hydrogeology, hydrochemistry, eco-hydrology and environment management. Besides, the Center has also developed a skill set on community centric water resource development; socio-hydrology and watershed based sustainable management. The center aims to address real challenges faced by the stakeholders and also provides a platform for science and technology-based solution through non-invasive investigation, water quality analysis, recycling of waste water, surface and ground water flow and resource analysis, satellite data based interpretation, local and regional scale hydrostratigraphic analysis, mathematical modeling of water resources and GIS based applications.

The center is presently headed by Chair Professor Dr Dipankar Saha, former Member CGWB. Dr. Arunangshu Mukherjee, Director, MCAWTM and Prof & Head ES&E, MRRIS and Ms. Sreeta Rai, Assistant Professor, ES&E, MRRIS is associated as permanent member to the center, apart from other associates including Prof Sunita Sachdeva, ED & Dean Research, Prof Brjesh Kumar, Associate Dean Academics, Prof. Nadih Diayania, BT, Prof Sadiqa Abbas, Civil Eng. The center also hires services of experts based on project requirements. Currently center is running projects of about Rs 11.00crores. The MCAWTM is set up with the vision- “Clean water for all, forever”

With the vision to ensure ‘Clean water for all forever’, the Centre, in its capacity has adopted the following missions, which in turn, would guide its priorities, programme and activities.

- To enhance the quality of life by ensuring water security for all sectors of society by providing necessary research and technology inputs, for different climatic zones.
- Enabling people and organizations to become self-sufficient of their water requirement by offering an effective solution on total water management.
- Tackle water challenges of a rapidly changing world where competing demand for different social sector exist and also development of water in conjunction with environment and ecosystem.
- Addressing R&D needs of water infrastructure development through a holistic approach on a multi-disciplinary platform.
- Impacting training and helping in capacity building in water sector.
ONGOING PROJECTS OF MRCAWTM
1. DST WTI Project on Co-solving Water logging and Groundwater depletion issue in parts of Faridabad Smart City using Underground Taming of Flood water for Aquifer Storage and Recovery, from May 2021 for 36 months
2. CAIRN -VEDANTA Project on Hydro Geological Survey for Aquifer Monitoring in Barmer Area, Rajasthan, from July 2021 for 36 months
4. Union Govt flagship programme on Haryana Jal Jeevan Mission, implemented through State Implementation Support Agency (SISA), from Oct 2021 for 12 months

AWARDS
The MRCAWTM has been awarded with AQUA Excellence Award 2017 by Aqua Foundation New Delhi

ADVISORY BOARD OF MRCAWTM
MRCAWTM is having galaxy of laureates in its board of advisors
Dr. Sekhar Muddu, Professor, Department of Civil Engineering, IIS Bangalore
Dr. Ashish Pandey, Head of the Dept. & Professor, Water Resource Development & Management Dept, IIT Roorkee
Sh. Sanjay Marawaha, Member, Haryana Water Resources Regulatory Authority
Dr. Pawan Kumar Labhasetwar, Chief Scientist and Head Water Technology and Management Division, NEERI
Prof. David Polya, FSE, Associate Dean of Internationalisation, Professor of Environmental Geochemistry, Dept of Earth and Environmental Sciences, University of Manchester, UK
Dr. Bhoop Singh, Former Sc. G and Head NRDMS, DST. Presently Advisor in Jamia Milia ISLAMIA University,
Dr. J K Bhalla, Former, Director, GSI

ACCREDITATION AND MOUS OF MRCAWTM
1. MRCAWTM, MRIIRS is accredited by Central Ground Water Board (CGWB), Ministry of Jal Shakti, GOI in Oct 2021.
2. MRCAWTM has active MOU with CGWB, Faridabad, Geovale Kolkata and Kisan Sanchar Chandigarh

PROJECTS COMPLETED BY MRCAWTM
1. Reconnaissance survey for Water prospect in 10 adopted villages of Maruti-Suzuki Foundation Dec-2018
2. Detailed investigations in Khoh Village for Rainwater Harvesting, Maruti-Suzuki Foundation Jan to April -2019
3. USAID URBAN WASH Innovation Lab, May 2018-Dec-2019
5. DST NCRTC Project on Communicating Science through Model Water and Eco-Health Clinic for quality of life. March-2019 May 2020
Centre for Legislative Studies and Research, Manav Rachna University has been established to conduct critical study of pending bills and offer pre-legislative inputs for efficient law making; identify pre-requisites and suggest effective implementation of legislations; assess and evaluate the impact of legislations and propose reforms; investigate and develop legislative best practices and procedures; offer research support to legislative secretariats and legislators for the effective discharge of their legislative functions; and such other related matters. The Centre for Legislative Studies and Research (CLSR) which operates under the overall aegis of Manav Rachna University, and as a functional unit attached to the Manav Rachna School of Law. The Centre is autonomous, to the extent of proposing, deciding and undertaking projects, research and training, and academic pursuits in furtherance of its objectives. Established as a research and clinical facility on various aspects of Legislative Studies which undertakes cutting edge legislative research, skill building sessions, and provide professional services. The Centre also offers a premier certificate course on “Legislative Drafting” which is attended by leading stakeholders in legal policy and research, law students and professionals from across India.

Mr. P. K. Malhotra has more than forty years of experience in the field of law and has held many important assignments in the Government of India. He was Secretary in the Ministry of Law and Justice, Government of India; Member, Law Commission of India; Presiding Officer (Offg.) and Member, Securities Appellate Tribunal; Chairman, Adjudicating Authority, Prevention of Money Laundering Act and Judicial Member, Income-tax Appellate Tribunal. He was involved in the legislation process of Criminal Law (Amendment) Act, 2013, Companies Act, 2013, Arbitration & Conciliation (Amendment) Act, 2015, Commercial Courts Act, 2015, Insolvency and Bankruptcy Code, 2016, Securities Laws (Amendment) Act etc. Mr. Malhotra is a regular participant in seminars and public debates on legal issues. He is also a panellist on national news channels including RSTV, Lok Sabha TV, APN, etc.

Dr. SK Bose is the director of CLSR. He has more than 30 years of teaching and research experience with large number of publications. He has authored more than 12 books and number of articles on plethora of topics. He has a unique distinction in legal language due to his training in Law and Language. He is LL.M and has Ph.D. in English.

The CLSR offers Basic Appreciation Course in Legislative Drafting in addition to organizing seminars and workshops on legislative matters.

**IMPORTANT INSTRUCTIONS FOR ADMISSION SEEKERS**

**ADMISSION PROCESS**

**STEP 1** SUBMISSION OF APPLICATION- ONLINE APPLICATION FORM FILLING

Application for admission shall be submitted online only on the portal www.manav Rachna.edu.in. The candidate may fill the application form without waiting for the results of qualifying examination (XII/Graduation/Diploma as the case may be). The prospective student is advised to carefully fill all the details and prioritize the choice of programs he/she wishes to apply. Total 3 (three) choices are allowed. Application fee of Rs. 1200/- is payable. Payment can be made through Net Banking/ Credit/Debit card/E wallets at the time of submission of application. Alternatively, candidate may procure the Admission Brochure from Manav Rachna Campus, Administrative Headquarters or City Centers, details of which are available on Manav Rachna website. Admission Brochure contains a Scratch Card (voucher code) consisting of a covered number, which will facilitate submission of application form online. Admission Brochure without Scratch Card (voucher code) may be downloaded from Manav Rachna website free of cost. Once online application for admission is submitted successfully, the system will generate a unique application number which must be noted by the candidates as the same shall act as a Reference Number for all subsequent correspondence till the candidate is actually admitted.

**DIRECTIONS FOR FILLING ONLINE APPLICATION FORM**

1. Read Instructions for filling up Online Application Form carefully on the opening page after you Click ‘Apply Now’ on the Manav Rachna website Home Page.

2. Keep a Digitized Photograph ready on your Computer Desktop for uploading with maximum 80 KB memory, 30mm x 45mm in size in a formal dress against plain background. Candidates are advised to avoid photographs in T-Shirts/Tops/ Flashy Clothing because this photograph will be used for all subsequent transactions including preparations of ID card and Academic Transcripts. Also keep ready scanned copy of Secondary School Examination Certificate (10th as proof of Date of Birth), Senior Secondary School Examination Certificate (10+2 mark sheet), final year consolidated mark sheet/ Provisional Certificate Degree/ Diploma Certificate of the qualifying examination, if any.

3. Fill-up all fields with the correct information; Applicant’s & Parent’s detail as given in the mark sheet/testimonial of last qualifying examination. Do not use all Capital/ Small Letters. Use Sentence case. Mandatory fields are marked with Asterisks, without which application will not be submitted. You will have the liberty to edit certain fields as indicated in the format of application including Address, Mobile Number, Qualifying Examination Result etc.

4. Take out print-out of the final version of the online application form which must be brought at the time of Physical Verification of Documents/ Enrollment Process.

**Note:** The fee payment of Rs. 1200/- made against the application form is non-refundable.
STEP-II UPLOADING OF DOCUMENTS

Every candidate shall be required to upload the following documents along with the application:

- Class 10th mark sheet: Mandatory for all Programmes
- Address Proof: For all Programmes

UG Programmes

- 12th standard mark sheet (if result is yet not announced: school ID card + score card of XI class / predictive score of XII class issued by school authorities): Mandatory
- For UG Engineering Programmes, mark sheets/score of merit defining document i.e. Valid Score of JEE Mains-2022/ SAT/ PEARSON, as applicable, in which the candidate has appeared.

PG Programmes

- 12th standard mark sheet: Mandatory
- Pre-final Year Mark sheets of higher education qualification (For PG Program): Mandatory
- Valid Score of GATE-2022 for M.Tech. Programme, if candidate has appeared

STEP-III SELECTION OF CANDIDATE AND OFFER OF ADMISSION LETTER

Merit Defining Document: Admission to various programs is based on merit as specified in Admission Brochure for various programmes. For details refer page no. 134 to 152. Admissions to all programs are also made on the basis of Manav Rachna National Aptitude Test (MRNAT) for which the scores shall automatically be picked up for merit. The complete details of MRNAT-2022 is given at page 124 of Admission Brochure.

a. All Candidates shall be allowed to prioritize choices amongst the programs at the application stage itself. A candidate, who initially does not get the choice program in the first list, shall be offered admission in subsequent choices filled. University shall announce vacancy, if any, at a later date and a deserving candidate shall have an option of appearing in the ‘on the spot counseling’ and may get up graded as per the merit of the participating candidates.

b. Seats in the programs shall be allotted on the basis of preferences indicated in the application form, strictly in order of merit.

c. The program wise merit, amongst applications received shall be drawn based on the actual marks scored by the candidate in Merit Defining Exam Score. For JEE mains 2022 Exams, marks in Overall category shall only be considered and marks under any special category or state etc. shall not be taken into account.

d. The vacant seats, if any, after filling the seats for each programme on merit with relevant score in JEE Mains-2022/ SAT/GATE/MRNAT/PEARSON entrance test, shall be filled-up on the basis of qualifying examination on merit.

e. More than one list may be announced. All selected candidates shall be communicated with Admission offer letter, further guidelines and other details through e-mail. Candidates are advised to check their SPAM or JUNK folder as well regularly and white-list the following email id: facilitationcentre@manavrachna.edu.in Please note that this is the only official mail ID of the University, for all communications related to admissions in the year 2022.

NOTE

- It is essential for the candidate to provide the marks of the merit criteria determining examination to the University immediately, after declaration of results. Candidate is required to log in to application form, fill in details and submit the application form. The details have to be filled before the due date of merit announcement. Non-compliance shall be at candidate’s risk and no claim can be made for consideration for merit.

- Candidates who are offered provisional admission based on declared scores in the application, will be required to produce proof of having passed the qualifying examination to the University authorities at the time of physical verification of documents failing which, such provisional admission will stand cancelled. No representations for extension of dates shall be entertained. IB/ Cambridge qualified Candidates shall be required to obtain the 10+2 equivalence certificate from AIU before above deadlines. Failure to do so may lead to cancellation of admission.

Any wrong declaration of marks/ Scores, which affects the merit/provide undue advantage, shall lead to disqualification of the candidate and withdrawal of admission.

The detailed schedule for Admission for various programs is tabulated in Admission Calendar. Please refer page no. 153 of Admission Brochure.
STEP-IV - ACCEPTANCE OF ADMISSION AND PAYMENT OF FEE

All the selected candidates, who receive Admission Offer Letter from the University shall be required to send the Acceptance of Admission for the offered programme in the format which shall be sent by the University Authority along with the Admission Offer Letter.

Thereafter, the candidate shall be required to deposit the 1st installment of fee as detailed at page 134-152 in the Admission Brochure for various programmes within one week of offer of admission by using any mode as given at page 124-125 of Admission Brochure.

STEP-V PHYSICAL VERIFICATION OF DOCUMENTS AND ENROLLMENT PROCESS

a. All the candidates, who have accepted the admission after receipt of Admission Offer Letter, shall be required to report at designated venue's for "Physical Document Verification/ Enrollment Process" as per the slots given to them. Candidates are required to bring Letter of Offer of Admission and all the original fee receipts.

Candidates shall also carry all relevant documents in original along with a set of self attested photocopies. Candidates shall upload all the documents (see list on University website at www.manav Rachna.edu.in) on Admission Portal prior to verification process.

b. Candidates can appear in the "Physical Document Verification/ Enrollment Process" after deposition of 1st installment of academic fee, as given on the website. Fee can be deposited using any mode as given at page 124-125 of Admission Brochure (at least 3 days prior to appearing for this process). After verification of relevant documents, all successful candidates shall be issued the Provisional Admission Letter along with temporary I-card of the University.

However, in case any provisionally admitted candidate fails to prove his/her eligibility as stated in Admission Brochure from page 134 to 152 by 14th August (for all UG/PG Engineering, MCA and MBA Programmes) and by 30th September for all other programmes, his/her provisional admission shall automatically stand cancelled, for which he/she will have no claim.

RESERVATION OF SEATS

Manav Rachna University presently follows the reservation policy as under:

- NRI/Foreign National/PIO seats: 5% in all programmes.
- General Seats: 95% (25% seats are reserved for Haryana domicile students, of which 10% seats are for the SC candidates of Haryana).
- Kashmiri Migrants: 1 seat over and above the normal intake in all the UG programmes.

RELAXATION IN ELIGIBILITY

- SC/ST candidates shall be eligible for 5% relaxation in eligibility criteria whereas OBC Candidates shall be eligible for 3% relaxation in the eligibility criteria in all the UG, PG and Doctoral Programs.
- Candidate with minimum 40% Disability shall be eligible for 3% relaxation in the eligibility criteria in all the UG, PG and Doctoral Programs.

The candidates belonging to any of the following categories, Single Girl Child, Sports Persons, Ward of Defense Personnel/ Para Military Forces shall also be considered for relaxation up to maximum of 5% in eligibility criteria in all the programs on case to case basis.

Disclaimer: The details given in the Admission Brochure are correct as at the time of going into press. The Institute reserves the right to add / delete / modify the contents without prior notice. However, the same will be notified on the website.
MRNAT (Manav Rachna National Aptitude Test) shall be conducted by the University across various disciplines. The test is applicable for candidates seeking admission to undergraduate and postgraduate programs of all disciplines. The test has 2 major components:

1. **Online exam:** It is an objective type online exam of 90 minutes duration with questions from syllabus covered in the qualifying exam (e.g. XII or Graduation as the case may be) and/or aptitude for the program applied for.

2. **GD and/or PI:** Candidates shall be assessed for communication skills, ability to express themselves effectively and put across their point of view. They may be challenged to demonstrate their problem solving skills and their ability to be a team player.

University has deployed technology developed by India’s leading assessment agency to ensure fair and transparent conduct of online test. The candidates shall be allotted a designated computer system in the examination centre and shall be required to login using Application Sequence Number and Password as conveyed to the applicant through email or in the exam hall prior to the examination.

It is therefore advised not to share Email IDs and Password with others to avoid complications. The questions shall appear on the monitor and the candidates shall submit answers by using mouse only. The computer system is connected to a Central Server which delivers the test in real time without web connectivity. All other functions are disabled in the machine and there is no Human involvement in the test. No formal computer knowledge is required to appear for the test. The candidate will be intimated about the place, date and time of the Test, through email and SMS well in time. For all Programmes, the Test would be conducted at Manav Rachna Campus & other locations as given on the University website.

**NOTIFICATION OF SCHEDULE FOR MRNAT FOR ADMISSION**

1. The detailed admission calendar/key dates is appended at Page No 140 of this brochure.

2. The candidates shall be notified through official E-mail for slot and venue for conduct of MRNAT-2022 depending on the date of submission of his/her online application for admission and address. However, under exceptional cases the University Authority may consider the candidate’s request for change of time slot/venue.

3. Candidates are advised to look for notices/alerts by clicking the ‘Admissions’ Tab on Manav Rachna website.

4. The selected candidates on the basis of MRNAT-2022 shall be sent Offer of Admission as mentioned above under step III of Admission Process:

PROCEDURE FOR CHANGE OF
PROGRAM
Under exceptional circumstances, request
for change of program may be considered
with the approval of competent authority
the recommendations of the Dean of
Faculty concerned in which admission has
been already sought on payment of
requisite processing charge of Rs. 3000/-
within same University and 5000/- in case of
MRRIRS to MRRU and vice versa.

Migration from/to other
Universities:
A candidate may be allowed to migrate
to the University from other Universities,
preferably at the beginning of the semester
on the recommendation of the committee
constituted by the University, subject to
his/her fulfilling the criteria laid by the
University. Similarly, a student seeking
migration to other University shall be issued
an NOC on the recommendation of a
committee constituted by the University.

Migration Fee
One time fee for students applying for
migration from other Universities/
Institutions is Rs 25000/- and is payable
at the time of admission.

IMPORTANT
INSTRUCTIONS FOR
ADMISSION SEEKERS
FOR PROGRAMMES
AT MRDC
SUBMISSION OF
REGISTRATION FOR
ADMISSION
Registration for enquiry admission shall
be submitted online only at the College
website www.mrdc.ac.in for which fee of
Rs. 1200/- is payable. Payment can be
made through Credit/Debit card at the
time of submission of application.
All candidates need to register themselves
at www.mcc.nic.in [UG Counselling 
& Deemed University section] for BDS and
www.mcc.nic.in [PG Counselling & Demed 
University section] for MDS. Merit list
generated on the basis of NEET score and
correspondingly seats are allotted. It is advised
to kindly follow the website for any change
of rules & regulations with respect to
counseling. The candidate called for the
counseling will be required to produce all
the original documents/certificates/marksheets
etc. at the time of counseling. Under
no circumstances, will any relaxation be
allowed to the candidates as regards
appearing in person before the board on
the fixed date and time and producing the
requisite original documents/certificates/
marksheets. The candidates will be
called for the counseling before the Admission
Committee according to the respective
merit and will be entitled to exercise their
choice regarding subject according to the
availability of the seat(s) at their respective
merit at the time of counseling. The
admissions will close as per the mandate
of the Supreme Court of India. Note: If
two or more candidates secure identical
marks in the merit list of NEET, their relative
merit will be determined as per the
procedures laid down by the competent
admission authority.
Other Conditions for MDS Course

On receiving unsatisfactory report about any student from his/her Supervisor and the Head of Department during the course, the admission is liable to be cancelled.

Admission will also be subject to the following conditions:

1. Students coming from universities other than MRRIS, Faridabad will be required to deposit migration certificate and all other original certificates immediately after the start of the session.

2. Candidates admitted to the MDS course will be required to submit synopsis of research work to be undertaken by them to the concerned post-graduate Board of Studies within six months of their joining. The period of six months may be relaxed in exceptional cases, for which the candidates will have to apply to the concerned Board of Studies, along with the recommendations of the supervisor and head of the department. The students must submit their final thesis at least six months before the theory and clinical/practical examination. Relaxation up to one month may be given in exceptional cases.

3. The candidates will be required to pay the fees & other dues etc. as prescribed from time to time, by a prescribed date.

4. A candidate can be fined, suspended or expelled from the College/Hostel by the Principal/ Director for reason like indiscipline, misconduct, absence from classes/academic duties, non-payment of College/hostel dues in time and use of unauthorized electrical/electronic appliances etc. The quantum of punishment, mode of enquiry etc. will be decided by the concerned Principal/ Director/head of the Department.

5. No candidate, after joining the P.G. course, will be allowed to apply for any appointment (including senior residency/Demonstrator-ship) till the completion of the course.

6. If a student absents himself/herself from duty, intimation to the effect will be sent by the concerned Head of the Dept. to the Principal/Director within 48 hrs. If the period of absence exceeds 2 days, the Head of the Department/Unit, shall not allow any such student to join his/her duty without prior permission of the Director/Principal.

7. The candidates selected for the admission to the P.G. Degree course will be required to give an affidavit to the effect that they are not undergoing any training at any other Institution and will not appear in other All India Entrance Examination.

8. If a student remains absent continuously for two weeks or total of six weeks in one year (without getting leave sanctioned), his/her Admission shall stand cancelled. For reasons like illness, certificate (up to four weeks continuous or with break) issued only by the Director, P.G. Studies/Principal will be accepted. If a candidate leaves the station with permission and fails ill, certificate on simple OPD card or prescription slip will not be treated as Medical Certificate. Medical leave beyond four weeks, the candidate will have to apply and appear before a medical Board to be constituted by the Principal. Only a medical certificate issued by the medical Board will be accepted. However, the period of such leave sanctioned will have to be compensated by undergoing training for the extended period equal to the period of leave availed before appearing in the examination. If a candidate fails to appear before the medical Board, his/her admission shall be cancelled without any further notice. Further, if a candidate leaves the country during his/her course without permission of the competent Authority, his/her admission shall be cancelled without any notice.

9. If a female student avails Maternity leave during the course, the same will be allowed as per the DCL instructions.

Bank Guarantee Bond

Each candidate will be required to execute a bank guarantee/bond as per notification issued by MRRIS, Faridabad These guidelines are available on MRRIS website- www.manavrrchana.edu.in

However, refund of fees is governed in accordance with the guideline issued by UGC/AICTE from time to time.

Candidates may withdraw their admission by submitting a request of withdrawal application in person along with the original copy of Admission letter, Receipt of the fee deposited and Temporary Identity card issued at the time of admission to the office of the Registrar, MRRIS through Deputy Registrar, Registration & Scholarships, MRRIS in Block-P, Ground Floor, MRRIS Campus far which he/she must obtain acknowledgement.

Correspondence in respect of refund of fee against withdrawal shall not be entertained until and unless it is in reference to the Acknowledgement No. and Date given by the Deputy Registrar, Registration & Scholarships, MRRIS at the time of receipt of Withdrawal application.

A student admitted in the MRRIS shall be required to pay the fee for the entire duration of the course on annual basis in two installments. If a student is detained due to whatsoever reason, he/she shall be required to pay the fees again, when he/she is re-admitted, as per rules/policy. Once a candidate has beenadmitted and has reported to respective faculty, all further dealings including withdrawal are to be made through the respective head of the faculty/Registrar of the MRRIS.
PHYSICAL VERIFICATION FOR ADMISSION

- It is absolutely mandatory for the candidates to appear in person for physical verification for admission before the Admission Committee. No relaxation of any kind is permissible in this regard.
- Candidate must bring the following documents in original along with two sets of attested photocopies:
  1. Secondary School Examination Certificate (10th) - as proof of Date of Birth
  2. Senior Secondary School Examination Certificate (12th)
  3. Detailed Mark sheets/ Provisional Certificate/ Degree / Diploma Certificate of the qualifying examination.
- On the day of physical counseling, candidates shall report on the Registration Desk, arrange documents in the specified sequence in the file cover given on the spot, appear before the Document Verification Committee for verification of documents and move to the Admission Committee if found eligible.
  5. Result card of the NEET entrance examination.
  6. 4 passport size coloured photographs in formal dress.
- All other documents must be submitted during orientation after start of classes or within 3 days from the date of admission, whichever is later.
- Admission committee shall allot the seats to the Candidates in order of merit subject to its availability and the candidates shall be required to deposit fee on the spot either through Demand Draft, Credit / Debit Card or in Cash. Cheques shall not be accepted. Additional convenience charges are payable as per rules in case of payment is made through Credit / Debit Card.
- The seat shall be deemed to be allotted only on submission of fee. If a candidate fails to deposit the fee on the spot, the right to admission shall be forfeited and the seat shall be offered to the candidate next in the merit list.
- If a candidate reports late for admission on the designated day and time, he/ she will be offered the seat available at the time of his appearance before the Admission Committee.
- All Candidates are advised to report on the day of physical counseling in a formal and presentable dress as a fresh photograph may be required to be clicked on the spot.
- All Students admitted in various programs shall collect their original testimonials / certificates at the time of allotment of seat against acknowledgement. All such students are also advised to keep a watch on MRDC Website for further instructions if any.
- The Admission Committee shall ensure allotment of seats purely on merit. Canvassing of any kind may result in denial of admission.

LIST OF OTHER DOCUMENTS TO BE DEPOSITED AFTER ADMISSION

In addition to the documents mentioned under clause 4 above, all students will be required to deposit following documents either during the orientation program or within 3 days from the date of admission whichever is later:

1. Certificate of Medical Fitness
2. Migration Certificate
3. Proof of Residence (Ration Card/ Electricity Bill/ Telephone Bill/PAN Card/Driving License etc.)
4. Affidavit by candidate and by parents for “Anti Ragging”
5. Any other document required/ notified later

GENERAL INSTRUCTIONS

- The student would be liable for necessary action as deemed fit by the MRDC for any wrong information filled in the application form. If a candidate is admitted on the basis of information submitted by him/ her, which is found to be incorrect or false on a later date, his/ her admission shall be cancelled and all fees & other dues paid by him/her shall be forfeited. The University may also take further action as deemed fit against such candidate &/ or his/ her parents/ guardians as considered suitable.
- All fees through Demand Draft are payable in the name of Manav Rachna International Institute of Research and Studies only.
Mere inclusion of the name of a candidate in the merit list would not ensure his/her admission. Candidate would be required to prove his/her eligibility for admission by providing original and genuine documents in support of the claim made.

The admission made by MRDC shall be provisional, till the same is confirmed by the Registration Branch of MRRIS.

If the Institutions Authorities are not satisfied with the character, past behavior and antecedents of a candidate, they may refuse to admit him/her in the College. In order to ensure academic standards, discipline and congenial atmosphere in the College, the Vice-Chancellor of MRRIS may cancel the admission of any student who is found to be involved in activities which are prejudicial to maintaining harmony on the campus.

The College has a streamlined method of redressal of grievances. The Grievances Redressal Committee addresses all kinds of grievances including those pertaining to admissions, examinations, conduct on the campus etc. on top priority.

The College has a Vishakha Committee to deal with all Sexual Harassment related issues, which are handled on utmost priority. The candidates who are admitted in the College would be required to follow all rules and regulations in letter and spirit, conduct themselves in an orderly manner and maintain the best decorum, failing which suitable penal action would be taken against them.

Canvassing in any form for influencing the admission by any candidate and/or his/her parents/guardians would result in his/her summary rejection for admission.

The admission procedure is subject to modification, without notice, as per directions of DCI/State Govt./Affiliating University or any competent authority.

The final cut off date for admission to all the courses is 31st May for MDS and 30th September for BDS course, as per guidelines of DCI.

All applicants are instructed to follow the MRDC website on a regular basis for date of counseling and other details related to the admission process.

The contents of the Admission Brochure are subject to change without prior notice. All disputes pertaining to admission under the domain of Admission Brochure are subject to the jurisdiction of Courts at Faridabad only.
The cost of Registration form will not be refunded under any circumstance.
The candidate is admitted on the basis of information submitted by him/her and if, at any subsequent stage, it is discovered that any portion of this information is incorrect, the student will be removed from the Institution and all fees & other dues paid/livable to be paid up till the date of such removal shall be forfeited/charged. Any further action, as deemed suitable, may also be taken by the Institute against such student.

In case of any ambiguity in the rules, the interpretation of the same as drawn by the Director-Principal, MRDC.

A student who violates the above conditions wilfully or otherwise shall be liable to expulsion.

Instructions/direction to modify/change the condition(s) can be issued by the MRDC prior to counseling with the prior approval of the competent authority.

The candidates placed in the merit list provisionally must produce all the documents in original along with their attested copies at the time of counseling.

The Admission Committee shall have the power to call any document from the candidate in support of his/her claim and reject any certificate not considered valid.

The decision of the Admission Committee in this regard shall be final.

All admissions are subject to their approval by the affiliating university, after completing necessary requirements as per rules/ordinances.

A candidate already admitted in any Dental College in BDS/MDS course will not be considered eligible for admission to BDS/MDS course.

It is clarified that BDS/MDS course is a regular full time course. A candidate selected for the same is barred from private practice during the tenure of the course.

The selection for admission will be treated as cancelled, if the selected candidate does not join the college on the stipulated date fixed by the Admission Committee.

If any candidate or his/her parents or guardian are found to have submitted any false undertaking/affidavit/certificate, not only the candidate’s admission will be cancelled but the person filing the undertaking/affidavit will also be liable to be prosecuted in accordance with law.

On the failure of the selected candidate to report for admission, the vacancies caused would be filled from the candidates from the waiting list in the order of merit Method of Selection and Admission.

The details given in the Admission Brochure are correct as at the time of going into press. The Institute reserves the rights to add/delete/modify the contents without prior notice. However, the same will be notified on the website.

There is a Provision of Teaching Assistantship for the candidate enrolled for M.Tech. Programmes, as detailed below:

The selected candidates having more than 70% overall marks or 7.00 CGPA in the qualifying examination shall be provided teaching assistantship on the recommendations of the committee constituted by the Vice-Chancellor of the University. Under this provision, such candidates shall be required to engage with Professors/ Associate Professors of the University for Practical and Tutorial Classes with total assignments of 8-10 periods/week and they shall be paid stipend of Rs. 10000/- per month with a maximum limit of payment for 12 months during the complete duration of the M.Tech. programme.

The candidate of M.Tech. Programmes can either avail the above free ship policy for PG programme or Teaching Assistantship.

Note: Total Free ship/ Scholarships to students under all categories stated above (from B to E) put together shall be limited to maximum 20% of the sanctioned intake for the programme of admission.

F) MERIT CUM MEANS SCHOLARSHIP

MRU offers Scholarship based on merit cum means, to the candidates admitted under reservation for Haryana Candidates. Scheme shall be applicable to all Undergraduate and Post Graduate Programs. The scheme is applicable to all the students whose parents have annual income up to Rs. 2.80 Lac from all sources. Under the scheme, the students shall be given fee waiver limited to the tuition fee as per the following scale. Candidates are required to pay other fee as applicable to the programme concerned.

- One fifth of the twenty five percent shall be granted full tuition fee concession,
- Two fifth of the twenty five percent shall be granted fifty percent fee concession,
- The balance two fifth of the twenty five percent shall be granted twenty five percent fee concession.

Conditions for Continuation of Free ship/ Scholarship in Subsequent semesters for above categories

Progress of students awarded scholarship in subsequent semesters shall be reviewed after end of every semester for continuation, based upon his/her performance in the previous semester. For continuation of scholarship student shall be required to:

- Maintain a minimum SGPA of 7.0 in each semester without any backlog.
- Have 75% attendance in all courses in each semester.
- Applicants should not have been suspended for any grave act of indiscipline by the university.
- No disciplinary action against the applicant is established or pending in case of ragging or eve teasing.
- The applicant should not be receiving any other scholarship from any other source whatsoever, for which a certificate signed by student & parents is to be provided.

NOTE:

For purpose of Scholarship/tuition fee waiver, the marks will not be rounded off to the next higher figure and calculation of percentage of marks shall be made on the basis of eligibility subjects in the qualifying examination (same number of subjects).

G) Free ship/ Scholarships to the Wards of MREI Employee: 25% Tuition fee Waiver (limiting up to maximum of Rs. 12500/ per semester) to First Child only, however, if first child is already getting scholarship on the basis of Merit then this benefit would be passed to second child, if applicable.
H) Free ship/ Scholarships to the Siblings of Manav Rachna Student in any of the HEI: 10% Tuition fee Waiver (limiting up to maximum of Rs. 5000/- per semester) to the Sibling (brother/sister) of Student already enrolled in any of the Programme at HEI of MREI. Only elder one of the siblings would get the said benefit.

I) Free ship/ Scholarships to the Alumni of Manav Rachna Educational Institution: Student who is an Alumnus of any of the Manav Rachna Educational Institutions (Schools or HEI), eligible for 10% Tuition fee waiver (limiting up to maximum of Rs. 5000/- per semester) during admission to the programs offered by any of the HEI.

J) Free ship/ Scholarships to Girl candidates: 10% Tuition fee Waiver (limiting up to maximum of Rs. 5000/- per semester) shall be available to all girl candidates in all the UG & PG Programmes provided candidate has scored 60% marks in the qualifying exam as per eligibility conditions of the Programme.

In case, candidate is eligible for any free ships/ scholarships in either of above stated categories from A to E, he/she shall be getting the benefit stated in G, H, I & J category over and above to free ship/scholarship of that category with a maximum limit upto 100% Tuition Fee Waiver.

Otherwise, Candidate can avail a maximum of one scholarship at a time, amongst clause A to E as listed above.

Note:
- Proof of relationship is to be provided wherever applicable
- For continuity, University Scholarship policy would be applicable from 2nd Semester

K) Suitable free ship shall be available to high achievers in the field of sports, persons suffering with Thalassemia Major, sons/ daughters of Army Personnel who have been killed in war/ terrorist attack, physically handicapped students etc. on case to case basis.

L) Scholarship for outstanding achievers in sports category
   A provision of scholarship for outstanding achievers in sports is available for admission seeker at Higher Educational Institutions (HEIs) as per following categories:

<table>
<thead>
<tr>
<th>Event/ Level</th>
<th>Participation</th>
<th>Medal Won</th>
</tr>
</thead>
<tbody>
<tr>
<td>Olympics</td>
<td>100% of Tuition Fee</td>
<td>100% of Tuition Fee</td>
</tr>
<tr>
<td>Asian Games/ Asian Championship</td>
<td>75% of Tuition Fee</td>
<td>100% of Tuition Fee</td>
</tr>
<tr>
<td>Common Wealth Games</td>
<td>50% of Tuition Fee</td>
<td>75% of Tuition Fee</td>
</tr>
<tr>
<td>World Cup</td>
<td>50% of Tuition Fee</td>
<td>75% of Tuition Fee</td>
</tr>
<tr>
<td>National</td>
<td>25% of Tuition Fee</td>
<td>50% of Tuition Fee</td>
</tr>
<tr>
<td>State (with compulsory participation</td>
<td></td>
<td>25% of Tuition Fee</td>
</tr>
<tr>
<td>in National)</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

The candidate seeking admission under any of the above categories of sports shall be required to produce the relevant documents of proof of his/her participation and Medal Won. Sports Committee under Director-Sports will take the final decision regarding Scholarship.

The scholarship under this category shall be given in the first semester and its continuation shall be decided by a committee constituted by the Competent Authority of the Institution / University.

MERIT SCHOLARSHIP TO SEMESTER/BRANCH TOPPERS

In order to motivate the students for better and sustained academic performance, MRU offers ‘Merit Scholarship to Semester/ Branch Toppers’ already in place, for students bagging 1st, 2nd and 3rd positions in the Odd & Even semester exams (Based on the amalgamated CGPA/SGPA) every year for each programme being run at MRU, as under:

a. First Position: Rs. 15000/-
b. Second Position: Rs. 10000/-
c. Third Position: Rs. 7500/-

The following are the guidelines for granting these Merit Scholarships:

1. Any programme having strength of 90 students or more in semester exam shall qualify for first, second and third position scholarship.

2. Any programme having strength more than 50 students and less than 90 students in semester exam shall qualify for first and second position scholarship, otherwise only a solitary topper shall be given a first position scholarship.

3. If the strength of a course is 10 or less no scholarship will be awarded for that course.

Scholarships Based on Innovation/ Publication/ Patent filing/ International or National Level Competition:

There is a provision of scholarship for outstanding achievers in the area of research, innovation, prototype development and their outstanding achievements at national & international level competitions for students at Higher Educational Institutions (HEIs) for the following categories as per policy of the University:

- Startup Registration after generating grant from Govt./ Pvt. Funding organizations
- Competition Winner for Innovative projects
- Patent Granted
- Patent Published
- Patent Filed
- Research Publications
CATCH UP WITH AN EDUCATIONAL CURRICULUM THAT BUILDS ACADEMICS AROUND SPORTS. AN INTENT TO MEET THE GROWING DEMAND FOR GRADUATES, EXPECTED TO BE EFFECTIVE ADVOCATES AND LEADERS IN THE DEVELOPMENT, MAINTENANCE, AND PROMOTION OF HEALTH-ENHANCING PHYSICAL ACTIVITIES AND SPORTS. AT MANAV RACHNA, THE FOCUS IS ON INTERDISCIPLINARY AND MULTIDISCIPLINARY APPROACH TOWARDS WHOLESOME GROWTH OF THE STUDENTS IN SPORTS AND SPORTS AND SPORTS SCIENCE. VARIED TIE-UPS WITH RENOWNED SPORTS NAMES AND EMERGENCE CHAMPIONS STAND TESTIMONY TO IT ALL.
### PROGRAMMES TO BE OFFERED AT MRIIRS IN AY 2022-23

**Sub Total** 600

---

**Note A:** Chemistry/Computer Science/ Electronics/ Information Technology/ Biology/ Informatics Practices/ Biotechnology/ Technical Vocational subject/ Agriculture/ Engineering Graphics/ Business Studies/ Entrepreneurship

**Note 1:** The students articulating into the AUT programme will be required to take the specifically stated courses through MRRIS over the first 2 years of study of B.Tech. Civil Engineering, equivalent to 240 NZ points. Entry into the AUT programme will be dependent on the CGPA attained by the MRRIS student, at one of three entry points as described below.

Total study points in AUT will be 240, 300 or 360 depending on entry CGPA.

- If CGPA at MRRIS is > 8, then entry at AUT will at Level 7 - Direct into start of 3rd year. This will be a genuine 2+2 articulation and student will have to earn another 240 points at AUT.
- If CGPA at MRRIS is between 7 and 7.9, then entry at AUT will at Level 6 - Direct into second semester of second year of AUT This will be a 2+2.5 articulation and student will have to earn another 300 (240-60) points at AUT
- If CGPA at MRRIS is between 6 and 6.9, then entry at AUT will at Level 5 - Direct into start of second year of AUT This will be a 2+3 articulation and student will have to earn another 360 points at AUT.

*New Programme subject to approval of AICTE*
Note-2: The eligible students under this programme shall have a provision to proceed to Purdue University North West (PUNW) USA in 2nd year or in 3rd year directly with transfer of credits of all courses/subjects studied at MKIIRS as per mapping of the courses and thereafter can complete rest of their programme of B.Tech. at (PUNW) with award of degree of PUNW, USA.

Note-3: With Intel, this programme provides an opportunity to the students to learn the insights to the most important technologies driving the future world namely Artificial Intelligence and Internet of Things. Students will be given 360 degree exposure to various INTEL Hardware and Software platforms that are used in Industry for AI and IoT development. Curriculum designing in consultation with INTEL Experts will provide an opportunity to the students to acquire the latest skills in these cutting edge technologies using Intel Intelligent Systems Lab through INTEL experts. Students will get an opportunity to work on INTEL Xeon Processors, INTEL Parallel Studio Software, INTEL System Studio Software, INTEL AI development Tools, INTEL AI Software Libraries, INTEL Frame Work Optimization, Movidius Neural Compute Stick and INTEL FPGA Boards. In the IoT Space, the students will get to learn about INTEL Galileo, INTEL Edison Boards along with other popular boards like Raspberry Pi and Arduini for designing IoT Systems. Students will get certified on successful completion of the course which caters to the need of Industry 4.0, theory and lab Courses related to Artificial Intelligence, Machine Learning, Internet of Things and detailed coverage of Electronics hardware that is driving these technologies.

This programme opens up job opportunities for the Students in various Electronics and IT industry and various sectors like Health Care, Core Electronics, driverless cars and various other areas where AI and IoT are playing an important role.

Note-4: 65% or above (equivalent to UK 2:2 classification). Overall minimum CGPA: 6.5 out of 10 at the end of their 3-year programme to progress to Master Program.

**Note-5:** This programme is offered in association with Mitsubishi Electric India Ltd. as a Knowledge Partner. Mitsubishi Electric India has set-up an Advanced Factory Automation Lab and its Centre of Excellence. The centre has world class infrastructure with latest iQ set up including Q series Programmable logic Controller (PLC), Servo, Variable Frequency Drive (VFD), Graphical Operational Terminal (GOT) 2000, XY Plotter, FX Kits, Robot Simulator setup with six axis joint & 240 degree in either direction which is the First Robotics Lab set up by MEI in the north India and SCADA Software for monitoring and analysis. M. Tech Automation & Robotics will enable students to serve the Industry requirement for implementation of new and smart technologies covering methods of synthesis, analysis & optimization of newer robots and mechanisms. The initial job functions in the field include Robotics Engineer, Robotics Welding, Mobile Robotics, 3D Robotics, and Robotics Engineer at E-commerce Giants amongst others. Immediate & long term employment opportunities exist in the fields like industrial automation, manufacturing, agriculture, mining, aerospace, healthcare and defense. This field also finds applications in the regular streams like mechanical systems/design engineering, electronics systems engineering and control systems engineering.

The programme includes: Hands-on Experience on Robotics and Automation by Theory & Practice, Development of analytical skills, modeling and simulation skills to identify and analyze problems, propose and execute solutions in well equipped labs and Training on latest lab equipments, CNC machining, 3-D printers and CAD design software.

**Note-6:** Students to have achieved first year of M.Sc. average at MR grade point (CGPA) of 6.5 out of 10 (65% or above) to progress to the Asstn programme.

The programmes namely B.Tech - Computer Science and Engineering, Electronics & Communication Engineering, Mechanical Engineering and Biotechnology are accredited by National Board of Accreditation (NBA) under Tier-I Category.

Note: B Student undertaking B.Com (Hons.) with ACCA courses will have 13 ACCA papers integrated within the program. Students need to complete 13 papers for an ACCA qualification. 9 papers are exempted in ACCA knowledge and skills modules. The student can write the ACCA 4 Professional Level papers from the second year. B.Com (Hons.) with ACCA will help the students to finish ACCA Professional qualification without much additional training since the curriculum is already integrated or embedded in the B.Com (Hons.) syllabus. ACCA is an internationally recognized certification. Students studying B.Com (Hons.) with ACCA get to study all the aspects essential for commerce and business, ranging from accounting, taxation, marketing, management, reporting, law, government compliances along with regular B.Com subjects. B.Com (Hons.) with ACCA candidates get job in areas of audit and assurance, business development, business restructuring, commercial finance, compliance and risk, consulting and advisory, corporate and business accounting, corporate finance etc.

Note 7: Specialization under Cyber Security focuses on providing students with industrial exposure and case studies for a practical outlook. The professionals from the company themselves conduct the lecture and teach students what is actually practiced in the global industry. The course will cover the Design of Secure Networked Systems, Develop Secure Programs with Basic Cryptography and Crypto API, Hacking and Patching Web Applications, Perform Penetration Testing, and Secure Networked Systems with Firewall and IDS, which will prepare the students to perform tasks as Cyber Security Engineer, IT Security Analyst, and Cyber Security Analyst.

Data Science and Big Data Analytics gives exposure to smart automated data tested solutions for Hadoop, Data lakes & No SQL database. Work on data products for future Businesses with Cloudera Data science environment.

AI & ML is an Industry-aligned programme for learning in-demand skills such as deep learning, NLP, Reinforcement Learning, work on many industry projects & multiple programming tools. Engage in collaborative real-life projects, dedicated mentorship, & access to upGrad's career assistance resources by experts.

FROM HERE TO INFINITY

DISCOVER THE PLACE WHERE YOUR PASSIONS AND POSITIVE IMPACT COLLIDE. HERE, IN THE MIDST OF THOUGHT-PROVOKING PROFESSORS, INSPIRING PEERS, WORKPLACE MENTORS, AND STARTUP ADVISORS, YOU’LL FIND YOUR NICHES AND YOUR UNIVERSE. THEY’LL SUPPORT YOUR SUCCESS, CHALLENGE YOU TO DIVE DEEPER, AND EVEN SHARE IN YOUR EXCITEMENT ABOUT THE THINGS THAT LIGHT YOU UP. BE UNSTOPPABLE.
At a grand convocation ceremony of Manav Rachna University (MRU), Manav Rachna Dental College (MRDC) and Manav Rachna International Institute of Research & Studies (MRIIRS) more than 2000 students were awarded doctoral, post-graduate and graduate degrees. 88 students were bestowed with medals and certificates in recognition of their exceptional achievements in academics, research, sports, creative arts, community involvement and professional development.

Shri Bandaru Dattatraya Jee, Honourable Governor, State of Haryana, was the Chief Guest on the occasion.

Honorary CAUSA degrees were bestowed upon 6 stalwarts including Shri Atul Kohari Jee, Rashtriya Sachiv, Shiksha Sanskriti Uthhan Nyas; Padma Shri Prof. (Dr.) Mahesh Verma, Vice-Chancellor, Guru Gobind Singh Indrapuram University; Shri Ranjan Kumar Mohapatra, Director (HR), Indian Oil Corporation; Shri Ranjan Sodhi, PPS DSP; Shri Vijay Kumar Dev, IAS, Chief Secretary, NCT Delhi; Shri Vikram Tandon, Group Chief Human Resource Officer, Adani Group, who were also the guest of Honour on the occasion.

Congratulating graduates on the Convocation Ceremony Padma Vibhushan Dr. Krishnaswamy Kasturirangan said, “The diversity of courses offered at Manav Rachna represents the diversity and multidisciplinary that forms a rich backstop for students to take a full advantage of several aspects of the recommendations which are now a part of NEP 2020. NEP considers needs and aspirants of everyone to form a just and equitable society.” He emphasized the promotion of Indian art and cultures both at personal and national level, and asked everyone to contribute in the service of others”.

Mr. Arunabh Borah, MBA, Faculty of Management Studies was honoured with Dr. Pritam Singh Gold Medal in recognition of his strong character, competence, values, awareness, and knowledge.
Ms. Sonakshi Khosla, B.Tech, MRIRS & Ms. Chavvi Bajiyen, B.Sc. (H), Mathematics, MRU were bestowed with the Chief Patron Medal for their attributes of engaged leadership. Mr. Abhishek Santakke, B.Tech, MRU and Mr. Hardik Grover, B.Tech, MRIRS were bestowed with the President's medal for their achievements at the National and International Level.

The outstanding achiever’s award in sports was presented to Mr. Angad Bajwa who had bagged Gold in Men's Skeet event at the 2019 Asian Shooting Championship; he also represented India in Tokyo Olympics.

Dr. Prashant Bhalla, President, Manav Rachna Educational Institutions urged the students to be honest while maintaining the virtues of patience and passion. “As the young, educated, smart, and knowledgeable fraction of the society, you should remember that if not today, tomorrow success would be yours. So the question is not about achieving success but about values, because only that will give you satisfaction when you look back at your life”, he said.
Manav Rachna welcomed 2022 with Maha Mrityunjaya Yajna to pray for world peace

A week-long Maha Mrityunjaya Yajna which is an integral part of Manav Rachna’s legacy and tradition was held at the Manav Rachna campus amid strict Covid protocols. The Maha Mrityunjaya Yajna organized every year from December 26 to January 1 is an augury of peace and positivity among one and all. It is noteworthy that the Manav Rachna family has been performing the Maha Mrityunjay Yajna every year for more than two decades, as envisioned by Founder Visionary Dr. O P Bhatia to pray for world peace. Ushering in positivity and hope, the yagna seeks divine blessings for all in these tough Covid times.

Congratulating Manav Rachna on its silver jubilee and acknowledging the Institution’s contribution in bringing Faridabad on the education landscape, Smt. Seema Trikha said: “Manav Rachna has immensely contributed in giving Faridabad the recognition in the field of Education, Sports and Community Service. This institution has helped the country during Corona times by offering its campus space as isolation centre.” She also urged everyone to be completely vaccinated and announced that vaccination is going to start for 12 years of children in the coming weeks.” 77 members of the Manav Rachna family were awarded in recognition of 10 years of committed service.

Manav Rachna Educational Institutions bestowed with the highest recognition in sports development!

The most prestigious Rashtriya Khel Pratishthan Puraskar 2021 was conferred upon Manav Rachna for Identification and Nurturing of Budding and Young Talent by the honourable President of India. The honour was received by Dr. Prashant Bhatia, President, Manav Rachna Educational Institutions (MREI); and Dr. Amit Bhatia, Vice President, MREI. Our Chief Patron Smt. Satya Bhatia; Sports Mentor Mr. Ronjan Sodhi and Dr. Sanjay Srivastava, MD, MREI were witness to the grand ceremony at the Darbar Hall of the Rashtrapati Bhawan.

In addition, the Director of Sports, Manav Rachna Educational Institutions- Mr. Sarker Talwar has been bestowed the much-coveted Dronacharya Award (lifetime category) for outstanding coaches in sports and games, 2021.
National Environment Youth Parliament 2022 organized at Manav Rachna on the occasion of National Youth Day 2022

On the occasion of Swami Vivekananda Ji’s Birth Anniversary, National Youth Day 2022, Paryavaran Sanrakshan Ghatvish in collaboration with Universities across India organized National Environment Youth Parliament (NEYP) 2022. This year, Manav Rachna International Institute of Research and Studies was nominated as the National Host University. The finale of NEYP was conducted at the University in Online Mode.

This intervention paved a way for about 40 students from Manav Rachna to be a part of this finale. These students were selected after screenings rounds conducted at departmental level. As a part of the competition, students actively participated in a Group Discussion on the topic ‘Air Pollution and its Mitigation’.

Olympian Petar Gora signs MoU with Manav Rachna Educational Institutions

Manav Rachna Educational Institutions collaborated with World Renowned shooting Legend Mr. Petar Gora of Croatia. Mr. Petar Gora is a World Cup Gold medalist, a multiple Silver Medalist at the World Championship, 2 time European Champion along with many more international medals. He played an instrumental role in helping the Indian Shooting Team train in Croatia before the Tokyo Olympics.

Petar joined forces with Manav Rachna to take on the role of a shooting mentor and provide international standard training to budding shooters. He will also be seen in the capacity of a mentor to coaches, where he will help coaches understand various aspects of the game. Time and again Manav Rachna has brought international stars to India, to aid in better training of their athletes; this time is no different as the aim of this collaboration is to produce Olympic champions.

Air Pistol and Air Rifle 10 meter competition by Manav Rachna Shooting Academy inaugurated at Chandro Tomar Shooting Range

An air pistol and air rifle 10 meter competition by the Manav Rachna Shooting Academy was inaugurated at the biggest Shooting Range ‘Chandro Tomar Shooting Range’ of Gautam Buddha Nagar. This was the first competition organized in the memory of Smt Li Chandro Tomar Dadi ji. The range has been built by the UP government under the supervision of Noida Authorities and has been named after Smt. Li. Chandro Tomar Dadi Ji, the first woman who ventured into the sport of shooting. The Range will be operated and managed by the Manav Rachna Shooting Academy.

The range has the facilities of 10 meter Air Rifle & Air Pistol Range, 60th manual and electronic targets; 25-meter, 22 Pistol manual & electronic targets; and 50-meter Rifle & Pistol manual and electronic targets. Dr. Mahesh Sharma encouraged everyone to move ahead with a new vision to provide a distinction to India in the list of other countries when it comes to Shooting. Appreciating the vision and efforts of our Hon’ble PM and Hon’ble CM of UP, he emphasized on giving a new identity to India in terms of Sports, especially Shooting.

With Chandro Tomar Shooting Range, Manav Rachna aims to give a new dimension to its vision taking Sports in India to the next level.

Manav Rachna launches Manav Rachna Centre for Distance and Online Education

Manav Rachna Educational Institutions launched the new addition to its fleet—Manav Rachna Centre for Distance and Online Education during a Press Conference. Dr. Prashant Bhalla, President, MREI; Dr. Amit Bhalla, Vice President, MREI; Dr. Sanjay Srivastava, MD, MREI & VC, MRRIS; Dr. Pardeep Kumar, PVC, MRRIS; Mr. Pullock Bhattacharji, Vice President, Business Development, Skilling, Training & Placement, BSE Institute Ltd. and Dr. Shivankant Upadhyayya, Group Dean, TalentEdge joined the launch ceremony. Online degree programmes are recognized by UGC under Manav Rachna International Institute of Research and Studies. Manav Rachna philosophy of creating better human beings through the power of Education is entering into a new orbit where we will try to reach out to learners community wherever they are located in the country.

The centre provides a multidisciplinary approach for the students to shape their career inside and outside their domain of education and to meet the evolving needs of the society. The commitment of multidisciplinary education is to broaden the participation of students in higher education and leads to a more diverse community. In a multidisciplinary approach, students are inspired to select diverged courses from different disciplines to expand their knowledge, discover themselves through creative thinking and learn the skills of collaboration.
Smt. Smriti Irani and 20+ Global Education Leaders join the 25 years celebrations at Manav Rachna

Established in 1997, Manav Rachna Educational Institutions (MREI) is celebrating its silver jubilee this year. To mark the glory of MREI and to commemorate the Silver Jubilee, a series of events have been planned in the form of numerous activities and an host of exciting and talent igniting competitions, spread over the year, based on contemporary themes - Peace & Sustainability Crusader, Cultural Enthusiast, Advocate for Innovation, Torchbearer of Health & Well Being and Harbinger of Education for All.

A Butterfly Garden was launched recently at the Manav Rachna campus by Smt. Smriti Zubin Irani, Minister of Women and Child Development. It is noteworthy that the lush green Manav Rachna campus is home to some rare species of flora and fauna. These include 10-11 species of butterflies (as per a survey by Bombay Natural History Society over the last 3 years). The rich biodiversity and environment of the campus has the potential to attract and sustain more species of butterflies. The presence of different butterfly species in the campus helps for natural monitoring of air quality in the campus. The MANAV RACHNA Butterfly Garden, a hot-spot of biodiversity shall also contribute to further increasing the diversity of butterfly species inside the campus.

Smt. Smriti Irani also unveiled Manav Rachna’s 25 years logo and the Silver Jubilee anthem (sung in the voice of students of Manav Rachna International Schools).

Dr. Karan Singh delivers lecture on ‘The Message of Bhagavad Gita’ to kick start 25 years celebration

Manav Rachna Centre of Peace and Sustainability organized a webinar on “THE MESSAGE OF BHAGAVAD GITA”. The eminent speaker was the illustrious Dr. Karan Singh, Padma Shree, the first governor and president of Jammu and Kashmir. Dr. Karan Singh conversed about how the Bhagavad Gita is derived from Upanishads, and the importance of being aware of our scriptures, the Vedas, Brahmanas, Upanishads, and Puranas. His discourse included information on how among historic literatures, Bhagavad Gita holds a special position. The discussion helped everyone present to understand the nuances and aspects of Bhagavad Gita which were previously undiscovered, and achieved the objectives it was set up for.

Unveiling of trophy for the 15th Manav Rachna Corporate Cricket Challenge 2022

Manav Rachna unveiled the trophy of its 15th edition of the Manav Rachna Corporate Cricket Challenge. The cup was set in motion by the late Founder Dr O P Bhatia and follows the belief that sports inculcate life-long skills, camaraderie and bonding among players.

This year, 28 leading corporates from Delhi-NCR will be competing for the cup. Participants include Aaj Tak (Delhi), Hero MotoCorp (Gurugram), Maruti Suzuki (Gurugram), JCB (Faridabad), Escorts Construction (Faridabad), ACE (Faridabad), Honda Cars (Greater Noida), Sarvodaya Hospital (Faridabad), NHPC (Faridabad), Honda Motorcycles (Gurugram), National Highways Authority of India (Delhi), IIFL Wealth (Delhi), Adidas (Gurugram), Metofab (Faridabad), Tata Consultancy Services, Press Club of India, Wave Infratech, Indian Oil (R&D), Linax-Bremse, Accenture, KPMG, Dabur India and Manav Rachna Educational Institutions (Faridabad) are participating in the Cup, this year. HDFC Bank (Delhi), Gates India, SEC-RJMT engineering PVT LTD., Accord Hospital and HCL (Noida), will be joining the competition for the first time.

MRIIRS proudly partners with Coding Ninja and MRIIRS

To provide ample skillling opportunities to the students of computer science and engineering, an MoU was signed between the CSE Department of Faculty of Engineering and Technology, Manav Rachna International Institute of Research and Studies and Coding Ninjas.

Mr. Rishabh Mehta, Partnership and Alliance Head, Coding Ninjas expressed hope that the coding lab set up in the college would prove beneficial for the students. The aim is to impart quality training to the students so that they can get a good job through their skills.
Manav Rachna hosted Grand Finale of the country's largest Cyber Security focused Hackathon

The Bureau of Police Research and Development, Ministry of Education's Innovation Cell (MIC) & AICTE are conducting a Hackathon "MAN THAN 2021" which is a unique national initiative to identify innovative concepts and technology solutions for addressing the security challenges of the 21st century faced by our intelligence agencies. Manav Rachna International Institute of Research and Studies (MRIIRS) was chosen as the Nodal Centre to host the grand finale of Manthan 2021 from December 8 - 10, 2021.

The inaugural session of the grand finale of Manthan 2021 was addressed by Prof. Anil D. Sahasrabudhe, Chairman, AICTE; Dr. Abhay Jere, CIO, MoE; Sh. Balaji Srivastava, DG, BPR&D; Dr. Mahit Kamshir, Innovation Director, MoE and Dr. Sanjay Srivastava, VC, MRIIRS.

115 selected teams from education institutions across the country and registered start-ups participated in the grand finale to offer strong, safe and effective technology solutions using their technical expertise and innovative skills.

20+ Global Education Leaders address the Education Leaders' Summit

Leading academicians and educationists deliberated upon 'Transformative Strength of Education for the World beyond Covid 19: Build Back Better' during the Education Leaders' Summit Chapter 2 organised by Manav Rachna Educational Institutions in collaboration with ASSOCHAM India at the MREI campus. Smt. Smriti Irani was the Guest of Honour at the occasion.

Prof. D P Singh, Chairman, UGC; Dr. Manish Kumar, Ex- MD & CEO of NSDC; Prof. Avinash Chandra Pandey, Director, IUAC and Dr. Prashant Bhalla, President, MREI were the keynote speakers at the summit.

One of the key highlights was a live communion between students and Smt. Smriti Irani. While addressing the questions of the students, Smriti ji shared some thought-provoking advice and insights. She said: “Life is about looking ahead; challenges will come and at the end of discomfort, lies a beautiful tomorrow. Find a balance, and you shall find, what you seek.” She also said, “To make education, democratized, you need to make sure that it is available in every spoken and known language. Children with disability don’t need pity but an Equal Opportunity to All is the fulcrum of Education that needs attention. Skilling is the end goal but there is a whole process of educating the educators”.

Mr. Harsh Shah, CEO, IRM India; Mr. Sagar Bahadur, Principal Advisor, University of Queensland; Mr. Rajiv Mathur, CEO, KEDMAN; Mr. Pradeep Kumar, Hea-Channel Sales (SAARC), Altair; Dr. Rajita Kulkarni, President, Sri Sri University; Mr. Atul Khola, VC, Shoolini University; Dr. Sandeep Sancheti, VC, Marwadi University; Dr. Munish Garg, Director, Centre for Innovation, MDU were among the panelists at the Summit. Also present on the occasion were Smt. Satya Bhalla, Chief Patron, MREI; Dr. Amit Bhalla, Vice President, MREI; and principals of participating schools and other senior dignitaries.

Faridabad Education Council launched 'Skill Workshop' to strengthen the development of government schools

The Faridabad Education Council (FEC) started a skill workshop to promote and implement educational development projects in the district. Sh. Jitendra Yadav, DC-Faridabad was the Chief Guest in the program wherein he shared that FEC and District Administration should cooperate to strengthen the development of government schools in Faridabad. He also emphasized the importance of public-private partnerships in all relevant aspects of educational development.

Under the skill workshop, IT and ITIs will be taught to the students of Class IX to XII. Students will have to attend workshops for three days per week, after which practical training will be given to the students in the lab in the school every 15 days. At the end of this 200-hour course, students will be given a certificate of 'Skilled India'.

The district administration will work to strengthen the Teachers on Call program initiated by FEC. Apart from this, retired government school teachers will also be motivated to volunteer under this.
Mega Blood Donation camp,
Free Covid Vaccination camp
and the largest Ek Mutthi
Daan campaign on the 8th
remembrance anniversary of
Dr. O P Bhalla

An epitome of Philanthropy, Dr. O. P. Bhalla had spared no effort to ameliorate the lives of people around him. In that spirit, under the aegis of Dr. O P Bhalla Foundation, a Free Covid Vaccination Drive, Mega Blood Donation Camp, Stem Cell Registration Drive and the largest Ek Mutthi Daan campaign was held at the MREI campus to pay homage to the kind soul. The camp was inaugurated by Sh. Krishan Pal Gujjar, Han’dale Union Minister of State for Power & Heavy Industries.

The Mega Blood Donation Camp was organized in association with the Lions Club of Faridabad, Rotary NCR Gallers, Rotary Faridabad East and the Santan Ka Gurudwara. Following strict social distancing norms, students and staff members of Manav Rachna donated 650 units of blood over staggered slots.

The annual bone marrow donor registry drive was also organized in association with Jeevandayini Social Foundation, in technical collaboration with Gene Bandhu Blood Stem Cell Donor Registry. 60 donors registered for the Bone Marrow/Stem Cell donor registry drive.

Dr. O P Bhalla Foundation and employees of MREI collectively donated 25,000 kgs of grains (dals & rice) to mark 25 years of Manav Rachna’s existence under the Ek Mutthi Daan campaign (No One Sleeps Hungry) to nine NGOs working for the betterment of the underprivileged. The donation was handed over by Dr. N C Wadhwa, DG, MREI in the presence of Sh. Krishan Pal Gujjar; Sh. Narender Gupta, MLA, Faridabad; Dr. Prashant Bhalla, President, MREI; Dr. Amit Bhalla, VP, MREI; Sh. Navdeep Chawla, Sh. H K Batra, and other senior dignitaries.

It is noteworthy that under the Sewa Diwas on the occasion of the birthday of our Han’dale Prime Minister Sh. Narendra Modi, a two-day Free vaccination camp is being organised at Manav Rachna Educational Institutions Campus, Surajkund Road (Sep 16) and Manav Rachna International School, Sector 14, Faridabad (Sep 17). 1270 free covid vaccinations were administered on Day 1.

Special Fee Scholarships - an initiative of Dr. O P Bhalla Foundation

Dr. O P Bhalla Foundation has been continuously working towards the betterment of the society with one of its main objectives to provide Education for all. In recent times, the number of requests related to fees concession from various institutes and schools of Manav Rachna increased due to the impact of the pandemic. Dr O P Bhalla Foundation stepped into help students seeking admission across all institutions of MREI by instituting a special fees scholarship. Details can be found at: http://dropbhallafoundation.org/special-fee-scholarship/

Free Covid Vaccination Camps

5500+ community members, Manav Rachna staff members, students and their families were vaccinated in the year-long covid vaccination drives organized across various campuses of Manav Rachna.

Inauguration of Rojgar Srijan Kendra at MRIIRS

Under the aegis of ‘Amarbirhara Haryana’, the MIRIRIS fraternity launched the Rojgar Srijan Kendra. Prof. (Dr.) Sanjay Srivastava, VC, MRIIRS, inaugurated the center. The guest of the day was Mr. Satish Kumar from Swadeshi Jagran Manch. He urged students to become job facilitators rather than job seekers. He also encouraged students to think out of the box.

Blockchain Centre of Excellence (CoE) established at MRU in association with Sofocle Technologies

Manav Rachna University signed a MoU with Sofocle Innovation Labs Pvt. Ltd. to collaborate in the areas of enablement of Blockchain Learning and Ecosystem Development. A Blockchain Centre of Excellence (CoE) will be set up at Manav Rachna University campus with a vision to create Blockchain HUB in North India, acting as a center for deep & industry-focused learning, an incubator for new ideas. This shall cultivate an environment of innovation and act as a sandbox for the development of Blockchain applications.
MRU attains 25 h-index in Research Publication

Manav Rachna University is a research-driven university that seeks to create and share knowledge and technical know-how through quality research for the benefit of society and humanity. University has attained another milestone of 25 h-index in research publications as per Scopus database. University provides research and innovation training to the majority of the UG and PG students to take up interdisciplinary and inter-institutional research work. Apart from research, students are also given the training to file patents, develop new products for creating start-ups.

Manav Rachna was a chosen Nodal Centre for interaction with PM Modi during Toycathon 2021

Manav Rachna was the only University chosen among all 6 institutions as a Nodal Centre for an interaction with Hon’ble PM Narendra Modi during Toycathon 2021.

Our Hon’ble Prime Minister Sh. Narendra Modi interacted with the finalists of Toycathon 2021 through video conferencing today. Manav Rachna was the only University among 6 institutions chosen as a Nodal Centre for the Live interaction with PM Modi. Manav Rachna had been selected as a Nodal Centre by AICTE for hosting Toycathon 2021 Grand Finale organised jointly by the Ministry of Education in coordination with five other Ministries viz: Ministry of Women & Child Development, Ministry of Micro, Small and Medium Enterprises, Government of India Ministry of Information & Broadcasting, Ministry of Commerce & Industry, and Ministry of Textiles, Government of India. Toycathon focuses on conceptualizing new and innovative toys using local materials which are economical, affordable, safe, environment-friendly, with exceptional high quality for both Indian and global markets.

Region’s first Industry Immersion Program for faculty!

As a front-runner in bridging the industry-academia gap and to provide the best industry simulation, Manav Rachna Educational Institutions is launching an Industry Immersion Programme for Faculty: Exploring the Horizontal Space. This is a first-of-its-kind initiative where industry mentors shall be aligned with faculty members. The aim is to improve curricula and hone the faculty. The faculty shall be able to pursue projects related to industry where they are attached.

Accolades in Interior Designing

Dhruv Soni (B. Sc. 1st Fifth Semester) won 1st Prize at Delhi State Level Competition 2021 for World Skills in Visual Merchandising. Dhruv would now be representing Delhi in the National level competition. We are supremely proud of his achievement and offer our best wishes for the next big competition!

Chasing Dreams

Manav Rachna University’s B.Sc. Physics (Hons.) students Reena Kaushik and Rahul Yadav published research paper in International Journal under the supervision of Dr. Ananna Barhavan, Assistant Professor.
Manav Rachna signs MoU with ICSI to create skilled professionals

Faculty of Commerce and Business Studies, Manav Rachna International Institute of Research and Studies has signed a Memorandum of Understanding with the Institute of Company Secretaries of India (ICSI) to facilitate a comprehensive partnership for imparting knowledge and skills in the areas of joint academic research, workshops and professional development programmes for students and academicians of both institutes.

#TeachForIndia

Nandini Chauhan, B.Tech CSE 2017-21 Batch (Mru) has been selected for Fellowship with Teach for India. TF1 is a non-profit and a movement of leaders founded by Shaheen Mistri. TF1 Fellowship (2 years) is an opportunity for the youth, from the nation’s best universities and workplaces, to serve as full-time teachers to children from low-income communities in under-resourced schools. Alongside that, she also has got admission at Columbia Business School, New York, for their Deferred Enrollment Program wherein she will be joining them in September 2023.

Celebrating 75 Glorious Years of India’s Independence through ‘Azadi ka Amrit Mahotsav’ at MRRIS

To celebrate the landmark 75 years of Indian Independence through ‘Azadi ka Amrit Mahotsav’, faculty, students, and staff of MRRIS participated in the Fit India Freedom run 2.0, covering a stretch of 8 km, under the aegis of Fit India movement. In all, 26 faculty and staff members along with the students participated in the run which began from MRRIS Gate No. 1 to Ansheer Chowk and back to Central park MRRIS.

Expert Lecture on ‘Role of Immunity and Vaccination in Covid-19 Infection Control’

Department of Computer Science and Technology, Mru hosted an Expert Lecture on ‘Role of Immunity and Vaccination in Covid-19 Infection Control’ to commemorate 25 Years of Transforming Education and the Silver Jubilee celebration. The lecture was delivered by Dr. Abhijit Vipul, Consultant Radiologist at Synapsica Health Care in New Delhi, and Miracle Mediclinic Gurugram. During his MBBS and MD studies, he was consistently awarded Gold Medals.

Mitsubishi Authorized Training Centre Inaugurated

Department of Electrical and Electronics Engineering, Faculty of Engineering and Technology, MRRIS in association with Mitsubishi Electric India inaugurated Authorized Training Centre at Manav Rachna campus.

With the establishment of Authorized Training Centre, Manav Rachna and MEI aim to conduct Certified Training on the latest automation Products of MEI, training for Industry personnel/Students/academicians from various institutes; enhance the Research & Development Prospects; and enhancing the opportunities for students to develop analytical skills by identifying real problems in Industry and can propose solutions. Addition of New Automation Equipment, Low Voltage Switchgear (LVS Kits) and programmable logic controllers (PLC FX5U Kits) is a unique feature of this training centre.

सशक्त नारी से ही बनेगा सशक्त समाज

International Women’s Day was celebrated in our campus. The grand event was organized by DSW, MRRIS. Mr. Anurag Chauhan, Social Activist & Founder of Humans for Humanity and Karmaveer Chakra Awardee by the United Nations was the Chief Guest, and actress Ms. Poonam Mathur was the Guest of Honor of the event.

The celebrations included breathtaking performances by students highlighting the role of women in our life and that we need to acknowledge that women are already empowered; we just need to give it a word. Raksha Physiyaaga Martial Arts Academy Trust presented a Skit on Self Defence, which was followed by a spectacular Mime ‘Guddiya’ by Paigam, Manav Rachna Theatre Society. Midzak, Manav Rachna Dance Society gave a wonderful Musical Dance Performance ‘Pehchaan’.

Ms. Diksha Bhaskar, Head Production & Programming, RMR 107.8FM shared her valuable views on the ‘Women’s Day’. A Video Presentation ‘Uphaar - E- Nani’ was given by Radio Manav Rachna 107.8 FM.

Dr. O.P. Bhalla Foundation celebrated Women’s Day by having an hour of relaxation and fun for the women in the name of ‘Maitri’. The ladies had a great time while they danced, sang songs, played games and had a lot of chit chats. The event was to celebrate womanhood and make the women have some time of their own where they can forget all their worries and chill out.
Indian B-Schools Leadership Conclave

Vice President Shri M. Venkaiah Naidu inaugurated Indian B-Schools Leadership Conclave virtually. Vice President underlined the importance of sustainable development and said that the world needs business leaders who can look beyond short-term profit and work for long-term sustainability.

Complimenting AACSBI and EPSI for organizing the Conclave despite the challenges posed by the COVID-19 pandemic, Shri Naidu called it an excellent opportunity for Indian B Schools to learn from local and global best practices in management education during these turbulent times.

The two-day virtual Conclave on the theme ‘Indian B-Schools: Navigating a sustainable future by merging local & global best practices’ is being jointly organized by the Association to Advance Colleges of Business (AACSB), USA and Education Promotion Society for India (EPSI). More than 20 thought leaders, deans, directors and policymakers in management education will deliberate on various issues faced by the educators in India.

Discussion on How to Improve Psychosocial Skills during Pandemic

International Conference on Renewable Technologies in Engineering (ICRT 2021)

Department of Electrical and Electronics Engineering, and Department of Electronics and Communication Engineering, FET, MRRIS organized the prestigious International Conference on Renewable Technologies in Engineering (ICRT 2021) in association with Springer on 15-16 April 2021. This is the first International Conference organized in collaboration with Springer.

The inaugural session witnessed the gracious presence of Chief Guest, Chair Professor CEA, IIT Delhi, Dr. Bhim Singh; Guest of Honour Director, NPTI, Dr. Manju Mam; Honourable Vice Chancellor, MRRIS, Dr. Sanjay Srivastava; Pro Vice-Chancellor & Dean, FET Dr. Pradeep Kumar; Dr. Dipankar Deb Professor, ITRAM and Dr. Mohan Kohle from the University of Norway.

International Conference: ‘Computational Intelligence in Analytics and Information Systems’ (CIAIS-2021)

Department of Computer Science and Technology (CST), Manav Rachna University organized an International Conference on Computational Intelligence in Analytics and Information Systems (CIAIS-2021) from April 2-3, 2021 to commemorate the 74th Founder’s Day. The main focus of the conference is on the empirical, theoretical and application prospects of the introduction of computational intelligence in Data Science, Information retrieval and communication systems.

The inaugural session witnessed the gracious presence of the Chief Guest, Prof. K.K. Aggarwal, Chairman NBA and Founder Vice-Chancellor, GGS Indraprastha University. Dr. Mohit Gambhir, Innovation Director, Ministry of Education was the Guest of Honor. Dr. Anjana Gossain, Professor, University School of Information Communication Technology, Guru Gobind Singh Indraprastha University, New Delhi was the General Chair of the conference.

H’ Vice Chancellor, Manav Rachna University, Prof. I.K. Bhat, Director-General, MREI Dr. N.C. Wadhwa, H’ Vice-Chancellor, MRRIS, Prof. Sanjay Srivastava; PVC, MRRIS Prof. Pradeep Kumar; Dean Academics MRR, Prof. Sangeeta Banga; and Dean Research MRR, Prof. Pradeep Varshney, graced the occasion.
COVID Pandemic - Science, Innovation and Society

More than 700 academicians, researchers, and students participated in an expert talk by Dr. Samir K Brahmachari on COVID Pandemic - Science, Innovation and Society. He shared his invaluable insights and highlighted how COVID comes with four unidentified amino acids that couldn't be found in any of the animals which make the challenge to fight even more complex. Humanity has suffered a lot in these two years & the fight is still ongoing. He said, "We can save this world and humanity not just by science but also by value-based education, that can ensure the compassion & empathy this world needs right now."

The wise words of these stalwarts did inspire each and every one on the forum that there is always a light at the end of tunnel and to reach towards that light, humanity must keep on moving forward with a value-based education system to develop ethics and love in this world.

MRRIS partners with UiPath
Manav Rachna International Institute of Research and Studies is glad to partner with UiPath under academic alliance program. UiPath is a leading Robotic Process Automation organization. This collaboration has opened the doors for the students of Manav Rachna to work on the tool suite of UiPath for designing Robots that are used in IT automation jobs. Students will get access to the UI Path Studio software and learning material so that they can start designing robots for the tasks that are repetitive and rule based. A certificate shall be awarded post completion of the learning modules available on the LMS of UiPath. The RPA course will also be offered to the students as a part of their academic curriculum so that they can become job ready for the RPA field. This is one of the fastest growing domains as many corporate are shifting from manual to robotic controlled processes. Students can get themselves enrolled for this programme in both self-paced and instructor driven learning mode.

Plantation Drive
Dr. O.P. Bhalja Foundation in association with Clans under the Department of Student Welfare, Manav Rachna University organized MEGA Plantation Drive under Paripravaran Sanrakshan Gatividi in all the adopted villages- Dayalpur, Gadheda, Atali, Chhainsa, and Mathuka. The Faculty members and students participated in the drive in large numbers. As per the requirements of each village trees and saplings of Peepal, Bargad, Jamun, Neem, Gulmohur, Amaltas, Amrood, etc were donated in large numbers. Around 1500 saplings were planted.

Nidhi Van: 'Azadi Swachh Sanso Ki'
To mark the glorious History of India, Grand Celebrations "AZADI 75" were observed at the MREI campus today. To commemorate this momentous occasion, 75 ECO WARRIORS from Manav Rachna symbolic of the 75 years of our Independence handed over 75 Tulsi Plants for the launch of Nidhi Van 'Azadi Swachh Sanso Ki'. The Nidhi Van has been incorporated within the medicinal garden at the MREI campus in collaboration with Daksh Foundation and Paripravaran Sanrakshan Gatividi.

E-workshop organized on 'Co-solving waterlogging and groundwater depletion issue in parts of Faridabad Smart City'
Center for Advanced Water Technology and Management, MRRIS recently organized an e-workshop on 'Co-soliving waterlogging and groundwater depletion issue in parts of Faridabad Smart City' to initiate the DST WTI funded Research Project on this issue. The expert panel included Dr. Alok Sikka, Country Head India, IWMI; Dr. Peter Dillon, CSIRO, Australia; Dr. Anoop Nagar, Member CGWB; Dr. Sanjay Kumar, Sc D DST, and Sh. Lalit Arora, Advisor, Faridabad Smart City Limited.

MRRIS signs MoU with IBM
MRRIS becomes the first institute in Haryana to join hands with IBM for the skilling of MRRIS students in emerging technologies. IBM will work with MRRIS for skill and knowledge to offer Open P-TECH, a free digital education platform focused on emerging technologies and professional development skills.

Under the partnership, IBM will offer free of cost its entire catalog of Open P-TECH courses in cybersecurity, blockchain, artificial intelligence, and machine learning, cloud, Internet of Things, along with professional skills, like Design Thinking and innovation.
Consultancy project win for CAWTM!

Congratulations to CAWTM for bagging this prestigious consultancy project for the third year in a row. Cairn Oil and Gas, Vedanta Limited has awarded a prestigious Consultancy Project on Hydro geological Survey for Aquifer Monitoring at Barmer, Rajasthan to the ‘Centre for Advance Water Technology Management’ at MRIIRS under the leadership of Dr. Sarita Sachdeva, Dean Research.

‘SWACHH FARIDABAD - SMART FARIDABAD’

Manav Rachna is proud to have supported the District Administration in conceptualizing the ‘SWACHH FARIDABAD - SMART FARIDABAD’ anthem under the leadership of Sh. Yashpal Yadav, IAS. The anthem was launched at anaugust ceremony on April 10 by Sh. Manohar Lal Khattar, the Hon’ble CM of Haryana.

‘One District One Champion’

For the Best practices in ‘Swachhata’ Manav Rachna International Institute of Research and Studies was awarded with ‘One District One Champion’. The award was bestowed by the Mahatma Gandhi National Council for Rural Education, Department of Higher Education, Ministry of Education in theaugust presence of Sh. Yashpal Yadav, Deputy Commissioner Faridabad on July 26, 2021.

Sh. Prakash Javadekar felicitates winners at the National Environment Youth Forum 2021

The youth brings unique perspectives to pressing issues. Harnessing the potential of the youth, Manav Rachna Educational Institutions (MREI) has been actively crusading for the cause of environment for many years. Through several platforms, MREI has been an aggregator bringing together the youth, policy makers, environmentalists, NGOs and RWAs to showcase time-tested best practices that can be implemented for the larger good.

Very recently, Manav Rachna hosted and helped actualize the participation of 25,000+ students from 250+ affiliated colleges and 75+ universities across India in the National Environment Forum 2021 organized by Paryavaran Sansrakshan Gatwadi (PSO).

The Award Ceremony of the National Environment Youth Forum 2021 was presided by Shri Prakash Javadekar, Hon’ble Union Minister of Environment, Forest and Climate Change, Government of India. Ms. Aarya Chevda, an 11 year old environment crusader who has penned many thought provoking books was the Guest of Honour. Also present on the occasion were Sh. Gopal Arya, National Convenor, PSG; Sh. Rakesh Jain, National Sah Sanyojak, PSG; Dr. Prashant Bhalla, President, MREI; Dr. H D Charan, VC, Bikaner Technical University; Dr. Sanjay Jain, Chancellor, Bhagwan Mahavir University; Dr. N C Wadhwala, DG, MREI and Vice Chancellors and Heads of many Institutions.

Manav Rachna to organize World University Shooting Championship in the year 2024

Setting precedents, Manav Rachna International Institute of Research and Studies (MRIIRS) has signed an MOU with the Association of Indian Universities (AIU) to organize the World University Shooting Championship in the year 2024 under the aegis of FISU - International University Sport. It is a matter of great pride that Manav Rachna has been chosen to host this most prestigious championship. The MoU was signed in the presence of Col. Dr. G. Thiruvasagam, President-AIU; Dr. (Mrs.) Pankaj Mittal, Secretary General-AIU; Dr. Baljit Singh Sekhon, Joint Secretary (Ya & Sports) along with Dr. Sanjay Srivastava , MD, Manav Rachna Educational Institutions; Mr. R K Arora, Registrar, MRIIRS; Mr. Sarkar Talwar, Director Sports-MREI and Mr. Agam Talwar.

The foundation of this project was laid in the year 2019, when Dr. Amit Bhalla , Vice President, Manav Rachna Educational Institutions along with Dr. Baljit Singh Sekhon, Joint Secretary (Ya & Sports AIU) visited the FISU headquarters in Lausanne, Switzerland to take part in the bidding for the championship to be held in 2024. They were accompanied by the Khel Ratna awardee, ace shooter Ranjan Sodhi and Agam Talwar.
Inauguration of first-ever scientific training for players

The Kho Kho Federation of India (KKFI) along with Ultimate kho kho (UKK) upped the skill set of its players with the introduction of a revolutionary High Performance Assessment and Scientific Analysis & Evaluation Program “Rise in Sports Excellence” - for the very first time. 73 players were trained and monitored by vastly experienced experts at the Manav Rachna Sports Science Center.

Minister Kiren Rijiju along with Rajeev Mehta, General Secretary, IOA and popular sporting personalities Suresh Raina and Mohammed Shami and Dr. Amit Bhalia, Vice President, MREI inaugurated the coaching camp, where Kho Kho players have been selected from across the country. The state of art expertise of Manav Rachna Sports Science Centre has been roped in to roll out this mammoth initiative.

Train the Trainers

National Kho Kho Coach Development Programme was organized by Kho Kho Federation of India. It was inaugurated by Mr. Sudhanshu Mittal, President, Kho Kho Federation of India (KKFI).

During this event, a detailed report of the Kho Kho players who participated in the first-ever scientific training programme by KKFI and Ultimate Kho Kho was also presented. Players were assessed on the basis of the following: biomechanics, injury assessment, postural analysis, nutritional, psychological, communication and media handling factors.

New Shooting Range in Campus

The then Hon'ble Union Minister for Sports Sh. Kiren Rijiju inaugurated a first-of-its-kind 25 meter and 50 meter convertible shooting range at the Manav Rachna campus. This is among the most advanced shooting facilities not available anywhere across Delhi NCR.

The range is both electronic and manual with 10 lanes each. Equipped with SUS ASCOR electronic targets and 0.22 weapons, the range is open for all (including beginners). This shooting range is opposite Girls Hostel in our campus.

National Para Shooting Championship 2020-21

Manav Rachna hosted first-ever National Para Shooting Championship 2020-21 for Rifle/Pistol events. It was organized by STC Shooting under the aegis of the Paralympic Committee of India (PCI-Paralympic India). Around 200 shooters from different parts of India participated in the competition.

Dr. Amit Bhalia, VP, Manav Rachna Educational Institutions was the Guest of Honour. The inauguration ceremony witnessed the august presence of Dr. Deepa Malik, President-Paralympic Committee of India. She is a recipient of the five prestigious President of India Awards including the Padma Shri & Arjuna Award. She has also been conferred the Rajiv Gandhi Khel Ratna award.

Dr. Deepa Malik said, “Such championships highlight the fact that Para Sports are also the mainstream sports and this National Championship will send this message to everyone in the country”.

Well Played Boys!

Manav Rachna lifted the Champions’ Trophy of the 14th Manav Rachna Corporate Cricket Challenge Cup 2021 with a score of 241 batting Asian Hospital by 3 runs in a nail-bitting last over. Asian Institute of Medical Sciences bagged the Runners-up trophy of the tournament.

Dr. Prashant Bhalia congratulated the Manav Rachna team. He expressed his delight by saying, “This corporate cricket challenge cup is a wonderful opportunity for us to connect with the corporate world”.

Dr. O.P. Bhalia Foundation awarded the Manav Rachna team (winner) the prize of Rs. 1 Lakh and Rs. 21,000 prize to Mr. Nikhil Diwakar, ‘Player of the Tournament’.

Dr. Prashant Bhalia, President, MREI deliberated with the leading panelists in HT Smarter Ed Conclave 2021

Dr. Prashant Bhalia, President, Manav Rachna Educational Institutions deliberated with the leading panelists on “Investing in technology to reshape the education landscape in India” in the Hindustan Times Smarter Ed Conclave 2021. The Conclave brought together thought leaders, policymakers, educators & industry experts to envision an India-centric education system that can contribute directly to nation’s transformation in view of the ‘National Education Policy’.
QS RISE: Redefining Institutional Strategy for Excellence

Manav Rachna Educational Institutions (MREI) co-hosted the Delhi NCR chapter of QS RISE (Redefining Institutional Strategy for Excellence) conference being organized by QS I-Gauge across the country.

QS IGAUGE is a brand incorporated in India as an independent private-sector initiative specialized in rating colleges, universities, and schools. It brings together the global expertise, experience, and reputation of UK-based (QS) Quacquarelli Symonds, along with deep local knowledge of luminaries from Indian education. In this exclusive state-level conference, speakers from five countries - India, Turkey, New Zealand, Australia and Malaysia joined as speakers.

Dr. Prashant Bhalla, President, MREI set the context for the conference and shared that the Delhi NCR region has some of the best institutions, making it the hub towards achieving the vision of the National Education Policy. “NEP aims to promote India as a knowledge hub, attracting foreign student and to promote research collaboration and student exchanges between Indian institutions and global institutions through organized efforts. In that aspect, conferences like RISE are even more important bringing together global education leaders on one platform to share and deliberate upon international best practices,” he added.

Reminiscing over the leap that the education sector took during covid times, Dr. Anand Mohan Sharan, (IAS), Principal Secretary, Higher & Technical Education, Government of Haryana shared, “When we talk of challenges in educational approaches and pedagogy, it becomes important to take into account the multiple stakeholders involved in the realm of education, the topmost being- the teachers, the students, and the industry professionals. These three define the very essence of education. It is vital that there were immense challenges involved while shifting the classroom from the physical setup to the virtual setup, but these challenges were only paved by the sheer dedication of teachers and students and also by adopting varied innovative techniques that made learning not only informative but also fun. Digitization of education was important and that is where the quick action of our stakeholders became important.”

Prof. Anil D. Sahasrabudhe, Chairman, AICTE who was the keynote speaker on the occasion said: “Excellence is the hallmark of quality education. In India, teachers have been at the fulcrum of growth. During the pandemic, at the AICTE learning academy, we empowered our faculty with lot of courses in emerging areas -training 1.6 lakh teachers!”

These were followed by panel discussions with global academic leaders on ‘Measuring learning outcomes in online education’, ‘Best Practices in leveraging international collaborations’ and a debate on whether online education is a boon or bane for higher education.

Manav Rachna partnered with CII for its flagship School Summit

Confederation of Indian Industry Northern Region organized its flagship CII School Summit where education leaders from states across Northern India participated. The inaugural session of the Summit was addressed by Sh. Vijay Inder Singla Education Minister of Punjab and Sh. Govind Singh Thakur Education Minister of Himachal Pradesh among other senior education leaders. Our President Dr. Prashant Bhalla was among the speakers at this august panel. He stated: “With the current motive of enhancing an individual's holistic outlook, the New Education Policy 2020 proves to be a milestone in the integrated dissemination of education in India. Set on the fundamental aspect of inculcating the values of ‘inclusion’, ‘innovation’, & ‘institution’, the policy surely has the potential to revolutionize the learning fervor as we know it.”

Ms. Gauri Bhasin, Director, Admissions & Outreach, Manav Rachna Educational Institutions was one of the esteemed panelists at the discussion on ‘School Leadership Roundtable on Evaluating the School Education System: Preparing the Roadmap’.

ASSOCHAM’s 14th Education Summit

Chapter One witnessed leading academicians and educationists deliberating upon ‘The New-Age Global Skill Conundrum: Unlocking the next paradigm’ on March 20th 2021. The Summit brought together principals from schools of Delhi NCR, policy makers, and institution heads to discuss strategies and best practices with an aim of catalyzing India’s transformation into one of the top 10 innovation-led countries of the world.

Assembling the expert stalwarts across varied walks of life, the Education Leaders’ Summit aims to facilitate a platform to develop a comprehensive discourse around the aspect of education, its purpose, and its suitability to the contemporary industry demands. We have leading business icons, academic professionals, political figures, & motivational speakers on board to disseminate their knowledge to the beneficiaries.
Manav Rachna collaborates with World-Renowned shooting Legend Mr. Petar Gosa

Mr. Petar Gosa is a World Cup Gold medalist, a multiple Silver Medalist at the World Championship, two-time European Champion along with many more international medals. He played an instrumental role in helping the Indian Shooting Team train in Croatia before the Tokyo Olympics.

Petar has joined forces with Manav Rachna to take on the role of a shooting mentor and provide international standard training to budding shooters. He will also be seen in the capacity of a mentor to coaches, where he will help coaches understand various aspects of the game. Time and again, Manav Rachna has brought international stars to India, to aid in the better training of athletes; this time is no different as the aim of this collaboration is to produce Olympic champions.

CAWTM, MRIIRS accredited by CGWA

It is indeed a privilege for us at Manav Rachna that the Centre for Advanced Water Technology & Management, MRIIRS has been accredited to investigate and prepare reports to obtain “No Objection Certificate” from Central Ground Water Authority, for a period of five years for two categories. This is a result of the consistent efforts being put in to scale the achievement.

Manav Rachna collaborates with MCF for Swachh School Swachh Ghar campaign

Manav Rachna Educational Institutions in collaboration with Municipal Corporation, Faridabad, and Way of Life Foundation organized the first leg of ‘Swachh School Swachh Ghar’ - the Workshop on Waste Segregation for Schools. It was organized in Manav Rachna International School, Sector-14, Faridabad.

Over 1000 enthusiastic teachers and students from various schools attended the Workshop representing Eco-Clubs of their respective schools. Dr. NC Wadhwa welcomed the Chief Guest, Shri Yashpal Yadav, Commissioner, MCF.

Manav Rachna wins Agri AI Grand Challenge

Department of Computer Science & Technology is pleased to share that under the mentorship of Dr. Minal Pandey, Associate Professor, Computer Science & Technology Manav Rachna University, CDAC Kolkata team has been announced as the Winner in Agri AI Grand Challenge, 2021. She was invited to CDAC, Kolkata in the month of January 2021 for providing mentorship support to the CDAC Kolkata AI/ML teams of scientists, participating in AI Agriculture Grand Challenge. She provided consistent support to the CDAC team throughout the journey of this challenge. Telangana AI Mission’s Agri AI Grand Challenge, 2021 was launched to provide the best AI solutions in the area of Agri Tech, The Challenge was organized by NASSCOM in collaboration with Telangana Government under the AI Mission (T-AIM).

"International Conference "Food and Sustainability - A Global Perspective"

A sustainable food system lies at the heart of the United Nations & Sustainable Development Goals (SDGs). The Faculty of Allied Health Sciences, Manav Rachna International Institute of Research & Studies in collaboration with Manav Rachna Centre for Peace and Sustainability, Manav Rachna University organized the Virtual International Conference on Sustainability of Food-A Global Perspective with a focus to disseminate and discuss the strategies of agriculture and food systems, achieve the food security, improved nutrition and promote sustainable agricultural practices in alignment with the SDG2. The objective of the conference was to collaborate with industries, governments, and academicians to develop sustainable solutions to improving food security and supply chain resilience. Dr. Darairaj Prabhakaran, Director, Centre for Control of Chronic Conditions (CCCC), Vice President - Research & Policy, Public Health Foundation of India (PHFI) graced the virtual conference as the chief guest and urged the participants to undertake research based on these issues and to adopt measures like kitchen garden and zero budget farming, vegetarianism and respect other species as part of holistic approach. Guest of Honour Dr. G.C Shrotriya, IFFCO Kisan Sanchar Limited, New Delhi elaborated upon various factors related to poverty scenario in India and malnutrition problem and discussed about technologies and techniques for enhancing food production with sustainability.
Sound of Silence: Manav Rachna Meditates

"Sounds of Silence: Manav Rachna Meditates" by Prof. Scott Herriott, Provost, Maharishi International University, Fairfield, Iowa, United States was organized with the aim to strengthen the culture of meditation in Manav Rachna and to introduce various forms of meditation. Prof. Scott elaborated about Transcendental Meditation, its nature, and its research proven impact on improving mental health.

When the leaders hit the ground!

As a part of the Silver Jubilee celebration, Manav Rachna Cricket ground witnessed a nail-biting match between President XI and VC XI. The match was inaugurated by Smt. Satya Bhalla, Chief patron, MREI.

Manav Rachna International Institute of Research and Studies makes a massive leap in NIRF 'India Rankings 2021'

Manav Rachna International Institute of Research and Studies moves to the top of the ladder leaving behind many institutions of Delhi-NCR and the country! The prestigious NIRF India Rankings 2021 by MHRD, Government of India has rated Manav Rachna International Institute of Research and Studies (MRIIRS) across four categories: Dental (rank 39), Engineering (rank 118), University (rank band 101 to 150), and Overall (rank band 150 to 200).

Dr. O.P. Bhalla Foundation sponsors five Athletes from Punjab

Dr. O P Bhalla Foundation has always encouraged the youth to excel in the area of their passion. The Foundation has worked extensively in the area of education, healthcare, sustainability, adoption of villages, and more.

We conceptualise and conduct workshops and conclaves, and create and disseminate material aimed at increasing the awareness of not just athletes, but also sporting professionals. We regularly conduct and collaborate with various academies, federations and domain experts to conduct workshops for athletes, coaches, and sporting parents on topics related to sport. Supporting our Prime Minister’s vision of facilitating our budding sportspersons who have high potential and grit, we are happy to share that under the Foundation, we have sponsored five athletes from Punjab.

These athletes are being mentored by Captain Sidhu and coached by Mr. Sara Singh but they needed their performance to go to the next level. Manav Rachna Sports Science Center has extended support to take their performance to the highest level in the field of track and field. These athletes include Gurinder Vir Singh who is the fastest 100-meter runner in India. Twinkle Chaudhary, Lovepreet Singh, Harjit Singh and Jashpreet Singh.

5-Day FDP On “Internet Of Things (IoT) And Sensors”

The Department of Electronics and Communication Engineering, Manav Rachna University organized 5-Day FDP On "Internet Of Things (IoT) And Sensors". 144 participants from attended the session which had a blend of theory with live working models and projects along with the practical hands-on training (online make-do along). The experts from industry and academia were invited to deliver the sessions.

Keynote speaker, Mr. Arvind Dixit Director & Chief Executive Officer at Advance Tech India Pvt. Ltd- Chandigarh delivered his talk on “Introduction to IoT”.
MREI INTERNATIONAL AFFILIATIONS/ COLLABORATION

CAMPUS HIGHLIGHTS

A gateway to North India

MREI is located in the heart of beautiful Aravali hills, boasting a multicultural population. Renowned for its outdoors, a range of enriching sporting, artistic, entertainment, cultural activities, it's hardly surprising that Faridabad is recognised, not only as one of the most popular and affordable study destination in North India, but across the country.

MREI provide both an exhilarating and enriching experience students.
